Similarly, GMS-CF, LLC does not provide the Peace Creek Community Development District with financial advisory services or offer investment advice in any form.

1.0 Introduction

The Peace Creek Community Development District is a local unit of special-purpose government organized and existing under Chapter 190, Florida Statutes (the “District”), as amended. The District plans to issue \$2,460,000* of tax exempt bonds (the “Series 2025 Bonds” or “Bonds”) for the purpose of financing certain infrastructure improvements (the “2025 Project”) within the District described in the Supplemental Engineer’s Report for Assessment Area Two Bonds dated December 10, 2024 prepared by Hunter Engineering, Inc. as may be amended and supplemented from time to time (the “Engineer’s Report”). The construction and/or acquisition of the 2025 Project will provide special benefit to the property owners within Assessment Area Two within the District.

1.1 Purpose

This Preliminary Second Supplemental Assessment Methodology Report for Assessment Area Two supplements the Amended and Restated Master Assessment Methodology dated March 29, 2022 (together the “Assessment Report”) and provides for an assessment methodology for allocating the Series 2025 Bonds incurred by the District to benefiting properties within Assessment Area Two within the District. This Assessment Report allocates the Series 2025 Bonds to properties within Assessment Area Two based on the special benefits each receives from the District’s capital improvement plan (“CIP”). This Assessment Report is designed to conform to the requirements of Chapters 170, 190, and 197, Florida Statutes with respect to special assessments and is consistent with our understanding of case law on this subject.

The District plans to impose non ad valorem special assessments on the benefited lands within Assessment Area Two within the District based on the Assessment Report. It is anticipated that all of the proposed special assessments will be collected through the Uniform Method of Collection described in Chapter 197.3632, Florida Statutes or any other legal means of collection available to the District. It is not the intent of this Assessment Report to address any other assessments, if applicable, that may be levied by the District, a homeowner’s association, or any other unit of government.

1.2 Background

The District consists of approximately 168.55 acres in Polk County, Florida. Assessment Area Two, a designated area within the District, currently envisions 120 residential units. The proposed land use for Assessment Area Two is depicted in Table 1. It is recognized that such land use plan may change, and this Assessment Report will be modified accordingly.

The public improvements contemplated by the District representing the 2025 Project which is a portion of the CIP that will be funded with the available net proceeds of the

Series 2025 Bonds will provide facilities that benefit the assessable property within Assessment Area Two within the District. The CIP is delineated in the Engineer's Report. Specifically, the District may construct and/or acquire certain offsite improvements, stormwater management facilities, utility facilities, roadways, entry feature, parks and recreation facilities, and contingencies. Only a portion of the CIP constituting the 2025 Project will be funded with the available net proceeds of the Series 2025 Bonds. The acquisition and construction costs are summarized in Table 2.

The assessment methodology is a four-step process.

1. The District Engineer must first determine the public infrastructure improvements and services that may be provided by the District and the estimated costs to implement the 2025 Project to be financed with the Series 2025 Bonds.
2. The District Engineer determines the assessable acres within Assessment Area Two that benefit from the District's CIP.
3. A calculation is made to determine the funding amounts necessary to acquire and/or construct CIP.
4. This amount is initially divided equally among the benefited properties on a prorated gross acreage basis within Assessment Area Two. Ultimately, as land is platted, this amount will be assigned to each of the benefited properties based on the number and type of platted units.

1.3 Special Benefits and General Benefits

Improvements undertaken by the District create special and peculiar benefits to the assessable property within Assessment Area Two, different in kind and degree than general benefits, for properties within its borders but outside of Assessment Area Two as well as general benefits to the public at large.

However, as discussed herein, these general benefits are incidental in nature and are readily distinguishable from the special and peculiar benefits, which accrue to the assessable property within Assessment Area Two within the District. The implementation of the CIP enables properties within its boundaries to be developed. Without the District's CIP, there would be no infrastructure to support development of land within the District and development of the property within the District would be prohibited by law.

There is no doubt that the general public and property owners outside of the District and outside of Assessment Area Two within the District will benefit from the provision of the District's CIP. However, these benefits will be incidental to the District's portion of the CIP financed with a portion of the Series 2025 Bonds, which is designed solely to meet the needs of property within Assessment Area Two within the

District. Properties outside the District boundaries and outside of Assessment Area Two within the District do not depend upon the District’s 2025 Project. The property owners within Assessment Area Two within the District are therefore receiving special benefits not received by those outside the District’s boundaries and outside of Assessment Area Two within the District.

1.4 Requirements of a Valid Assessment Methodology

There are two requirements under Florida law for a valid special assessment:

- 1) The properties must receive a special benefit from the improvements being paid for.
- 2) The assessments must be fairly and reasonably allocated to the properties being assessed.

Florida law provides for a wide application of benefit that meet these two characteristics of special assessments.

1.5 Special Benefits Exceed the Costs Allocated

The special benefits provided to the property owners within Assessment Area Two within the District are greater than the costs associated with providing these benefits. The District Engineer estimates that the portion of District’s CIP represented by the 2025 Project that is necessary to support full development of Assessment Area Two will cost approximately \$3,791,540. The District’s Underwriter has estimated that financing costs required to fund a portion of the infrastructure improvements for the 2025 Project, the cost of issuance of the Bonds, funding capitalized interest, and the funding of the debt service reserve account are \$2,460,000*. Additionally, funding required to complete the CIP not funded with the proceeds of the Series 2025 Bonds is anticipated to be funded by 653th, LLC or a related entity (the “Developer”). Without the CIP, the property within the District would not be able to be developed and occupied by future residents of the community.

2.0 Assessment Methodology

2.1 Overview

The District plans to issue \$2,460,000* in Series 2025 Bonds to fund a portion of the District’s CIP representing the 2025 Project, provide for a debt service reserve account, fund capitalized interest, and cost of issuance. It is the purpose of this Assessment Report to allocate the \$2,460,000 in debt to the properties within Assessment Area Two benefiting from the CIP.

*Preliminary, subject to change

Table 1 identifies the proposed land uses as identified by the Developer of the land within Assessment Area Two within the District. The District has relied on the Engineer's Report for the CIP needed to support the development; these estimated construction costs are outlined in Table 2. The improvements needed to support Assessment Area Two are described in detail in the Engineer's Report and are estimated to cost \$3,791,540. Based on the estimated costs, the size of the bond issue under current market conditions needed to generate funds to pay for a portion of the CIP representing the 2025 Project and related costs was determined by the District's Underwriter to total \$2,460,000*. Table 3 shows the breakdown of the bond sizing for the Assessment Area Two.

2.2 Allocation of Debt

Allocation of debt is a continuous process until the development plan for the District are completed. Until the platting process occurs, the 2025 Project funded by the Series 2025 Bonds benefits all acres within Assessment Area Two within the District.

The initial assessments will be levied on an equal basis to all gross acreage within Assessment Area Two within the District. A fair and reasonable methodology allocates the debt incurred by the District proportionately to the properties receiving the special benefits. At this point all of the lands within Assessment Area Two within the District are benefiting from the 2025 Project.

Once platting or the recording of a declaration of condominium of any portion of the District into individual lots or units ("Assigned Properties") has begun, the Special Assessments will be levied to the Assigned Properties based on the benefits they receive, on a first platted, first assigned basis. The "Unassigned Properties" defined as property that has not been platted or subjected to a declaration of condominium, will continue to be assessed on a per acre basis. Eventually the development plan will be completed and the debt relating to the Series 2025 Bonds will be allocated to the assigned properties within Assessment Area Two within the District, which are the beneficiaries of the 2025 Project, as depicted in Table 5 and Table 6. If there are changes to the development plan, a true up of the assessment will be calculated to determine if a debt reduction or true-up payment from the Developer is required. The process is outlined in Section 3.0.

The assignment of debt in this Assessment Report sets forth the process by which debt is apportioned. As mentioned herein, this Assessment Report will be supplemented from time to time.

2.3 Allocation of Benefit

The CIP consists of offsite improvements, stormwater management facilities, utility facilities, roadways, entry feature, parks and recreation facilities, and contingencies.

There is *one* residential product type within Assessment Area Two as reflected in Table 1. The townhome lot has been set as the base unit and has been assigned 0.75 equivalent residential units (“ERU”) per lot. The estimated cost of the 2025 Project is reflected in Table 2. There may be other improvements constructed, but not funded by the Series 2025 Bonds. Table 4 shows the allocation of benefit to the particular land uses. It is important to note that the benefit derived from the 2025 Project on the particular units exceeds the cost that the units will be paying for such benefits.

2.4 Lienability Test: Special and Peculiar Benefit to the Property

Construction and/or acquisition by the District of the proposed 2025 Project will provide several types of systems, facilities and services for its residents. These include offsite improvements, stormwater management facilities, utility facilities, roadways, entry feature, parks and recreation facilities, and contingencies. These improvements accrue in differing amounts and are somewhat dependent on the type of land use receiving the special benefits peculiar to those properties, which flow from the logical relationship of the improvements to the properties.

For the provision of the 2025 Project relating to the Development, the special and peculiar benefits are:

- 1) the added use of the property,
- 2) added enjoyment of the property, and
- 3) the probability of increased marketability and value of the property.

These special and peculiar benefits are real and ascertainable but are not yet capable of being calculated as to value with mathematical certainty. However, each is more valuable than either the cost of, or the actual non-ad valorem special assessment levied for the improvement or the debt as allocated.

2.5 Lienability Test: Reasonable and Fair Apportionment of the Duty to Pay Non-Ad Valorem Assessments

A reasonable estimate of the proportion of special and peculiar benefits received from the public improvements described in the Engineer’s Report relating to the 2025 Project is delineated in Table 5 (expressed as Allocation of Par Debt per Product Type).

The determination has been made that the duty to pay the non-ad valorem special assessments is fairly and reasonably apportioned because the special and peculiar benefits to the property derived from the acquisition and/or construction of the District’s 2025 Project relating to the Development have been apportioned to the property according to reasonable estimates of the special and peculiar benefits provided consistent with the land use categories.

Accordingly, no acre or parcel of property within Assessment Area Two within the District will have a lien for the payment of any non-ad valorem special assessment more than the determined special benefit peculiar to that property and therefore, the debt allocation will not be increased more than the debt allocation set forth in this Assessment Report.

In accordance with the benefit allocation for the product types in Table 4, a total debt per unit and an annual assessment per unit have been calculated for each product type (Table 6). These amounts represent the per unit debt allocation assuming all anticipated units are platted, built and sold as planned, and the 2025 Project is developed or acquired and financed by the District.

3.0 True Up Mechanism

Although the District does not process plats, declaration of condominiums, site plans or revisions thereto for the Developer, it does have an important role to play during the course of platting and site planning. Whenever a plat, declaration of condominium or site plan is processed, the District must allocate a portion of its debt to the property according to the Assessment Report outlined herein. In addition, the District must also prevent any buildup of debt on Unassigned Property. Unassigned Property means property within Assessment Area Two within the District where no platting or declaration of condominium has been recorded. Otherwise, the land could be fully conveyed and/or platted without all of the debt being allocated. To preclude this, at the time Unassigned Properties become Assigned Properties, the District will determine the amount of anticipated assessment revenue that remains on the Unassigned Properties, taking into account the proposed plat, or site plan approval. If the total anticipated assessment revenue to be generated from the Assigned and Unassigned Properties is greater than or equal to the maximum annual debt service, then no debt reduction or true-up payment is required. In the case that the revenue generated is less than the required amount then a debt reduction or true-up payment by the landowner in the amount necessary to reduce the par amount of the outstanding Bonds plus accrued interest to a level that will be supported by the new net annual debt service assessments will be required.

If a true-up payment is made less than 45 days prior to a quarterly redemption date, the amount of accrued interest will be calculated to the next succeeding quarterly redemption date.

4.0 Assessment Roll

The District will initially distribute the Special Assessments across the property within Assessment Area Two within the District boundaries on a gross acreage basis. As Assigned Properties become known with certainty, the District will refine its allocation of debt from a per acre basis to a per unit basis as shown in Table 6. If the land use

plan or product type changes, then the District will update Table 6 to reflect the changes as part of the foregoing true-up process. As a result, the assessment liens are not finalized with certainty on any acre of land in the District prior to the time final Assigned Properties become known. The preliminary assessment roll is attached as Table 7.

NOW, THEREFORE, BE IT RESOLVED by the Board of Supervisors of the Peace Creek Community Development District (the “Board”), as follows:

Section 1. Negotiated Limited Offering of the 2025 Bonds. The District hereby finds that because of the complex nature of assessment bond financings in order to better time the sale of the 2025 Bonds and secure better interest rates, it is necessary and in the best interest of the District that the 2025 Bonds, in the aggregate principal amount of not exceeding \$5,000,000, be sold on a negotiated limited offering basis. The District hereby further finds that it will not be adversely affected if the 2025 Bonds are not sold pursuant to competitive sales.

Section 2. Purpose. The District has authorized its capital improvement plan for the development of the District, as set forth in the Engineer’s Report, and hereby authorizes the financing of a portion of the acquisition and/or construction of certain public infrastructure benefiting all the assessable lands within Assessment Area Two within the District by issuing the 2025 Bonds to finance a portion of such public infrastructure described in the Engineer’s Report and constituting the 2025 Project. The 2025 Project includes, but is not limited to, public roadway improvements, stormwater drainage facilities including related earthwork, water, sewer and reclaimed water facilities, landscaping, hardscaping and irrigation in public rights of way, amenities, differential cost of undergrounding electric utilities, all as more particularly described in the Engineer’s Report.

Section 3. Sale of the 2025 Bonds. Except as otherwise provided in the last sentence of this Section 3, the proposal submitted by the Underwriter offering to purchase the 2025 Bonds at the purchase price established pursuant to the parameters set forth below and on the terms and conditions set forth in the Bond Purchase Contract (attached hereto as Exhibit A), are hereby approved and adopted by the District in substantially the form presented. Subject to the last sentence of this Section 3, the Chairperson (or, in the absence of the Chairperson, any other member of the Board) is hereby authorized to execute and deliver on behalf of the District, and the Secretary of the District is hereby authorized (if so required) to affix the seal of the District and attest to the execution of the Bond Purchase Contract in substantially the form presented at this meeting. The disclosure statements of the Underwriter, as required by Section 218.385, Florida Statutes, to be delivered to the District prior to the execution of the Bond Purchase Contract, a copy of which is attached as an exhibit to the Bond Purchase Contract, will be entered into the official records of the District. The Bond Purchase Contract, in final form as determined by

counsel to the District and the Chairperson, may be executed by the District without further action provided that (i) the 2025 Bonds mature not later than the statutory permitted period; (ii) the principal amount of the 2025 Bonds issued does not exceed \$5,000,000; (iii) the interest rate on the 2025 Bonds shall not exceed the maximum rate permitted under Florida law; (iv) if the 2025 Bonds are subject to optional redemption which determination will be made on or before the sale date of the 2025 Bonds, the first optional call date and the redemption price shall be determined on or before the execution of the Bond Purchase Contract; and (v) the purchase price to be paid by the Underwriter for the 2025 Bonds is not less than 98% of the par amount of the 2025 Bonds issued (exclusive of any original issuance discount).

Section 4. The Limited Offering Memorandum. The Limited Offering Memorandum, in substantially the form of the Preliminary Limited Offering Memorandum (subject to the other conditions set forth herein) attached hereto as Exhibit B, with such changes as are necessary to conform to the details of the 2025 Bonds and the requirements of the Bond Purchase Contract, is hereby approved. The District hereby authorizes the execution of the Limited Offering Memorandum and the District hereby authorizes the Limited Offering Memorandum, when in final form, to be used in connection with the limited offering and sale of the 2025 Bonds. The District hereby authorizes and consents to the use by the Underwriter of a Preliminary Limited Offering Memorandum substantially in the form attached hereto as Exhibit B, in connection with the limited offering of the 2025 Bonds. The final form of a Preliminary Limited Offering Memorandum shall be determined by the Underwriter and the professional staff of the District with final approval by the Chairperson. The Limited Offering Memorandum may be modified in a manner not inconsistent with the substance thereof and the terms of the 2025 Bonds as shall be deemed advisable by Bond Counsel and counsel to the District, with final approval by the Chairperson. The Chairperson (or, in the absence of the Chairperson, any other member of the Board) is hereby further authorized to execute and deliver on behalf of the District, the Limited Offering Memorandum and any amendment or supplement thereto, with such changes, modifications and deletions as the member of the Board executing the same may deem necessary and appropriate with the advice of Bond Counsel and counsel to the District, with final approval by the Chairperson, such execution and delivery to be conclusive evidence of the approval and authorization thereof by the District. The District hereby authorizes the Chairperson (or, in the absence of the Chairperson, any other member of the Board) to deem “final” the Preliminary Limited Offering Memorandum except for permitted omissions all within the meaning of Rule 15c2-12 of the Securities Exchange Act of 1934 and to execute a certificate in that regard.

Section 5. Details of the 2025 Bonds. The proceeds of the 2025 Bonds shall be applied in accordance with the provisions of the 2025 Indenture. The 2025 Bonds shall mature in the years and in the amounts, bear interest at such rates and be subject to redemption, all as provided in the 2025 Indenture. The execution of the 2025 Indenture shall constitute approval of such terms as set forth in the 2025 Indenture and this Resolution. The maximum aggregate principal amount of the 2025 Bonds authorized to be issued pursuant to this Resolution and the 2025 Indenture shall not exceed \$5,000,000.

Section 6. Continuing Disclosure; Dissemination Agent. The Board does hereby authorize and approve the execution and delivery of a Continuing Disclosure Agreement by the Chairperson (or, in the absence of the Chairperson, any other member of the Board) substantially in the form presented to this meeting and attached hereto as Exhibit C. The Continuing Disclosure

Agreement is being executed by the District and the other parties thereto in order to assist the Underwriter in the marketing of the 2025 Bonds and compliance with Rule 15c2-12 of the Securities and Exchange Commission. Governmental Management Services - Central Florida, LLC is hereby appointed the initial dissemination agent.

Section 7. Authorization of Execution and Delivery of the Second Supplemental Trust Indenture; Application of Master Indenture. The District does hereby authorize and approve the execution by the Chairperson (or, in the absence of the Chairperson, the Vice Chairperson or any other member of the Board) and the Secretary or any Assistant Secretary to attest and authorize the delivery of the previously approved Master Indenture and Second Supplemental, both between the District and the Trustee. The 2025 Indenture shall provide for the security of the 2025 Bonds and express the terms of the 2025 Bonds. The Second Supplemental shall be substantially in the form attached hereto as Exhibit D and is hereby approved, with such changes therein as are necessary or desirable to reflect the terms of the sale of the 2025 Bonds as shall be approved by the Chairperson (or, in the absence of the Chairperson, the Vice Chairperson, or any other member of the Board) executing the same upon the advice of Bond Counsel and counsel to the District, with such execution to constitute conclusive evidence of such officer's approval and the District's approval of any changes therein from the form of the Second Supplemental attached hereto as Exhibit D.

Section 8. Authorization and Ratification of Prior Acts. All actions previously taken by or on behalf of District in connection with the issuance of the 2025 Bonds are hereby authorized, ratified and confirmed.

Section 9. Appointment of Underwriter. The Board hereby formally appoints FMSbonds, Inc., as the Underwriter for the 2025 Bonds.

Section 10. Book-Entry Only Registration System. The registration of the 2025 Bonds shall initially be by the book-entry only system established with The Depository Trust Company.

Section 11. Assessment Methodology Report. The Board hereby authorizes any modifications to the Assessment Methodology Report prepared by Governmental Management Services - Central Florida, LLC in connection with the 2025 Bonds if such modifications are determined to be appropriate in connection with the issuance of the 2025 Bonds.

Section 12. Engineer's Report. The Board hereby authorizes any modifications to the Engineer's Report prepared by Hunter Engineering, Inc. if such modifications are determined to be appropriate in connection with the issuance of the 2025 Bonds or modifications to the 2025 Project.

Section 13. Further Official Action. The Chairperson, the Vice Chairperson, the Secretary and each other member of the Board and any other proper official or member of the professional staff of the District are each hereby authorized and directed to execute and deliver any and all documents and instruments and to do and cause to be done any and all acts and things necessary or desirable for carrying out the transactions contemplated by this Resolution. In the event that the Chairperson, the Vice Chairperson or the Secretary is unable to execute and deliver

the documents herein contemplated, such documents shall be executed and delivered by the respective designee of such officer or official or any other duly authorized officer or official of the District herein authorized. The Secretary or any Assistant Secretary is hereby authorized and directed to apply and attest the official seal of the District to any agreement or instrument authorized or approved herein that requires such a seal and attestation.

Section 14. Severability. If any section, paragraph, clause or provision of this Resolution shall be held to be invalid or ineffective for any reason, the remainder of this Resolution shall continue in full force and effect, it being expressly hereby found and declared that the remainder of this Resolution would have been adopted despite the invalidity or ineffectiveness of such section, paragraph, clause or provision.

The Series 2024 Special Assessments, comprising the Series 2024 Pledged Revenues for the Series 2024 Bonds, have been levied, or by the time of Closing will be levied, by the District on those lands within the District specially benefited by the 2024 Project pursuant to the Assessment Resolutions (as such term is defined in the Second Supplemental Indenture).

3. Limited Offering; Establishment of Issue Price. It shall be a condition to the District's obligation to sell and to deliver the Series 2024 Bonds to the Underwriter, and to the Underwriter's obligation to purchase, accept delivery of and pay for the Series 2024 Bonds, that the entire principal amount of the Series 2024 Bonds be issued, sold and delivered by the District and purchased, accepted and paid for by the Underwriter at the Closing and that the District and the Underwriter receive the opinions, documents and certificates described in Section 8(c) hereof.

(a) The Underwriter agrees to assist the District in establishing the issue price of the Series 2024 Bonds and shall execute and deliver to the District at Closing an "issue price" or similar certificate, together with the supporting pricing wires or equivalent communications, in a form reasonably satisfactory to Bond Counsel, with such modifications as may be appropriate or necessary, in the reasonable judgment of the Underwriter, the District and Bond Counsel, to accurately reflect, as applicable, the sales price or prices or the initial offering price or prices to the public of the Series 2024 Bonds.

(b) Except as otherwise indicated in Exhibit B, the District will treat the first price at which 10% of each maturity of the Series 2024 Bonds (the "10% test") is sold to the public as the issue price of that maturity. At or promptly after the execution of this Purchase Contract, the Underwriter shall report to the District the price or prices at which the Underwriter has sold to the public each maturity of Series 2024 Bonds. If at that time the 10% test has not been satisfied as to any maturity, the Underwriter agrees to promptly report to the District the prices at which the Series 2024 Bonds of that maturity have been sold by the Underwriter to the public. That reporting obligation shall continue, whether or not the Closing Date has occurred, until the 10% test has been satisfied as to the Series 2024 Bonds of that maturity or until all Series 2024 Bonds of that maturity have been sold to the public provided that, the Underwriter's reporting obligation after the Closing Date may be at reasonable periodic intervals or otherwise upon request of the District or bond counsel. For purposes of this Section, if Series 2024 Bonds mature on the same date but have different interest rates, each separate CUSIP number within that maturity will be treated as a separate maturity of the Series 2024 Bonds.

(c) The Underwriter confirms that it has offered the Series 2024 Bonds to accredited investors constituting the public on or before the date of this Purchase Contract at the offering price or prices (the "initial offering price"), or at the corresponding yield or yields, set forth in Exhibit B attached hereto, except as otherwise set forth therein. Exhibit B also sets forth, as of the date of this Purchase Contract, the maturities of the Series 2024 Bonds for which the 10% test has not been satisfied and for which the District and the Underwriter agree that the restrictions set forth in the next sentence shall apply, which will allow the District to treat the initial offering price to the public of each such maturity as of the sale date as the issue price of that maturity (the "hold-the-offering-price rule"). So long as the hold-the-offering-price rule remains applicable to any maturity of the

Series 2024 Bonds, the Underwriter will neither offer nor sell unsold Series 2024 Bonds of that maturity to any person at a price that is higher than the initial offering price to the public during the period starting on the sale date and ending on the earlier of the following:

(1) the close of the fifth (5th) business day after the sale date; or

(2) the date on which the Underwriter has sold at least 10% of that maturity of the Series 2024 Bonds to the public at a price that is no higher than the initial offering price to the public.

The Underwriter will advise the District promptly after the close of the fifth (5th) business day after the sale date whether it has sold 10% of that maturity of the Series 2024 Bonds to the public at a price that is no higher than the initial offering price to the public.

(d) The Underwriter confirms that:

(i) any selling group agreement and any third-party distribution agreement relating to the initial sale of the Series 2024 Bonds to the public, together with the related pricing wires, contains or will contain language obligating each dealer who is a member of the selling group and each broker-dealer that is a party to such third-party distribution agreement, as applicable:

(A) (i) to report the prices at which it sells to the public the unsold Series 2024 Bonds of each maturity allocated to it, whether or not the Closing Date has occurred, until either all Series 2024 Bonds of that maturity allocated to it have been sold or it is notified by the Underwriter that the 10% test has been satisfied as to the Series 2024 Bonds of that maturity, provided that, the reporting obligation after the Closing Date may be at reasonable periodic intervals or otherwise upon request of the Underwriter, and (ii) to comply with the hold-the-offering-price rule, if applicable, if and for so long as directed by the Underwriter,

(B) to promptly notify the Underwriter of any sales of Series 2024 Bonds that, to its knowledge, are made to a purchaser who is a related party to an underwriter participating in the initial sale of the Series 2024 Bonds to the public (each such term being used as defined below), and

(C) to acknowledge that, unless otherwise advised by the dealer or broker-dealer, the Underwriter shall assume that each order submitted by the dealer or broker-dealer is a sale to the public.

(ii) any selling group agreement relating to the initial sale of the Series 2024 Bonds to the public, together with the related pricing wires, contains or will contain language obligating each dealer that is a party to a third-party distribution agreement to be employed in connection with the initial sale of the Series 2024 Bonds to the public to require each broker-dealer that is a party to such third-party distribution agreement to (A) report the prices at which it sells to the public the unsold Series 2024 Bonds of each maturity allocated to it, whether or not the Closing Date has occurred, until either all Series 2024 Bonds of that maturity allocated to it have been sold or it is notified by the Underwriter or the dealer that the 10% test has been satisfied as to the Series 2024 Bonds of that maturity, provided that, the reporting obligation after the Closing Date may be at reasonable periodic intervals or otherwise upon request of the Underwriter or the dealer,

and (B) comply with the hold-the-offering-price rule, if applicable, if and for so long as directed by the Underwriter or the dealer and as set forth in the related pricing wires.

(e) The District acknowledges that, in making the representations set forth in this section, the Underwriter will rely on (i) in the event a selling group has been created in connection with the initial sale of the Series 2024 Bonds to the public, the agreement of each dealer who is a member of the selling group to comply with the requirements for establishing issue price of the Series 2024 Bonds, including, but not limited to, its agreement to comply with the hold-the-offering-price rule, if applicable to the Series 2024 Bonds, as set forth in a selling group agreement and the related pricing wires, and (ii) in the event that a third-party distribution agreement was employed in connection with the initial sale of the Series 2024 Bonds to the public, the agreement of each broker-dealer that is a party to such agreement to comply with the requirements for establishing issue price of the Series 2024 Bonds, including, but not limited to, its agreement to comply with the hold-the-offering-price rule, if applicable to the Series 2024 Bonds, as set forth in the third-party distribution agreement and the related pricing wires. The District further acknowledges that the Underwriter shall not be liable for the failure of any dealer who is a member of a selling group, or of any broker-dealer that is a party to a third-party distribution agreement, to comply with its corresponding agreement to comply with the requirements for establishing issue price of the Series 2024 Bonds, including, but not limited to, its agreement to comply with the hold-the-offering-price rule, if applicable to the Series 2024 Bonds

(f) The Underwriter acknowledges that sales of any Series 2024 Bond to any person that is a related party to an Underwriter participating in the initial sale of the Series 2024 Bonds to the public (each such term being used as defined below) shall not constitute sales to the public for purposes of this section. Further, for purposes of this section:

(i) "public" means any person other than an underwriter or a related party,

(ii) "underwriter" means (A) any person that agrees pursuant to a written contract with the District (or with the Underwriter to form an underwriting syndicate) to participate in the initial sale of the Series 2024 Bonds to the public and (B) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (A) to participate in the initial sale of the Series 2024 Bonds to the public (including a member of a selling group or a party to a third-party distribution agreement participating in the initial sale of the Series 2024 Bonds to the public),

(iii) a purchaser of any of the Series 2024 Bonds is a "related party" to an underwriter if the underwriter and the purchaser are subject, directly or indirectly, to (A) more than 50% common ownership of the voting power or the total value of their stock, if both entities are corporations (including direct ownership by one corporation of another), (B) more than 50% common ownership of their capital interests or profits interests, if both entities are partnerships (including direct ownership by one partnership of another), or (C) more than 50% common ownership of the value of the outstanding stock of the corporation or the capital interests or profit interests of the partnership, as applicable, if one entity is a corporation and the other entity is a partnership (including direct ownership of the applicable stock or interests by one entity of the other), and

(iv) "sale date" means the date of execution of this Purchase Contract by all parties.

4. Use of Documents. Prior to the date hereof, the District has caused to be prepared and has provided to the Underwriter a Preliminary Limited Offering Memorandum dated [_____], 2024 (such Preliminary Limited Offering Memorandum, including the cover pages and all appendices thereto, and any amendments and supplements thereto that may be authorized by the District for use with respect to the Series 2024 Bonds, being herein collectively called the "Preliminary Limited Offering Memorandum") of the District related to the Series 2024 Bonds that the District has deemed final as of its date, except for certain permitted omissions (the "Permitted Omissions"), as contemplated by Rule 15c2-12 of the Securities and Exchange Commission ("Rule 15c2-12" or the "Rule") in connection with the limited offering of the Series 2024 Bonds. The Underwriter has reviewed the Preliminary Limited Offering Memorandum prior to the execution of this Purchase Contract. The District has, prior to the date hereof, authorized the Preliminary Limited Offering Memorandum to be circulated and used by the Underwriter in connection with the limited offering of the Series 2024 Bonds. The District hereby ratifies and approves the circulation and use of the Preliminary Limited Offering Memorandum by the Underwriter.

the opinion of the Underwriter such event requires the preparation and publication of a supplement or amendment to the Limited Offering Memorandum, the District will at its expense supplement or amend the Limited Offering Memorandum in a form and in a manner approved by the Underwriter. The end of the Underwriting Period shall be the next business day after the Closing Date;

(m) Since its inception, there has been no material adverse change in the properties, businesses, results of operations, prospects, management or financial or other condition of the District, except as disclosed in the Preliminary Limited Offering Memorandum, and the District has not incurred liabilities that would materially adversely affect its ability to discharge its obligations under the Bond Resolution, the Assessment Resolutions, the Series 2024 Bonds, the Financing Documents or the Ancillary Agreements to which it is a party, direct or contingent, other than as set forth in or contemplated by the Limited Offering Memoranda;

(n) The District is not now in default and has not been in default at any time after December 31, 1975 in the payment of the principal of or the interest on any governmental security issued or guaranteed by it which would require the disclosure pursuant to Section 517.051, Florida Statutes or Rule 69W-400.003 of the Florida Department of Financial Services;

(o) Except as disclosed in the Limited Offering Memoranda, the District has never failed to comply in any material respect with any continuing disclosure obligations previously undertaken by the District in accordance with the continuing disclosure requirements of the Rule;

(p) Any certificate signed by any official of the District and delivered to the Underwriter will be deemed to be a representation by the District to the Underwriter as to the statements made therein; and

(q) From the date of this Purchase Contract through the Closing Date, the District will not issue any bonds (other than the Series 2024 Bonds), notes or other obligations payable from the Series 2024 Pledged Revenues.

That said, this opinion may be relied upon by Greenberg Traurig P.A., serving as bond counsel to the District, for the limited purposes of the following opinions: (1) that under the Florida

Constitution and laws of the State, the District has been duly established and validly exists as a local unit of special purpose government, and (2) that each member of the Board has taken and subscribed to the oath of affirmation required by the laws of the State of Florida.

C. OPINIONS

Based on the foregoing, and subject to the qualifications and assumptions set forth herein, we are of the opinion that:

1. **Authority** – Under the Florida Constitution and laws of the State, the District has been duly established and validly exists as a local unit of special purpose government and a community development district under Chapter 190, *Florida Statutes* ("**Act**"), with such powers as set forth in the Act, and with good, right and lawful authority: (a) to enter into and to consummate the transactions contemplated by the Bond Resolution, the Assessment Resolution, the Indenture, the 2024 Bonds and the Bond Agreements; (b) to issue the 2024 Bonds for the purposes for which they are issued; (c) to impose, levy, collect and enforce the Debt Assessments and pledge the Series 2024 Pledged Revenues to secure the 2024 Bonds as provided in the Indenture; (d) to adopt the Bond Resolution and the Assessment Resolution; and (e) to perform its obligations under the terms and conditions of the Bond Resolution, the Assessment Resolution, the Bond Agreements, the 2024 Bonds and the Indenture.

2. **Assessments** – The proceedings by the District with respect to the Debt Assessments have been in accordance with Florida law. The District has taken all action necessary to adopt and execute the Assessment Resolution and to levy and impose the Debt Assessments, as set forth in the Assessment Resolution, Assessment Methodology, and/or other applicable documents. The Debt Assessments constitute legal, valid, binding and enforceable first liens upon the property against which such Debt Assessments are assessed, co-equal with the lien of all state, county, district and municipal taxes and assessments, and superior in dignity to all other liens, titles and claims, until paid.

3. **Agreements** – The (a) Bond Resolution, (b) 2024 Bonds, (c) Indenture, and (d) Bond Agreements (assuming due authorization, execution and delivery of documents (b) – (d) listed herein by any parties thereto other than the District) have been duly and validly authorized, executed and delivered by the District, have been duly approved and adopted and/or issued by the District, are in full force and effect, constitute legal, valid and binding obligations of the District, and are enforceable against the District in accordance with their respective terms. All conditions prescribed in the Indenture as precedent to the issuance of the 2024 Bonds have been fulfilled.

4. **Validation** – The 2024 Bonds have been validated by a final judgment of the Circuit Court in and for Polk County, Florida, of which no timely appeal was filed.

5. **Governmental Approvals** – As of the date hereof, all necessary consents, approvals, waivers or other actions by or filings with any governmental authority or other entity that are required for: (a) the adoption of the Bond Resolution and the Assessment Resolution; (b) the issuance, sale, execution and delivery of the 2024 Bonds upon the terms set forth in the BPC, PLOM, and LOM; (c) the execution and delivery of the Indenture and Bond Agreements; and (d) the performance by the District of the transactions required hereby, have been duly obtained or made and are in full force and effect.

6. **PLOM and LOM** – The District has duly authorized the execution, delivery and distribution by the Underwriter of the PLOM and LOM. To our knowledge, and based upon our review of the PLOM and LOM and without having undertaken to determine independently the accuracy, completeness or fairness of the statements contained in the PLOM and LOM, and as of the date of their respective issuances, and with respect to the PLOM, the date of the BPC, and with respect to the LOM, the

date hereof, nothing has come to our attention which would lead us to believe that the PLOM and LOM contain an untrue statement of a material fact or omit to state a material fact necessary to make the statements contained therein, in light of the circumstances under which they were made, not misleading, provided however that the opinions stated herein extend only to the following provisions of the PLOM and LOM: "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2024 BONDS – Prepayment of Series 2024 Special Assessments," "ENFORCEMENT OF ASSESSMENT COLLECTIONS," "THE DISTRICT" (excluding the subcaptions "District Manager and Other Consultants"), "ASSESSMENT METHODOLOGY AND THE ALLOCATION OF ASSESSMENTS," "THE DEVELOPMENT – Developer Agreements" (solely as to the description of the agreements), "AGREEMENT BY THE STATE," "LEGALITY FOR INVESTMENT," "LITIGATION – The District," "CONTINUING DISCLOSURE" (as it relates to the District only), "VALIDATION," and "AUTHORIZATION AND APPROVAL," and further provided however that the opinions stated herein do not extend to any statements that constitute descriptions of the 2024 Bonds or the Indenture. No information or opinion is offered as to any remaining provisions of the PLOM or LOM.

7. ***Litigation*** – Based on inquiry of the District's Registered Agent and the fact that they have not been served with notice, there is no litigation pending or, to the best of our knowledge, threatened against the District: (a) seeking to restrain or enjoin the issuance or delivery of the 2024 Bonds or the application of the proceeds thereof, or the imposition, levy or collection of the Debt Assessments or the Pledged Revenues pledged for the payment of the debt service on the 2024 Bonds; (b) contesting or affecting the authority for the Debt Assessments, the authority for the issuance of the 2024 Bonds or the validity or enforceability of the 2024 Bonds, the Indenture, the Bond Agreements or the transactions contemplated thereunder; (c) contesting or affecting the establishment or existence of the District or any of its Supervisors, officers or employees, its assets, property or condition, financial or otherwise, or contesting or affecting any of the powers of the District, including its power to enter into the Indenture or the Bond Agreements, or its power to determine, assess, levy, collect and pledge the Debt Assessments for the payment of the debt service on the 2024 Bonds; or (d) specifically contesting the exclusion from federal gross income of interest on the 2024 Bonds.

8. ***Compliance with Laws*** – To the best of our knowledge, the District is not, in any manner material to the issuance of the 2024 Bonds or the Debt Assessments, in breach of or default under any applicable provision of the Act or constitutional provision, statute, or administrative regulation of the State of Florida, or any applicable judgment or decree, any loan agreement, indenture, bond, note, resolution, agreement (including the Bond Agreements and Indenture), or any other material instrument to which the District is a party or to which the District or any of its property or assets is otherwise subject, and to the best of our knowledge, no event has occurred and is continuing which with the passage of time or the giving of notice, or both, would constitute a material default or event of default by the District under any such instrument; provided, however, that no opinion is expressed as to compliance with any state or federal tax or securities laws.

9. ***Authority to Undertake the 2024 Project*** - The District has good right and lawful authority under the Act to undertake, finance, acquire, construct, own, and operate the 2024 Project, subject to obtaining such licenses, orders or other authorizations as are, at the date of such opinion, required to be obtained from any agency or regulatory body.

D. CERTAIN ASSUMPTIONS

In rendering the foregoing opinions, we have assumed the following: (1) that all public records, certifications, agreements and other documents examined by us that have been executed or certified by public officials acting within the scope of their official capacities are authentic, truthful and accurate; (2) that copies of such public records, certifications, agreements, and other documents furnished to us are

authentic and conform to the originals; (3) that all signatures on executed public records, certifications, agreements and other documents are genuine; and (4) that all public records, certifications, agreements and other documents have been properly authorized and are binding on each of the other parties thereto. Such assumptions do not apply to District documents.

E. CERTAIN QUALIFICATIONS

The foregoing opinions are subject to the following qualifications:

1. The opinions or statements expressed above are based solely on the laws of Florida in effect at the time of issuance of the 2024 Bonds. Accordingly, we express no opinion nor make any statement regarding the effect or application of the laws of the federal government (including but not limited to the Internal Revenue Code or any proposed changes thereto), or any other state or other jurisdiction.

2. Our opinion as to enforceability of any document is subject to limitations imposed by bankruptcy, insolvency, reorganization, moratorium, liquidation, readjustment of debt, or similar laws, relating to or affecting creditors' rights generally and general principles of equity (regardless of whether such enforceability is considered in a proceeding in equity or at law), and to the exercise of judicial discretion in appropriate cases, including the fact that specific performance and other equitable remedies are granted only in the discretion of a court.

3. Nothing herein shall be construed as an opinion regarding the possible applicability of state securities or "blue sky" laws or federal securities laws, as to which no opinion is expressed.

4. We further express no opinion as to the necessity for an interest rate waiver under Florida law, or the applicability of any provision or section of the Internal Revenue Code.

5. We express no opinion and make no representations with regard to financial, project, statistical or other similar information or data. We express no opinion as to compliance with any state or federal tax laws.

6. We have not reviewed, and therefore express no opinion, regarding any land use, real property or other related items, including but not limited to whether the Developer is able to convey good and marketable title to any particular real property or interest therein and related to the Project.

7. With respect to any of the opinions set forth in this letter which are based on or qualified by the phrase "to our knowledge," the words "to our knowledge" signify that, in the course of our representation of the District, no facts have come to our attention that would give us actual knowledge that any such opinions or other matters are not accurate. Except to the extent expressly set forth herein, we have not undertaken any independent investigation to determine the existence or absence of any such facts, and no inference as to our knowledge of the existence of such facts should be drawn from the fact of our representation of District.

**PEACE CREEK COMMUNITY DEVELOPMENT DISTRICT
(POLK COUNTY, FLORIDA)**

**[\$2,460,000]*
Special Assessment Bonds, Series 2024
(Assessment Area Two)**

INTRODUCTION

The purpose of this Limited Offering Memorandum is to set forth certain information in connection with the offering for sale by the Peace Creek Community Development District (the "District" or "Issuer") of its \$[2,460,000]* Special Assessment Bonds, Series 2024 (Assessment Area Two) (the "Series 2024 Bonds").

THE SERIES 2024 BONDS ARE NOT A SUITABLE INVESTMENT FOR ALL INVESTORS. PURSUANT TO APPLICABLE STATE LAW, THE UNDERWRITER IS LIMITING THIS INITIAL OFFERING OF THE SERIES 2024 BONDS TO ONLY ACCREDITED INVESTORS WITHIN THE MEANING OF CHAPTER 517, FLORIDA STATUTES, AND THE RULES OF THE FLORIDA DEPARTMENT OF FINANCIAL SERVICES. THE LIMITATION OF THE INITIAL OFFERING TO ACCREDITED INVESTORS DOES NOT DENOTE RESTRICTIONS ON TRANSFERS IN ANY SECONDARY MARKET FOR THE SERIES 2024 BONDS. POTENTIAL INVESTORS ARE SOLELY RESPONSIBLE FOR EVALUATING THE MERITS AND RISKS OF AN INVESTMENT IN THE SERIES 2024 BONDS. SEE "BONDOWNERS' RISKS" AND "SUITABILITY FOR INVESTMENT" HEREIN.

The District was created pursuant to the Uniform Community Development District Act of 1980, Chapter 190, Florida Statutes, as amended (the "Act"), and Ordinance No. O-22-15 adopted by the City Commission of the City of Winter Haven, Florida (the "City"), effective on February 28, 2022, as amended by Ordinance No. O-22-36 adopted by the City, effective on June 13, 2022 (collectively, the "Ordinance"). The District was created for the purpose of delivering certain community development services and facilities for the benefit of District Lands (as hereinafter defined) and has previously determined to undertake, in one or more stages, the acquisition and/or construction of public improvements and community facilities as set forth in the Act for the special benefit of the District Lands. The Act authorizes the District to issue bonds for the purposes of, among others, financing, funding, planning, establishing, acquiring, constructing or reconstructing, enlarging or extending, or equipping water management, water supply, sewer and wastewater management, bridges or culverts, public roads, street lights and other basic infrastructure projects within or without the boundaries of the District as provided in the Act.

The boundaries of the District include approximately 168.55 gross acres of land (the "District Lands") located within the southeastern portion of the incorporated City of Winter Haven, in Polk County, Florida (the "County"), along the east side of County Road 653, approximately 2.65 miles south of Eloise Loop Road. The District Lands are being developed as a residential community to be known as "Peace Creek Reserve" (the "Development"). The Development is currently planned for a total of approximately 673 single-family residential units. See "THE DEVELOPMENT" herein.

Two Assessment Areas have been created within the District to facilitate the District's development and financing plans. "Assessment Area One" contains 553 platted lots, which are planned to contain single-family detached homes at buildout. "Assessment Area Two" contains approximately 14 acres of land, which

* Preliminary, subject to change.

are planned to contain 120 townhome units at buildout. The District previously issued its Series 2023 Bonds (as defined herein) to fund a portion of its Capital Improvement Plan associated with Assessment Area One (herein, the "2023 Project"). Lennar Homes, LLC, is serving as the developer and homebuilder for Assessment Area One. See "THE DISTRICT – Outstanding Bond Indebtedness" and "THE DEVELOPMENT – Update on Assessment Area One" herein for more information.

The Series 2024 Bonds are being issued to finance a portion of the District's Capital Improvement Plan associated with Assessment Area Two (as further defined herein, the "2024 Project"). The Series 2024 Bonds will be secured by the Series 2024 Special Assessments (as defined herein), which will initially be levied on approximately 14 acres of land within Assessment Area Two. As lots are platted, the Series 2024 Special Assessments will be assigned to the 120 townhome lots planned for Assessment Area Two on a first platted, first assigned basis as set forth in the Assessment Methodology (as defined herein). See "ASSESSMENT METHODOLOGY AND THE ALLOCATION OF ASSESSMENTS" herein.

653TH LLC, a Florida limited liability company (the "Developer"), is the sole landowner and developer within Assessment Area Two. The Developer has entered into a contract with D.R. Horton, Inc., a Delaware corporation ("Horton" or the "Builder") for the sale of all 120 townhome lots planned for Assessment Area Two to be delivered in two takedowns upon development completion (the "Builder Contract"). See "THE DEVELOPER" and " – The Builder Contract and the Builder" herein for more information on the Developer, D.R. Horton and the Builder Contract.

The Series 2024 Bonds are being issued by the District pursuant to the Act, Resolution Nos. 2022-34 and 2025-[03], adopted by the Board of Supervisors of the District (the "Board") on March 29, 2022 and [December 10], 2024, respectively, and a Master Trust Indenture dated as of March 1, 2023 (the "Master Indenture"), as supplemented with respect to the Series 2024 Bonds by a Second Supplemental Trust Indenture dated as of [December] 1, 2024 (the "Second Supplemental Indenture" and, together with the Master Indenture, the "Indenture"), each by and between the District and U.S. Bank Trust Company, National Association, as trustee (the "Trustee"). Capitalized terms not defined herein shall have the meanings assigned to them in the Indenture. See "APPENDIX A: COPY OF MASTER INDENTURE AND PROPOSED FORM OF SECOND SUPPLEMENTAL INDENTURE" herein.

The Series 2024 Bonds will be secured by a pledge of the Series 2024 Pledged Revenues (as defined herein), which consist primarily of the revenues received by the District from the Series 2024 Special Assessments levied and collected on the assessable lands within Assessment Area Two in the District. See "SECURITY FOR AND SOURCES OF PAYMENT OF THE SERIES 2024 BONDS" herein.

There follows in this Limited Offering Memorandum a brief description of the District, the Developer, the Builder, the Development, Assessment Area Two and the 2024 Project and summaries of the terms of the Series 2024 Bonds, the Indenture and certain provisions of the Act. All references herein to the Indenture and the Act are qualified in their entirety by reference to such documents and statute, and all references to the Series 2024 Bonds are qualified by reference to the definitive form thereof and the information with respect thereto contained in the Indenture. A copy of the Master Indenture and proposed form of the Second Supplemental Indenture appear in APPENDIX A attached hereto.

This Limited Offering Memorandum speaks only as of its date and the information contained herein is subject to change.

PURPOSE OF THE SERIES 2024 BONDS

Proceeds of the Series 2024 Bonds will be used to provide funds for (i) the Costs of acquiring and/or constructing all or a portion of the 2024 Project, (ii) funding interest on the Series 2024 Bonds

through at least November 1, 2025; (iii) the funding of the Series 2024 Reserve Account in an amount equal to the initial Series 2024 Reserve Requirement (as defined herein), and (iv) the payment of the costs of issuance of the Series 2024 Bonds. See "ESTIMATED SOURCES AND USES OF FUNDS" herein.

DESCRIPTION OF THE SERIES 2024 BONDS

General Description

The Series 2024 Bonds are issuable only as fully registered bonds, without coupons, in the denominations of \$5,000 and any integral multiple thereof except as otherwise provided in the Indenture. The Series 2024 Bonds will mature, subject to the redemption provisions set forth herein, on the dates and in the amounts set forth on the inside cover page hereof.

The Series 2024 Bonds shall be dated as of the date of initial delivery. Regularly scheduled interest on the Series 2024 Bonds shall be payable on each Interest Payment Date to maturity or prior redemption in full. "Interest Payment Date" means May 1 and November 1 of each year, commencing May 1, 2025, and any other date the principal on the Series 2024 Bonds is paid, including any Quarterly Redemption Date (defined in the Indenture as February 1, May 1, August 1 and November 1 of any year). Interest on the Series 2024 Bonds shall be payable from the most recent Interest Payment Date next preceding the date of authentication thereof to which interest has been paid, unless the date of authentication thereof is a May 1 or November 1 to which interest has been paid, in which case from such date of authentication, or unless the date of authentication thereof is prior to May 1, 2025, in which case from the date of initial delivery of the Series 2024 Bonds or unless the date of authentication thereof is between a Record Date and the next succeeding Interest Payment Date, in which case from such Interest Payment Date. Interest on the Series 2024 Bonds will be computed in all cases on the basis of a 360-day year consisting of twelve 30-day months.

Upon initial issuance, the ownership of the Series 2024 Bonds will be registered in the name of Cede & Co., as nominee for The Depository Trust Company ("DTC"), and purchases of beneficial interests in the Series 2024 Bonds will be made in book-entry only form. As long as the Series 2024 Bonds is held in book-entry-only form, Cede & Co. shall be considered the registered owner for all purposes under the applicable Indenture. DTC shall be responsible for maintaining a book-entry-only system for recording the ownership interest of its participants ("Direct Participant" or "Direct Participants") and other institutions that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("Indirect Participants"). The Direct Participants and Indirect Participants will be responsible for maintaining records with respect to the beneficial ownership interests of individual purchasers of the Series 2024 Bonds ("Beneficial Owners"). Principal of and interest on any Series of Bonds registered in the name of Cede & Co. prior to and at maturity shall be payable directly to Cede & Co. in care of DTC. Disbursal of such amounts to Direct Participants shall be the responsibility of DTC. Payments by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners shall be the responsibility of Direct Participants and Indirect Participants and not of DTC, the Trustee or the District. Individuals may purchase beneficial interests in Authorized Denominations in book-entry-only form, without certificated Bonds, through Direct Participants and Indirect Participants. During the period for which Cede & Co. is registered owner of any Series of Bonds, any notices to be provided to any Beneficial Owner of such Series will be provided to Cede & Co. DTC shall be responsible for notices to Direct Participants, and Direct Participants shall be responsible for notices to Indirect Participants, and Direct Participants and Indirect Participants shall be responsible for notices to Beneficial Owners. In the event DTC, any successor of DTC or the District, but only in accordance with the procedures of DTC, elects to discontinue the book-entry only system, the Trustee shall deliver bond certificates in accordance with the instructions from DTC or its successor and after such time. See "DESCRIPTION OF THE SERIES 2024 BONDS – Book-Entry Only System" below.

The Series 2024 Bonds will initially be sold only to "accredited investors" within the meaning under Chapter 517, Florida Statutes, as amended, and the rules of the Florida Department of Financial Services promulgated thereunder, although there is no limitation on resales of the Series 2024 Bonds. See "SUITABILITY FOR INVESTMENT" below.

U.S. Bank Trust Company, National Association is serving as the Trustee, Registrar and Paying Agent for the Series 2024 Bonds.

Redemption Provisions

Optional Redemption

The Series 2024 Bonds may, at the option of the District, provided written notice thereof has been sent to the Trustee at least forty-five (45) days prior to the redemption date (unless the Trustee will accept less than forty-five (45) days' notice), be called for redemption prior to maturity as a whole or in part, at any time, on or after November 1, 20__ (less than all Series 2024 Bonds of a maturity to be selected randomly), at a Redemption Price equal to the principal amount of Series 2024 Bonds to be redeemed, plus accrued interest from the most recent Interest Payment Date to the redemption date from moneys on deposit in the Series 2024 Optional Redemption Subaccount of the Series 2024 Bond Redemption Account established under the Second Supplemental Indenture. If such optional redemption shall be in part, the District shall select such principal amount of Series 2024 Bonds to be optionally redeemed from each maturity so that debt service on the remaining Outstanding Series 2024 Bonds is substantially level.

Mandatory Sinking Fund Redemption

The Series 2024 Bonds maturing on May 1, 20__ are subject to mandatory sinking fund redemption from the moneys on deposit in the Series 2024 Sinking Fund Account on May 1 in the years and in the mandatory sinking fund redemption amounts set forth below at a redemption price of 100% of their principal amount plus accrued interest to the date of redemption.

Upon any redemption of Series 2024 Bonds other than in accordance with scheduled mandatory sinking fund redemptions, the District shall cause to be recalculated and delivered to the Trustee revised mandatory sinking fund redemption amounts recalculated so as to amortize the Outstanding principal amount of Series 2024 Bonds in substantially equal annual installments of principal and interest (subject to rounding to Authorized Denominations of principal) over the remaining term of the Series 2024 Bonds. The mandatory sinking fund redemption amounts as so recalculated shall not result in an increase in the aggregate of the mandatory sinking fund redemption amounts for all Series 2024 Bonds in any year. In the event of a redemption occurring less than forty-five (45) days prior to a date on which a mandatory sinking fund redemption payment is due, the foregoing recalculation shall not be made to the mandatory sinking fund redemption amounts due in the year in which such redemption occurs, but shall be made to the mandatory sinking fund redemption amounts for the immediately succeeding and subsequent years.

Extraordinary Mandatory Redemption

The Series 2024 Bonds are subject to extraordinary mandatory redemption prior to maturity by the District in whole or in part, on any date (other than in the case of clause (i) below which extraordinary mandatory redemption in part must occur on a Quarterly Redemption Date), at a Redemption Price equal to 100% of the principal amount of the Series 2024 Bonds to be redeemed, plus interest accrued to the redemption date, as follows:

(i) from Series 2024 Prepayment Principal deposited into the Series 2024 Prepayment Subaccount of the Series 2024 Bond Redemption Account (taking into account the credit from the Series 2024 Reserve Account pursuant to the Second Supplemental Indenture) following a Prepayment in whole or in part of the Series 2024 Special Assessments on any assessable property within the District in accordance with the provisions of the Second Supplemental Indenture;

(ii) from moneys, if any, on deposit in the Series 2024 Funds, Accounts and subaccounts in the Funds, and Accounts (other than the Series 2024 Rebate Fund, the Series 2024 Costs of Issuance Account and the Series 2024 Acquisition and Construction Account) sufficient to pay and redeem all Outstanding Series 2024 Bonds and accrued interest thereon to the redemption date or dates in addition to all amounts owed to Persons under the Second Supplemental Indenture;

(iii) from any funds remaining on deposit in the Series 2024 Acquisition and Construction Account not otherwise reserved to complete the 2024 Project (including any amounts transferred from the Series 2024 Reserve Account) all which have been transferred to the Series 2024 General Redemption Subaccount of the Series 2024 Bond Redemption Account.

Notice of Redemption and of Purchase

When required to redeem or purchase Series 2024 Bonds under any provision of the Indenture or directed to do so by the District, the Trustee shall cause notice of the redemption, either in whole or in part, to be provided by Electronic Means or mailed by first-class mail, postage prepaid, at least thirty (30) but not more than sixty (60) days prior to the redemption or purchase date to all Owners of Series 2024 Bonds to be redeemed or purchased (as such Owners appear on the Bond Register on the fifth (5th) day prior to such mailing), at their registered addresses, but failure to mail any such notice or defect in the notice or in the mailing thereof shall not affect the validity of the redemption or purchase of the Series 2024 Bonds for which notice was duly mailed in accordance with the Master Indenture.

If, at the time of mailing of notice of redemption or purchase, the District shall not have deposited with the Trustee or Paying Agent moneys sufficient to redeem or purchase all the Series 2024 Bonds called for redemption or purchase, such notice shall state that it is subject to the deposit of the redemption or purchase moneys with the Trustee or Paying Agent, as the case may be, not later than the opening of business on the redemption or purchase date, and such notice shall be of no effect unless such moneys are so deposited. If the amount of funds deposited with the Trustee for such redemption, or otherwise available, is insufficient to pay the Redemption Price and accrued interest on the Series 2024 Bonds so called for redemption on the redemption date, the Trustee shall redeem and pay on such date an amount of the Series 2024 Bonds for which funds are sufficient, selecting the Series 2024 Bonds to be redeemed randomly from among all Series 2024 Bonds called for redemption on such date, and among different maturities of Series 2024 Bonds in the same manner as the initial selection of Series 2024 Bonds to be redeemed, and from and after such redemption date, interest on such Series 2024 Bonds or portions thereof so paid shall cease to accrue and become payable; but interest on any Series 2024 Bonds or portions thereof not so paid shall continue to accrue until paid at the same rate as it would have had such Series 2024 Bonds not been called for redemption. The Trustee is authorized under the Indenture to provide conditional notices of redemption.

Purchase of Bonds

At the written direction of the District, the Trustee shall apply moneys from time to time available in the Series 2024 Sinking Fund Account to the purchase of Series 2024 Bonds which mature in the aforesaid years, at prices not higher than the principal amount thereof, in lieu of redemption as aforesaid, provided that firm purchase commitments can be made before the notice of redemption would otherwise be required to be given.

Book-Entry Only System

The information in this caption concerning DTC and DTC's book-entry system has been obtained from DTC and neither the District nor the Underwriter make any representation or warranty or take any responsibility for the accuracy or completeness of such information.

DTC will act as securities depository for the Series 2024 Bonds. The Series 2024 Bonds will be issued as fully-registered securities registered in the name of Cede & Co. (DTC's partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully-registered Series 2024 Bond certificate will be issued for each maturity of the Series 2024 Bonds, each in the aggregate principal amount of such maturity, and will be deposited with DTC.

DTC, the world's largest securities depository, is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments (from over 100 countries) that DTC's Participants deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants' accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation ("DTCC"). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly. DTC has a Standard & Poor's rating of AA+. The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at www.dtcc.com.

Purchases of Series 2024 Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the Series 2024 Bonds on DTC's records. The ownership interest of each actual purchaser of each Series 2024 Bond ("Beneficial Owner") is in turn to be recorded on the Direct and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Series 2024 Bonds are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in the Series 2024 Bonds, except in the event that use of the book-entry system for the Series 2024 Bonds is discontinued.

To facilitate subsequent transfers, all Bonds deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of the Series 2024 Bonds with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Series 2024 Bonds; DTC's records reflect only the identity of the Direct Participants to whose accounts such Bonds are credited, which

may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. Beneficial Owners of Bonds may wish to take certain steps to augment the transmission to them of notices of significant events with respect to the Series 2024 Bonds, such as redemptions, tenders, defaults, and proposed amendments to the Series 2024 Bond documents. For example, Beneficial Owners of Bonds may wish to ascertain that the nominee holding the Series 2024 Bonds for their benefit has agreed to obtain and transmit notices to Beneficial Owners. In the alternative, Beneficial Owners may wish to provide their names and addresses to the registrar and request that copies of notices be provided directly to them.

Redemption notices shall be sent to DTC. If less than all of the Series 2024 Bonds are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such Bonds to be redeemed.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to the Series 2024 Bonds unless authorized by a Direct Participant in accordance with DTC's MMI procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the District as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts the Series 2024 Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Redemption proceeds, distributions,* and interest payments on the Series 2024 Bonds will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail information from the District or the Paying Agent on payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC nor its nominee, the Trustee, or the District, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of redemption proceeds, distributions,* and interest payments to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the District and/or the Paying Agent, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.

DTC may discontinue providing its services as depository with respect to the Series 2024 Bonds at any time by giving reasonable notice to the District or the Trustee. Under such circumstances, in the event that a successor depository is not obtained, Series 2024 Bond certificates are required to be printed and delivered.

The District may decide to discontinue use of the system of book-entry only transfers through DTC (or a successor securities depository). In that event, Series 2024 Bond certificates will be printed and delivered to DTC.

* Not applicable to the Series 2024 Bonds.

SECURITY FOR AND SOURCES OF PAYMENT OF THE SERIES 2024 BONDS

General

THE SERIES 2024 BONDS ARE LIMITED OBLIGATIONS OF THE DISTRICT PAYABLE SOLELY FROM THE SERIES 2024 PLEDGED REVENUES, PLEDGED THEREFOR UNDER THE INDENTURE, AND NEITHER THE PROPERTY, THE FULL FAITH AND CREDIT, NOR THE TAXING POWER OF THE DISTRICT, THE CITY, THE COUNTY, THE STATE OF FLORIDA (THE "STATE"), OR ANY OTHER POLITICAL SUBDIVISION THEREOF, IS PLEDGED AS SECURITY FOR THE PAYMENT OF THE SERIES 2024 BONDS, EXCEPT THAT THE DISTRICT IS OBLIGATED UNDER THE INDENTURE TO LEVY AND TO EVIDENCE AND CERTIFY, OR CAUSE TO BE CERTIFIED, FOR COLLECTION, THE SERIES 2024 SPECIAL ASSESSMENTS TO SECURE AND PAY THE SERIES 2024 BONDS. THE SERIES 2024 BONDS DO NOT CONSTITUTE AN INDEBTEDNESS OF THE DISTRICT, THE CITY, THE COUNTY, THE STATE, OR ANY OTHER POLITICAL SUBDIVISION THEREOF WITHIN THE MEANING OF ANY CONSTITUTIONAL OR STATUTORY PROVISION OR LIMITATION.

The Series 2024 Bonds will be secured by a pledge of the Series 2024 Pledged Revenues. "Series 2024 Pledged Revenues" shall mean (a) all revenues received by the District from the Series 2024 Special Assessments levied and collected on the assessable lands within Assessment Area Two within the District, including, without limitation, amounts received from any foreclosure proceeding for the enforcement of collection of such Series 2024 Special Assessments or from the issuance and sale of tax certificates with respect to such Series 2024 Special Assessments, and (b) all moneys on deposit in the Funds, Accounts and subaccounts established under the Second Supplemental Indenture created and established with respect to or for the benefit of the Series 2024 Bonds; provided, however, that Series 2024 Pledged Revenues shall not include (A) any moneys transferred to the Series 2024 Rebate Fund established thereunder and investment earnings thereon, (B) moneys on deposit in the Series 2024 Costs of Issuance Account of the Acquisition and Construction Fund, and (C) "special assessments" levied and collected by the District under Section 190.022 of the Act for maintenance purposes or "maintenance assessments" levied and collected by the District under Section 190.021(3) of the Act (it being expressly understood that the lien and pledge of the Second Supplemental Indenture shall not apply to any of the moneys described in the foregoing clauses (A), (B) and (C) of this proviso). See "SECURITY FOR AND SOURCES OF PAYMENT OF THE SERIES 2024 BONDS" herein.

"Series 2024 Special Assessments" shall mean the Special Assessments levied on the assessable lands within Assessment Area Two of the District as a result of the District's acquisition and/or construction of the 2024 Project, corresponding in amount to the debt service on the Series 2024 Bonds and designated as such in the Assessment Methodology.

"Special Assessments" shall mean (a) the net proceeds derived from the levy and collection of "special assessments," as provided for in Sections 190.011(14) and 190.022 of the Act against District Lands that are subject to assessment as a result of a particular Project or any portion thereof or against one or more identified Assessment Areas, if applicable, and (b) the net proceeds derived from the levy and collection of "benefit special assessments," as provided for in Section 190.021(2) of the Act, against the lands within the District that are subject to assessment as a result of a particular Project or any portion thereof, and in the case of both "special assessments" and "benefit special assessments," including the interest and penalties on such assessments, pursuant to all applicable provisions of the Act and Chapter 170, Florida Statutes, and Chapter 197, Florida Statutes (and any successor statutes thereto), including, without limitation, any amount received from any foreclosure proceeding for the enforcement of collection of such assessments or from the issuance and sale of tax certificates with respect to such assessments, less (to the extent applicable) the fees and costs of collection thereof payable to the Tax Collector and less certain

administrative costs payable to the Property Appraiser pursuant to the Property Appraiser and Tax Collector Agreement. "Special Assessments" shall not include "special assessments" levied and collected by the District under Section 190.022 of the Act for maintenance purposes or "maintenance special assessments" levied and collected by the Issuer under Section 190.021(3) of the Act.

The Series 2024 Special Assessments are non-ad valorem special assessments imposed and levied by the District pursuant to Section 190.022 of the Act and the Assessment Resolutions (as defined in the Indenture) and assessment proceedings conducted by the District (together with the Assessment Resolutions, the "Assessment Proceedings"). Non-ad valorem assessments are not based on millage and are not taxes, but are a lien against the homestead as permitted in Section 4, Article X of the Florida State Constitution. See "ENFORCEMENT OF ASSESSMENT COLLECTIONS" herein. The Assessment Methodology, which describes the methodology for allocating the Series 2024 Special Assessments to the lands within the District, is included as APPENDIX D attached hereto.

In the Master Indenture, the District has covenanted that, if any Special Assessment, including any Series 2024 Special Assessment, shall be either in whole or in part annulled, vacated or set aside by the judgment of any court, or if the District shall be satisfied that any such Series 2024 Special Assessment is so irregular or defective that the same cannot be enforced or collected, or if the District shall have omitted to make such Series 2024 Special Assessment when it might have done so, the District shall either (i) take all necessary steps to cause a new Series 2024 Special Assessment to be made for the whole or any part of said improvement or against any property benefited by said improvement, or (ii) in its sole discretion, make up the amount of such Series 2024 Special Assessment from any legally available moneys, which moneys shall be deposited into the Series 2024 Revenue Account. In case such second Series 2024 Special Assessment shall be annulled, the District shall obtain and make other Series 2024 Special Assessments until a valid Series 2024 Special Assessment shall be made.

Prepayment of Series 2024 Special Assessments

Pursuant to the Assessment Proceedings, an owner of property subject to the Series 2024 Special Assessments, may, at its option, prepay the entire principal balance of such Special Assessment at any time, or a portion of such Special Assessment one time if there is also paid, in addition to the prepaid principal balance of the Special Assessment, an amount equal to the interest that would otherwise be due on such prepaid amount on the next succeeding interest payment date, or, if prepaid during the 45 day period preceding such interest payment date, to the interest payment date following such next succeeding interest payment date. Prepayment of such Special Assessment does not entitle the property owner to any discounts for early payment. See "BONDOWNERS' RISKS – Prepayment and Redemption Risk" herein.

Pursuant to the Act, an owner of property subject to the levy of Series 2024 Special Assessments may pay the entire balance of the Series 2024 Special Assessments remaining due, without interest, within 30 days after the 2024 Project has been completed or acquired by the District and the Board has adopted a resolution accepting the 2024 Project pursuant to Chapter 170.09, Florida Statutes. The Developer, as the sole owner of the property within Assessment Area Two within the District, will waive this right on behalf of itself and its successors and assigns in connection with the issuance of the Series 2024 Bonds.

The Series 2024 Bonds are subject to extraordinary redemption as indicated under "DESCRIPTION OF THE SERIES 2024 BONDS – Redemption Provisions – Extraordinary Mandatory Redemption" from Prepayments of Series 2024 Special Assessments by property owners. Pursuant to the Second Supplemental Indenture, a credit against a Prepayment of the Series 2024 Special Assessments may be available from certain moneys in the Series 2024 Reserve Account in excess of the Series 2024 Reserve Requirement as a result of such Prepayment. See " – Reserve Account" herein for more information.

Covenant Against Sale or Encumbrance

In the Master Indenture, the District has covenanted that (a) except for those improvements comprising any Project that are to be conveyed by the District to the City, the County, the State Department of Transportation or another governmental entity and (b) except as otherwise permitted in the Master Indenture, it will not sell, lease or otherwise dispose of or encumber any Project or any part thereof. See "APPENDIX A: COPY OF MASTER INDENTURE AND PROPOSED FORM OF SECOND SUPPLEMENTAL INDENTURE" attached hereto for more information.

Additional Bonds

In the Second Supplemental Indenture, the District will covenant not to issue any other Bonds or other debt obligations secured by the Series 2024 Special Assessments. Such covenant shall not prohibit the District from issuing refunding Bonds. In addition, the District will covenant not to issue any other Bonds or debt obligations for capital projects secured by any Special Assessments on assessable land within Assessment Area Two within the District which secure the Series 2024 Special Assessments, until the Series 2024 Special Assessments are Substantially Absorbed. "Substantially Absorbed" shall mean the date at least ninety percent (90%) of the principal portion of the Series 2024 Special Assessments have been assigned to residential units that have received certificates of occupancy. The District's covenants described above shall not preclude the imposition of Special Assessments or other non-ad valorem assessments on such lands in connection with other capital projects that are necessary for health, safety or welfare reasons or to remediate a natural disaster. The District or the District Manager on behalf of the District, shall provide the Trustee with a certification that the Series 2024 Special Assessments are Substantially Absorbed and the Trustee may conclusively rely upon such certification and shall have no duty to verify if the Series 2024 Special Assessments are Substantially Absorbed. Notwithstanding any provision in the Indenture to the contrary, the District may issue other Bonds or debt obligations secured by Special Assessments on lands that are subject to the Series 2024 Special Assessments, other than the Series 2024 Special Assessments, at any time upon the written consent of the Majority Holders. The District and the Trustee may rely on a written certificate from the District Manager regarding the status of the Series 2024 Special Assessments.

The District (subject to the limitations set forth above) and/or other public entities may impose taxes or other special assessments on the same properties encumbered by the Series 2024 Special Assessments without the consent of the Owners of the Series 2024 Bonds. The District expects to impose certain non-ad valorem special assessments called maintenance assessments, which are of equal dignity with the Series 2024 Special Assessments, on the same lands upon which the Series 2024 Special Assessments are imposed, to fund the maintenance and operation of the District. See "THE DEVELOPMENT – Taxes, Fees and Assessments" and "BONDOWNERS' RISKS – Other Taxes and Assessments" herein for more information.

Acquisition and Construction Account

The Second Supplemental Indenture establishes a separate account within the Acquisition and Construction Fund designated as the "Series 2024 Acquisition and Construction Account" with respect to the Series 2024 Bonds. Net proceeds of the Series 2024 Bonds will be deposited into the Series 2024 Acquisition and Construction Accounts in the amount set forth in the Second Supplemental Indenture, together with any moneys that may be transferred to the Series 2024 Acquisition and Construction Account as provided in the Second Supplemental Indenture. Such moneys in the Series 2024 Acquisition and Construction Account shall be disbursed by the Trustee as set forth in the Master Indenture, the Acquisition Agreement and the Second Supplemental Indenture, and upon disbursement, the District shall apply such moneys as provided for in the Second Supplemental Indenture and in the Acquisition Agreement.

Subject to the provisions of the Second Supplemental Indenture, any moneys remaining in the Series 2024 Acquisition and Construction Account after the Completion Date, and after the expenditure of all moneys remaining therein that have not been requisitioned after satisfaction of the Release Conditions (as defined herein), except for any moneys reserved therein for the payment of any costs of the 2024 Project owed but not yet requisitioned, as evidenced in a certificate from the District Engineer to the Trustee, upon which the Trustee may conclusively rely, and the adoption of a resolution by the District accepting the 2024 Project, as evidenced by a certificate from the District Manager delivered to the Trustee, upon which the Trustee may conclusively rely, shall be transferred by the Trustee to the Series 2024 General Redemption Subaccount of the Series 2024 Bond Redemption Account. See " – Reserve Account" herein for more information regarding the Release Conditions.

Subject to the provisions of the Second Supplemental Indenture, the Series 2024 Acquisition and Construction Account shall be closed upon the expenditure or transfer of all funds therein, including moneys deposited therein as a result of satisfaction of the Release Conditions. Upon presentment by the District Manager or the District to the Trustee of a properly signed requisition in substantially the form attached to the Second Supplemental Indenture, the Trustee shall withdraw moneys from the Series 2024 Acquisition and Construction Account and make payment to the Person or Persons so designated in such requisition.

Reserve Account

The Second Supplemental Indenture establishes a separate account within the Debt Service Reserve Fund designated as the "Series 2024 Reserve Account" for the Series 2024 Bonds. The Series 2024 Reserve Account will, at the time of delivery of the Series 2024 Bonds, be funded from a portion of the proceeds of the Series 2024 Bonds in the amount of the initial Series 2024 Reserve Requirement. The "Series 2024 Reserve Requirement" shall mean an amount initially equal to the maximum annual debt service with respect to the initial principal amount of the Series 2024 Bonds determined on the date of issue. Upon satisfaction of the Release Conditions #1, the Series 2024 Reserve Requirement shall be reduced to an amount equal to fifty percent (50%) of the maximum annual debt service with respect to the then Outstanding principal amount of the Series 2024 Bonds. Upon satisfaction of the Release Conditions #2, the Series 2024 Reserve Requirement shall be reduced to an amount equal to ten percent (10%) of the maximum annual debt service with respect to the then Outstanding principal amount of the Series 2024 Bonds. If a portion of the Series 2024 Bonds are redeemed via extraordinary mandatory redemption pursuant to the Second Supplemental Indenture, the Reserve Requirement shall be reduced pursuant to the provisions of the Second Supplemental Indenture. Any amount in the Series 2024 Reserve Account may, upon final maturity or redemption of all Outstanding Series 2024 Bonds, be used to pay principal of and interest on the Series 2024 Bonds at that time. The initial Series 2024 Reserve Requirement shall be equal to \$_____.

"Release Conditions" shall mean Release Conditions #1 and Release Conditions #2. "Release Conditions #1" shall mean collectively (i) all lots in Assessment Area Two have been developed, platted and conveyed to homebuilders, as certified by the District Manager in writing and upon which the Trustee may conclusively rely, and (ii) there shall be no Events of Default under the Master Indenture, all as certified by the District Manager in writing and upon which the Trustee may conclusively rely. "Release Conditions #2" shall mean collectively (i) satisfaction of Release Conditions #1, (ii) all homes subject to the Series 2024 Special Assessments received a certificate of occupancy, (iii) all of the principal portion of the Series 2024 Special Assessments has been assigned to such homes, and (iv) there shall be no Events of Default under the Master Indenture, all as certified by the District Manager in writing and upon which the Trustee may conclusively rely.

On each March 15 and September 15 (or, if such date is not a Business Day, on the Business Day next preceding such day), the Trustee shall determine the amount on deposit in the Series 2024 Reserve Account and prior to the Completion Date transfer any excess therein above the Reserve Requirement for the Series 2024 Bonds caused by investment earnings to the Series 2024 Acquisition and Construction Account and after the Completion Date to the Series 2024 Revenue Account.

Notwithstanding any of the foregoing, amounts on deposit in the Series 2024 Reserve Account shall be transferred by the Trustee, in the amounts directed in writing by the Majority Holders of the Series 2024 Bonds, to the Series 2024 General Redemption Subaccount of the Series 2024 Bond Redemption Account if, as a result of the application of Article X of the Master Indenture, the proceeds received from lands sold subject to the Series 2024 Special Assessments and applied to redeem a portion of the Series 2024 Bonds is less than the principal amount of Series 2024 Bonds indebtedness attributable to such lands.

Subject to the provisions of the Second Supplemental Indenture, on any date the District, or the District Manager on behalf of the District, receives notice that a landowner wishes to prepay its Series 2024 Special Assessments relating to the benefited property of such landowner within the District, or as a result of a mandatory true-up payment, the District shall calculate, or shall cause the District Manager on behalf of the District to calculate, the principal amount of such Prepayment, taking into account a credit against the amount of the Series 2024 Prepayment Principal due by the amount of money in the Series 2024 Reserve Account that will be in excess of the applicable Reserve Requirement, taking into account the proposed Prepayment. Such excess in the Series 2024 Reserve Account shall be transferred by the Trustee to the Series 2024 Prepayment Subaccount of the Series 2024 Bond Redemption Account, as a result of such Prepayment. The District Manager, on behalf of the District, shall make such calculation within ten (10) Business Days after receiving notice of such Prepayment and shall instruct the Trustee in writing to transfer such amount of credit given to the landowner from the Series 2024 Reserve Account to the Series 2024 Prepayment Subaccount of the Series 2024 Bond Redemption Account to be used for the extraordinary mandatory redemption of the Series 2024 Bonds in accordance with the Second Supplemental Indenture. The Trustee is authorized to make such transfers and has no duty to verify such calculations. Notwithstanding the foregoing, upon satisfaction of the Release Conditions, the Trustee shall deposit such excess on deposit in the Series 2024 Reserve Account as further described in the next succeeding paragraph to the Series 2024 Acquisition and Construction Account and pay such amount deposited in the Series 2024 Acquisition and Construction Account to the Person or Persons designated in a requisition in the form attached to the Second Supplemental Indenture to the District submitted by the Developer within thirty (30) days of such transfer which requisition shall be executed by the District and the Consulting Engineer. Such payment is authorized notwithstanding that the Completion Date might have been declared, provided that there are Costs of the 2024 Project that were not paid from moneys initially deposited in the Series 2024 Acquisition and Construction Account and the Trustee has on file one or more properly executed unfunded requisitions. In the event there are multiple unfunded requisitions on file with the Trustee, the Trustee shall fund such requisitions in order the Trustee has received (from oldest to newest). In the event that there are no unfunded requisitions on file with the Trustee, such excess moneys transferred from the Series 2024 Reserve Account to the Series 2024 Acquisition and Construction Account shall be deposited into the Series 2024 General Redemption Subaccount of the Series 2024 Bond Redemption Account.

Upon satisfaction of the Release Conditions #1 or Release Conditions #2, as evidenced by a written certificate of the District Manager delivered to the District and the Trustee stating that the Release Conditions #1 or Release Conditions #2 have been satisfied and setting forth the amount of the new Series 2024 Reserve Requirement, the Trustee shall without further direction reduce the Series 2024 Reserve Requirement to either (i) fifty percent (50%) of the maximum annual debt service of the then Outstanding principal amount of the Series 2024 Bonds, as calculated by the District Manager, upon satisfaction of Release Conditions #1 or (ii) ten percent (10%) of the maximum annual debt service of the then Outstanding principal amount of the Series 2024 Bonds, as calculated by the District Manager, upon satisfaction of

Release Conditions #2. The excess amount in the Series 2024 Reserve Account as a result of the satisfaction of Release Conditions #1 or Release Conditions #2 shall be transferred to the Series 2024 Acquisition and Construction Account. The Trustee may conclusively rely on such written certificate of the District Manager.

In addition, in the event of an extraordinary mandatory redemption from funds on deposit in the Series 2024 Acquisition and Construction Subaccounts, the District, or the District Manager on behalf of the District, shall calculate the applicable Reserve Requirement and communicate the same to the Trustee, and the Trustee shall apply any excess in the Series 2024 Reserve Account toward such extraordinary mandatory redemption.

It shall be an Event of Default under the Indenture if at any time the amount in the Series 2024 Reserve Account is less than the Reserve Requirement for Series 2024 Bonds as a result of the Trustee withdrawing an amount therefrom to satisfy the Debt Service Requirement of the Series 2024 Bonds and such amount has not been restored within thirty (30) days of such withdrawal. See " – Events of Default and Remedies" herein.

Deposit and Application of the Pledged Revenues

The Second Supplemental Indenture establishes a separate account within the Revenue Fund designated as the "Series 2024 Revenue Account" for the Series 2024 Bonds. All Funds and Accounts described under this heading are those created and established pursuant to the Second Supplemental Indenture. Pursuant to the Second Supplemental Indenture, Series 2024 Special Assessments and any other amounts required to be deposited therein (except for Prepayments of Series 2024 Special Assessments, which shall be identified as such by the District to the Trustee and deposited in the Series 2024 Prepayment Subaccount) shall be deposited by the Trustee into the Series 2024 Revenue Account. The Trustee shall transfer from amounts on deposit in the Series 2024 Revenue Account to the Funds, Accounts and subaccounts designated below, the following amounts, at the following times and in the following order of priority:

FIRST, upon receipt but no later than the Business Day preceding each May 1 commencing May 1, 2025, to the Series 2024 Interest Account of the Debt Service Fund, an amount equal to the interest on the Series 2024 Bonds becoming due on the next succeeding May 1, less any amounts on deposit in the Series 2024 Interest Account not previously credited;

SECOND, upon receipt but no later than the Business Day next preceding each November 1 commencing November 1, 2025, to the Series 2024 Interest Account of the Debt Service Fund, an amount equal to the interest on the Series 2024 Bonds becoming due on the next succeeding November 1, less any amount on deposit in the Series 2024 Interest Account not previously credited;

THIRD, no later than the Business Day next preceding each May 1, commencing May 1, 20__, to the Series 2024 Sinking Fund Account of the Debt Service Fund, an amount equal to the principal amount of Series 2024 Bonds subject to sinking fund redemption on such May 1, less any amounts on deposit in such Series 2024 Sinking Fund Account not previously credited;

FOURTH, no later than the Business Day next preceding each May 1, which is a principal payment date for any Series 2024 Bonds, to the Series 2024 Principal Account of the Debt Service Fund, an amount equal to the principal amount of Series 2024 Bonds Outstanding maturing on such May 1, less any amounts on deposit in the Series 2024 Principal Account not previously credited;

FIFTH, notwithstanding the foregoing, at any time the Series 2024 Bonds are subject to redemption on a date which is not a May or November 1 Interest Payment Date, the Trustee shall be authorized to transfer from the Series 2024 Revenue Account to the Series 2024 Interest Account, the amount necessary to pay interest on the Series 2024 Bonds subject to redemption on such date;

SIXTH, upon receipt but no later than the Business Day next preceding each Interest Payment Date while Series 2024 Bonds remain Outstanding, to the Series 2024 Reserve Account, an amount equal to the amount, if any, which is necessary to make the amount on deposit therein equal to the Reserve Requirement for the Series 2024 Bonds; and

SEVENTH, subject to the foregoing paragraphs, the balance of any moneys remaining after making the foregoing deposits shall be deposited into the Series 2024 Costs of Issuance Account to cover any deficiencies in the amount allocated to pay the cost of issuing the Series 2024 Bonds and next, any balance in the Series 2024 Revenue Account shall remain on deposit in such Series 2024 Revenue Account, unless pursuant to the Arbitrage Certificate, it is necessary to make a deposit into the Series 2024 Rebate Fund, in which case, the District shall direct the Trustee to make such deposit thereto.

Investments

The Trustee shall, as directed by the District in writing, invest moneys held in the Series Accounts in the Debt Service Fund, any Series Account of the Debt Service Reserve Fund, and any Series Accounts within the Bond Redemption Fund in Government Obligations and the other securities described in the definition of Investment Securities as defined in the Master Indenture. All deposits in time accounts shall be subject to withdrawal without penalty and all investments shall mature or be subject to redemption by the holder without penalty, not later than the date when the amounts will foreseeably be needed for purposes set forth in the Indenture. All securities securing investments under the Master Indenture shall be deposited with a Federal Reserve Bank, with the trust department of the Trustee, as authorized by law with respect to trust funds in the State, or with a bank or trust company having a combined net capital and surplus of not less than \$50,000,000. The interest and income received upon such investments and any interest paid by the Trustee or any other depository of any Fund or Account and any profit or loss resulting from the sale of securities shall be added or charged to the Fund or Account for which such investments are made; provided, however, that if the amount in any Fund or Account equals or exceeds the amount required to be on deposit therein, subject to the Master Indenture and unless otherwise provided in the Second Supplemental Indenture with respect to the Series 2024 Bonds, any interest and other income so received shall be deposited in the related Series Account of the Revenue Fund. Upon request of the District, or on its own initiative whenever payment is to be made out of any Fund or Account, the Trustee shall sell such securities as may be requested to make the payment and restore the proceeds to the Fund or Account in which the securities were held. The Trustee shall not be accountable for any depreciation in the value of any such security or for any loss resulting from the sale thereof. If net proceeds from the sale of securities held in any Fund or Account shall be less than the amount invested and, as a result, the amount on deposit in such Fund or Account is less than the amount required to be on deposit in such Fund or Account, the amount of such deficit shall be transferred to such Fund or Account from the related Series Account of the Revenue Fund.

In the absence of written investment instructions from the District, the Trustee shall not be responsible or liable for keeping the moneys held by it hereunder invested or for any losses because such amounts were not invested. Moneys in any of the Funds and Accounts established pursuant to the Indenture, when held by the Trustee, shall be promptly invested by the Trustee in accordance with all written directions from the District and the District shall be responsible for ensuring that such instructions conform to

requirements of the Master Indenture. The Trustee shall not be liable or responsible for any loss or entitled to any gain resulting from any investment or sale upon the investment instructions of the District or otherwise. The Trustee may conclusively rely upon the District's written instructions as to both the suitability and legality of all investments directed under the Indenture. Ratings of investments shall be determined by the District at the time of purchase of such investments and without regard to ratings subcategories. The Trustee shall have no responsibility to monitor the ratings of investments after the initial purchase of such investments. The Trustee may make any and all such investments through its own investment department or that of its affiliates or subsidiaries, and may charge its ordinary and customary fees for such trades. Confirmations of investments are not required to be issued by the Trustee for each month in which a monthly statement is rendered.

The Trustee shall value the assets in each of the Funds and Accounts established under the Indenture forty-five (45) days prior to each Interest Payment Date, and as soon as practicable after each such valuation date (but no later than ten (10) days after each such valuation date) shall provide the District a report of the status of each Fund and Account as of the valuation date. For the purpose of determining the amount on deposit to the credit of any Fund or Account established under the Indenture, obligations in which money in such Fund or Account shall have been invested shall be valued at the market value or the amortized cost thereof, whichever is lower, or at the redemption price thereof, to the extent that any such obligation is then redeemable at the option of the holder. See "APPENDIX A: COPY OF MASTER INDENTURE AND PROPOSED FORM OF SECOND SUPPLEMENTAL INDENTURE" attached hereto for more information.

Master Indenture Provisions Relating to Bankruptcy of Developer or Other Obligated Person

For purposes of the following, (a) the Series 2024 Bonds secured by and payable from Special Assessments levied against property owned by an Insolvent Taxpayer (as defined below) are collectively referred to herein as the "Affected Bonds" and (b) the Series 2024 Special Assessments levied against any Insolvent Taxpayer's property and pledged under one or more Supplemental Indentures as security for the Affected Bonds are collectively referred to herein as the "Affected Special Assessments." The Master Indenture contains the following provisions, which shall be applicable both before and after the commencement, whether voluntary or involuntary, of any case, proceeding or other action by or against any owner of any tax parcel subject to the Affected Special Assessments (an "Insolvent Taxpayer") under any existing or future law of any jurisdiction relating to bankruptcy, insolvency, reorganization, assignment for the benefit of creditors, or relief of debtors (a "Proceeding"). For as long as Affected Bonds remain Outstanding, in any Proceeding involving the District, any Insolvent Taxpayer, the Affected Bonds or the Affected Special Assessments, the District, to the extent permitted by applicable law, shall be obligated to act in accordance with any direction from the Trustee with regard to all matters directly or indirectly affecting at least three percent (3%) of the Outstanding aggregate principal amount of the Affected Bonds or for as long as any Affected Bonds remain Outstanding, in any proceeding involving the District, any Insolvent Taxpayer, the Affected Bonds or the Affected Special Assessments or the Trustee. The District has agreed in the Master Indenture that it shall not be a defense to a breach of the foregoing covenant that it has acted upon advice of counsel in not complying with this covenant.

The District has acknowledged and agreed that, although the Affected Bonds will be issued by the District, the Owners of the Affected Bonds are categorically the party with the ultimate financial stake with respect to the Affected Bonds and, consequently, the party with a vested and pecuniary interest in a Proceeding. In the event of any Proceeding involving any Insolvent Taxpayer: (a) the District, to the extent permitted by applicable law, has agreed that it shall follow the direction of the Trustee in making any election, giving any consent, commencing any action or filing any motion, claim, obligation, notice or application or in taking any other action or position in any Proceeding or in any action related to a Proceeding that affects, either directly or indirectly, the Affected Special Assessments, the Affected Bonds

or any rights of the Trustee under the Indenture; (b) to the extent permitted by applicable law, the District has agreed that it shall not make any election, give any consent, commence any action or file any motion, claim, obligation, notice or application or take any other action or position in any Proceeding or in any action related to a Proceeding that affects, either directly or indirectly, the Affected Special Assessments, the Affected Bonds or any rights of the Trustee under the Indenture that is inconsistent with any direction from the Trustee; (c) to the extent permitted by applicable law, the Trustee shall have the right, but is not obligated to, (i) vote in any such Proceeding any and all claims of the District, or (ii) file any motion, pleading, plan or objection in any such Proceeding on behalf of the District, including without limitation, motions seeking relief from the automatic stay, dismissal the Proceeding, valuation of the property belonging to the Insolvent Taxpayer, termination of exclusivity, and objections to disclosure statements, plans of liquidation or reorganization, and motions for use of cash collateral, seeking approval of sales or post-petition financing. If the Trustee chooses to exercise any such rights, the District shall be deemed to have appointed the Trustee as its agent and granted to the Trustee an irrevocable power of attorney coupled with an interest, and its proxy, for the purpose of exercising any and all rights and taking any and all actions available to the Issuer in connection with any Proceeding of any Insolvent Taxpayer, including without limitation, the right to file and/or prosecute any claims, to propose and prosecute a bankruptcy plan, to vote to accept or reject a plan, and to make any election under Section 1111(b) of the Bankruptcy Code and (d) the District shall not challenge the validity or amount of any claim submitted in such Proceeding by the Trustee in good faith or any valuations of the lands owned by any Insolvent Taxpayer submitted by the Trustee in good faith in such Proceeding or take any other action in such Proceeding, which is adverse to Trustee's enforcement of the District claim and rights with respect to the Affected Special Assessments or receipt of adequate protection (as that term is defined in the Bankruptcy Code). Without limiting the generality of the foregoing, the District has agreed that the Trustee shall have the right (i) to file a proof of claim with respect to the Affected Special Assessments, (ii) to deliver to the District a copy thereof, together with evidence of the filing with the appropriate court or other authority, and (iii) to defend any objection filed to said proof of claim.

Notwithstanding the provisions of the immediately preceding paragraphs, nothing in the above-described provisions shall preclude the District from becoming a party to a Proceeding in order to enforce a claim for operation and maintenance assessments, or claims for moneys or performance under a contract, and the District shall be free to pursue such claim in such manner as it shall deem appropriate in its sole and absolute discretion. Any actions taken by the District in pursuance of its claim for operation and maintenance assessments in any Proceeding shall not be considered an action adverse or inconsistent with the Trustee's rights or consents with respect to the Special Assessments relating to the Series 2024 Bonds Outstanding whether such claim is pursued by the District or the Trustee. See "BONDOWNERS' RISKS – Bankruptcy and Related Risks" herein for more information.

Events of Default and Remedies

The Master Indenture provides that each of the following shall be an "Event of Default" under the Indenture, with respect to the Series 2024 Bonds:

(a) if payment of any installment of interest on any Series 2024 Bond is not made when it becomes due and payable; or

(b) if payment of the principal or Redemption Price of any Series 2024 Bond is not made when it becomes due and payable at maturity or upon call or presentation for redemption; or

(c) if the District, for any reason, fails in, or is rendered incapable of, fulfilling its obligations under the Indenture or under the Act, which failure or incapacity may reasonably be determined solely by the Majority Holders of the Series 2024 Bonds; or

(d) if the District proposes or makes an assignment for the benefit of creditors or enters into a composition agreement with all or a material part of its creditors, or a trustee, receiver, executor, conservator, liquidator, sequestrator or other judicial representative, similar or dissimilar, is appointed for the District or any of its assets or revenues, or there is commenced any proceeding in liquidation, bankruptcy, reorganization, arrangement of debts, debtor rehabilitation, creditor adjustment or insolvency, local, state or federal, by or against the District and if such is not vacated, dismissed or stayed on appeal within ninety (90) days; or

(e) if the District defaults in the due and punctual performance of any other covenant in the Indenture or in the Series 2024 Bonds issued pursuant to the Indenture, and such default continues for sixty (60) days after written notice requiring the same to be remedied shall have been given to the District by the Trustee, which may give such notice in its discretion and shall give such notice at the written request of the Majority Holders of the Outstanding Series 2024 Bonds; provided, however, that if such performance requires work to be done, actions to be taken, or conditions to be remedied, which by their nature cannot reasonably be done, taken or remedied, as the case may be, within such sixty (60) day period, no Event of Default shall be deemed to have occurred or exist if, and so long as, the District shall commence such performance within such sixty (60) day period and shall diligently and continuously prosecute the same to completion; or

(f) if at any time the amount in the Series 2024 Reserve Account is less than the Series 2024 Reserve Requirement as a result of the Trustee withdrawing an amount therefrom to satisfy the Debt Service Requirement on the Series 2024 Bonds and such amount has not been restored within thirty (30) days of such withdrawal; or

(g) more than twenty percent (20%) of the "maintenance special assessments" levied by the District on District Lands upon which the Series 2024 Special Assessments are levied to secure the Series 2024 Bonds pursuant to Section 190.021(3), Florida Statutes, as amended, and collected directly by the District have become due and payable and have not been paid, when due.

The Trustee shall not be required to rely on any official action, admission or declaration by the District before recognizing that an Event of Default under (c) above has occurred.

No Series 2024 Bonds shall be subject to acceleration. Upon the occurrence and continuance of an Event of Default with respect to the Series 2024 Bonds, no optional redemption (with respect to the Series 2024 Bonds) and no extraordinary mandatory redemption of the Series 2024 Bonds pursuant to the Indenture shall occur unless all of the Series 2024 Bonds where an Event of Default has occurred will be redeemed or 100% of the Holders of the Series 2024 Bonds agree to such redemption.

If any Event of Default with respect to the Series 2024 Bonds has occurred and is continuing, the Trustee, in its discretion may, and upon the written request of the Majority Holders of the aggregate principle amount of the Outstanding Series 2024 Bonds and receipt of indemnity to its satisfaction shall, in its capacity as Trustee:

(a) by mandamus, or other suit, action or proceeding at law or in equity, enforce all rights of the Holders of the Series 2024 Bonds, including, without limitation, the right to require the District to carry out any agreements with, or for the benefit of, the Series 2024 Bondholders and to perform its or their duties under the Act;

(b) bring suit upon the Series 2024 Bonds;

(c) by action or suit in equity require the District to account as if it were the trustee of an express trust for the Holders of the Series 2024 Bonds;

(d) by action or suit in equity enjoin any acts or things which may be unlawful or in violation of the rights of the Holders of the Series 2024 Bonds; and

(e) by other proceeding in law or equity, exercise all rights and remedies provided for by any other document or instrument securing the Series 2024 Bonds.

If any proceeding taken by the Trustee on account of any Event of Default is discontinued or is determined adversely to the Trustee, then the District, the Trustee, the Paying Agent and the Bondholders shall be restored to their former positions and rights under the Indenture as though no such proceeding had been taken.

The Majority Holders of the Series 2024 Bonds then subject to remedial proceedings under the Master Indenture shall have the right to direct the method and place of conducting all remedial proceedings by the Trustee under the Indenture, provided that such directions shall not be otherwise than in accordance with applicable law or the provisions of the Indenture.

No Series 2024 Bondholder shall have any right to pursue any remedy under the Indenture unless (a) the Trustee shall have been given written notice of an Event of Default, (b) the Majority Holders of the Series 2024 Bonds shall have requested the Trustee, in writing, to exercise the powers granted in such Indenture or to pursue such remedy in its or their name or names, (c) the Trustee shall have been offered indemnity satisfactory to it against costs, expenses and liabilities, and (d) the Trustee shall have failed to comply with such request within a reasonable time.

Anything in the Indenture to the contrary notwithstanding, the District will acknowledge in the Indenture that the Series 2024 Pledged Revenues include, without limitation, all amounts on deposit in the Series 2024 Acquisition and Construction Subaccounts within the Series 2024 Acquisition and Construction Account then held by the Trustee, and upon the occurrence of an Event of Default with respect to the Series 2024 Bonds, (i) the Series 2024 Pledged Revenues may not be used by the District (whether to pay costs of the 2024 Project or otherwise) without the consent of the Majority Holders and (ii) the Series 2024 Pledged Revenues may be used by the Trustee, at the direction or with the approval of the Majority Holders, to pay the reasonable costs and expenses incurred in connection with the pursuit of remedies under the Indenture. The District will further covenant not to enter into any contract regarding the 2024 Project from and after the occurrence of an Event of Default without the written direction of the Majority Holders.

ENFORCEMENT OF ASSESSMENT COLLECTIONS

General

The primary source of payment for the Series 2024 Bonds is the collection of the Series 2024 Special Assessments imposed on the assessable lands in Assessment Area Two within the District specially benefited by the 2024 Project pursuant to the Assessment Proceedings. See "ASSESSMENT METHODOLOGY AND THE ALLOCATION OF ASSESSMENTS" herein and "APPENDIX D: ASSESSMENT METHODOLOGY."

The imposition, levy, and collection of Series 2024 Special Assessments must be accomplished in compliance with the provisions of Florida law. Failure by the District, the Polk County Tax Collector ("Tax Collector") or the Polk County Property Appraiser ("Property Appraiser") to comply with such requirements could result in delay in the collection of, or the complete inability to collect, Series 2024

Special Assessments during any year. Such delays in the collection of Series 2024 Special Assessments, or complete inability to collect any Series 2024 Special Assessments, would have a material adverse effect on the ability of the District to make full or punctual payment of the debt service requirements on the Series 2024 Bonds. See "BONDOWNERS' RISKS." To the extent that landowners fail to pay the Series 2024 Special Assessments, delay payments, or are unable to pay the same, the successful pursuance of collection procedures available to the District is essential to continued payment of principal of and interest on the Series 2024 Bonds.

For the Series 2024 Special Assessment liens to be valid, the Series 2024 Special Assessment lien must meet two requirements: (1) the benefit from the 2024 Project to the lands subject to the Series 2024 Special Assessments must exceed or equal the amount of the Series 2024 Special Assessments, and (2) the Series 2024 Special Assessments must be fairly and reasonably allocated across all such benefitted properties.

Pursuant to the Act and the Assessment Proceedings, the District may collect the Series 2024 Special Assessments through a variety of methods. Initially, the District will directly collect the Series 2024 Special Assessments with respect to any assessable lands that are owned by the Developer, have not been platted or when the timing for using the Uniform Method (as defined herein) will not yet allow for using such Method, unless the Trustee at the direction of the Majority Holders for the Series 2024 Bonds direct the District otherwise. See "ASSESSMENT METHODOLOGY AND THE ALLOCATION OF ASSESSMENTS" herein and "APPENDIX D: ASSESSMENT METHODOLOGY." As lands are platted and sold, the Series 2024 Special Assessments for platted and sold lots will be added to the County tax roll and collected pursuant to the Uniform Method unless the Trustee at the direction of the Majority Holders for the Series 2024 Bonds directs the District otherwise or the timing for using the Uniform Method will not yet allow for using such method. The following is a description of certain statutory provisions relating to each of these collection methods. Such description is not intended to be exhaustive and is qualified in its entirety by reference to such statutes.

Direct Billing & Foreclosure Procedure

As noted above, and pursuant to Chapters 170 and 190 of the Florida Statutes, the District may directly levy, collect and enforce the Series 2024 Special Assessments. In this context, Section 170.10 of the Florida Statutes provides that upon the failure of any property owner to timely pay all or any part of the annual installment of principal and/or interest of a special assessment due, including the Series 2024 Special Assessments, the whole assessment, with the interest and penalties thereon, shall immediately become due and payable and subject to foreclosure. Generally stated, the governing body of the entity levying the special assessment, in this case the District, may foreclose by commencing a foreclosure proceeding in the same manner as the foreclosure of a real estate mortgage, or, alternatively, by commencing an action under Chapter 173, Florida Statutes, which relates to foreclosure of municipal tax and special assessment liens. Such proceedings are in rem, meaning that the action would be brought against the land, and not against the landowner. In light of the one year tolling period required before the District may commence a foreclosure action under Chapter 173, Florida Statutes, it is likely the District would commence an action to foreclose in the same manner as the foreclosure of a real estate mortgage rather than proceeding under Chapter 173, Florida Statutes.

Enforcement of the obligation to pay Series 2024 Special Assessments and the ability to foreclose the lien of such Series 2024 Special Assessments upon the failure to pay such Series 2024 Special Assessments may not be readily available or may be limited because enforcement is dependent upon judicial action which is often subject to discretion and delay. Additionally, there is no guarantee that there will be demand for any foreclosed lands sufficient to repay the Series 2024 Special Assessments. See "BONDOWNERS' RISKS."

Uniform Method Procedure

Subject to certain conditions, and for platted lands (as described above), the District may alternatively elect to collect the Series 2024 Special Assessments using the Uniform Method. The Uniform Method of collection is available only in the event the District complies with statutory and regulatory requirements and enters into agreements with the Tax Collector and Property Appraiser providing for the Series 2024 Special Assessments to be levied and then collected in this manner.

If the Uniform Method of collection is used, the Series 2024 Special Assessments will be collected together with City, County, school, special district, and other ad valorem taxes and non-ad valorem assessments (together, "Taxes and Assessments"), all of which will appear on the tax bill (also referred to as a "tax notice") issued to each landowner in the District. The statutes relating to enforcement of Taxes and Assessments provide that such Taxes and Assessments become due and payable on November 1 of the year when assessed, or as soon thereafter as the certified tax roll is received by the Tax Collector, and constitute a lien upon the land from January 1 of such year until paid or barred by operation of law. Such Taxes and Assessments – including the Series 2024 Special Assessments – are to be billed, and landowners in the District are required to pay, all Taxes and Assessments without preference in payment of any particular increment of the tax bill, such as the increment owing for the Series 2024 Special Assessments. In other words, any partial prepayment by a landowner must be distributed in equal proportion to all taxing districts and levying authorities.

All Taxes and Assessments are payable at one time, except for partial payment schedules as may be provided by Florida law such as Sections 197.374 and 197.222, Florida Statutes. Partial payments made pursuant to Sections 197.374 and 197.222, Florida Statutes, are distributed in equal proportion to all taxing districts and levying authorities applicable to that account. If a taxpayer does not make complete payment of the total amount, he or she cannot designate specific line items on his or her tax bill as deemed paid in full. Therefore, in the event the Series 2024 Special Assessments are to be collected pursuant to the Uniform Method, any failure to pay any one line item, would cause the Series 2024 Special Assessments to not be collected to that extent, which could have a significant adverse effect on the ability of the District to make full or punctual payment of the debt service requirements on the Series 2024 Bonds.

Under the Uniform Method, if the Series 2024 Special Assessments are paid during November when due or during the following three months, the taxpayer is granted a variable discount equal to 4% in November and decreasing one percentage point per month to 1% in February. All unpaid Taxes and Assessments become delinquent on April 1 of the year following assessment.

The Tax Collector is required to collect the Taxes and Assessments on the tax bill prior to April 1 and, after that date, to institute statutory procedures upon delinquency to collect such Taxes and Assessments through the sale of "tax certificates," as discussed below. Delay in the mailing of tax notices to taxpayers may result in a delay throughout this process. Neither the District nor the Underwriter can give any assurance to the holders of the Series 2024 Bonds (1) that the past experience of the Tax Collector with regard to tax and special assessment delinquencies is applicable in any way to the Series 2024 Special Assessments, (2) that future landowners and taxpayers in the District will pay such Series 2024 Special Assessments, (3) that a market may exist in the future for tax certificates in the event of sale of such certificates for taxable units within the District, and (4) that the eventual sale of tax certificates for real property within the District, if any, will be for an amount sufficient to pay amounts due under the Assessment Proceedings to discharge the lien of the Series 2024 Special Assessments and all other liens that are coequal therewith.

Collection of delinquent Series 2024 Special Assessments under the Uniform Method is, in essence, based upon the sale by the Tax Collector of "tax certificates" and remittance of the proceeds of such sale to

the District for payment of the Series 2024 Special Assessments due. Prior to the sale of tax certificates, the landowner may bring current the delinquent Taxes and Assessments and cancel the tax certificate process by paying the total amount of delinquent Taxes and Assessments plus all applicable interest, costs and charges. If the landowner does not act, the Tax Collector is required to attempt to sell tax certificates by public bid to the person who pays the delinquent Taxes and Assessments owing and any applicable interest and charges, and who accepts the lowest interest rate per annum to be borne by the certificates (but not more than 18%).

If there are no bidders, the tax certificate is issued to the County. The County is to hold, but not pay for, the tax certificate with respect to the property, bearing interest at the maximum legal rate of interest, which is currently 18%. The Tax Collector does not collect any money if tax certificates are issued, or "struck off," to the County. The County may sell such certificates to the public at any time after issuance, but before a tax deed application is made, at the face amount thereof plus interest at the rate of not more than 18% per annum plus costs and charges. Proceeds from the sale of tax certificates are required to be used to pay Taxes and Assessments (including the Series 2024 Special Assessments), interest, costs and charges on the real property described in the certificate.

Unless full payment for a tax deed is made to the clerk of court, including documentary stamps and recording fees, any tax certificate in the hands of a person other than the County may be redeemed and canceled, in whole or in part (under certain circumstances), at any time before a tax deed is issued, and at a price equal to the face amount of the certificate or portion thereof together with all interest, costs, and charges due. Regardless of the interest rate actually borne by the certificates, persons redeeming tax certificates must pay a minimum interest rate of 5%, unless the rate borne by the certificates is zero percent. The proceeds of such a redemption are paid to the Tax Collector who transmits to the holder of the tax certificate such proceeds less service charges, and the certificate is canceled. Redemption of tax certificates held by the County is effected by purchase of such certificates from the County, as described above.

For any holder other than the County, a tax certificate expires seven (7) years after the date of issuance if a tax deed has not been applied for and no other administrative or legal proceeding, including a bankruptcy, has existed of record. After an initial period ending two years from April 1 of the year of issuance of a certificate, during which period actions against the land are held in abeyance to allow for sales and redemptions of tax certificates, and before the expiration of seven years from the date of issuance, the holder of a certificate may apply for a tax deed to the subject land. The applicant is required to pay to the Tax Collector at the time of application all amounts required to redeem or purchase all other outstanding tax certificates covering the land, plus interest, any omitted taxes or delinquent taxes and interest, and current taxes, if due (as well as any costs of resale, if applicable). If the County holds a tax certificate on property valued at \$5,000 or more and has not succeeded in selling it, the County must apply for a tax deed two years after April 1 of the year of issuance of the certificate or as soon thereafter as is reasonable. The County pays costs and fees to the Tax Collector but not any amount to redeem any other outstanding certificates covering the land. Thereafter, the property is advertised for public sale.

In any such public sale conducted by the Clerk of the Circuit Court, the private holder of the tax certificate who is seeking a tax deed for non-homestead property is deemed to submit a minimum bid equal to the amount required to redeem the tax certificate, charges for the cost of sale, including costs incurred for the service of notice required by statute, redemption of other tax certificates on the land, and all other costs to the applicant for the tax deed, plus interest thereon. In the case of homestead property, the minimum bid is also deemed to include, in addition to the amount of money required for the minimum bid on non-homestead property, an amount equal to one-half of the latest assessed value of the homestead. If there are no higher bids, the holder receives title to the land, and the amounts paid for the certificate and in applying for a tax deed are credited toward the purchase price. The holder is also responsible for payment of any amounts included in the bid not already paid, including but not limited to, documentary stamp tax, recording

fees, and, if property is homestead property, the moneys to cover the one-half value of the homestead. If there are other bids, the holder may enter the bidding. The highest bidder is awarded title to the land. The portion of proceeds of such sale needed to redeem the tax certificate, together with all subsequent unpaid taxes plus the costs and expenses of the application for deed, with interest on the total of such sums, are forwarded to the holder thereof or credited to such holder if such holder is the successful bidder. Excess proceeds are distributed first to satisfy governmental liens against the land and then to the former title holder of the property (less service charges), lienholder of record, mortgagees of record, vendees of recorded contracts for deeds, and other lienholders and any other person to whom the land was last assessed on the tax roll for the year in which the land was assessed, all as their interest may appear.

Except for certain governmental liens, certain easements, and certain restrictive covenants and restrictions, no right, interest, restriction or other covenant survives the issuance of a tax deed. Thus, for example, outstanding mortgages on property subject to a tax deed would be extinguished.

If there are no bidders at the public sale, the County Clerk shall enter the land on a list entitled "lands available for taxes" and shall immediately notify the City Commission that the property is available. At any time within ninety (90) days from the date the property is placed on the list, the County may purchase the land for the opening bid, or may waive its rights to purchase the property. Thereafter, and without further notice or advertising, any person, the County or any other governmental unit may purchase the land by paying the amount of the opening bid. Ad valorem taxes and non-ad valorem assessments accruing after the date of public sale do not require repetition of the bidding process but are added to the minimum bid. Three years from the date the property was offered for sale, unsold lands escheat to the County in which they are located, free and clear, and all tax certificates, accrued taxes, and liens of any nature against the property are canceled and a deed is executed vesting title in the governing board of such County.

There can be no guarantee that the Uniform Method will result in the payment of Series 2024 Special Assessments. For example, the demand for tax certificates is dependent upon various factors, which include the rate of interest that can be earned by ownership of such certificates and the underlying value of the land that is the subject of such certificates and which may be subject to sale at the demand of the certificate holder. Therefore, the underlying market value of the property within the District may affect the demand for certificates and the successful collection of the Series 2024 Special Assessments, which are the primary source of payment of the Series 2024 Bonds. Additionally, legal proceedings under Federal bankruptcy law brought by or against a landowner who has not yet paid his or her property taxes or assessments would likely result in a delay in the sale of tax certificates. See "BONDOWNERS' RISKS."

BONDOWNERS' RISKS

There are certain risks inherent in an investment in bonds issued by a public authority or governmental body in the State and secured by special assessments. Certain of these risks are described in other headings of this Limited Offering Memorandum. Certain additional risks are associated with the Series 2024 Bonds offered hereby and are set forth below. Prospective investors in the Series 2024 Bonds should have such knowledge and experience in financial and business matters to be capable of evaluating the merits and risks of an investment in the Series 2024 Bonds and have the ability to bear the economic risks of such prospective investment, including a complete loss of such investment. This heading does not purport to summarize all risks that may be associated with purchasing or owning the Series 2024 Bonds, and prospective purchasers are advised to read this Limited Offering Memorandum in its entirety for a more complete description of investment considerations relating to the Series 2024 Bonds.

Concentration of Land Ownership

As of the date hereof, the Developer own all of the assessable lands within Assessment Area Two, which are the lands that will be subject to the Series 2024 Special Assessments securing the Series 2024 Bonds. Payment of the Series 2024 Special Assessments is primarily dependent upon their timely payment by the Developer and the other future landowners in Assessment Area Two. Non-payment of the Series 2024 Special Assessments by any of the landowners could have a substantial adverse impact upon the District's ability to pay debt service on the Series 2024 Bonds. See "THE DEVELOPER" and "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2024 BONDS" herein.

Bankruptcy and Related Risks

In the event of the institution of bankruptcy or similar proceedings with respect to the Developer or any other owner of benefited property, delays could occur in the payment of debt service on the Series 2024 Bonds, as such bankruptcy could negatively impact the ability of: (i) the Developer and any other landowner to pay the Series 2024 Special Assessments; (ii) the Tax Collector to sell tax certificates in relation to such property with respect to the Series 2024 Special Assessments being collected pursuant to the Uniform Method; and (iii) the District to foreclose the lien of the Series 2024 Special Assessments not being collected pursuant to the Uniform Method. In addition, the remedies available to the Owners of the Series 2024 Bonds under the Indenture are in many respects dependent upon judicial actions which are often subject to discretion and delay. Under existing constitutional and statutory law and judicial decisions, the remedies specified by federal, state and local law and in the Indenture and the Series 2024 Bonds, including, without limitation, enforcement of the obligation to pay Series 2024 Special Assessments and the ability of the District to foreclose the lien of the Series 2024 Special Assessments if not being collected pursuant to the Uniform Method, may not be readily available or may be limited. The various legal opinions to be delivered concurrently with the delivery of the Series 2024 Bonds (including Bond Counsel's approving opinion) will be qualified as to the enforceability of the various legal instruments by limitations imposed by bankruptcy, reorganization, insolvency or other similar laws affecting the rights of creditors enacted before or after such delivery. The inability, either partially or fully, to enforce remedies available with respect to the Series 2024 Bonds could have a material adverse impact on the interest of the Owners thereof.

A 2011 bankruptcy court decision in Florida held that the governing body of a community development district, and not the bondholders or indenture trustee, was the creditor of the landowners/debtors in bankruptcy with respect to claims for special assessments, and thus only the district could vote to approve or disapprove a reorganization plan submitted by the debtors in the case. The district voted in favor of the plan. The governing body of the district was at that time elected by the landowners rather than qualified electors. Under the reorganization plan that was approved, a two-year moratorium was placed on the debtor landowners' payment of special assessments. As a result of this non-payment of assessments, debt service payments on the district's bonds were delayed for two years or longer. The Master Indenture provides for the delegation of certain rights from the District to the Trustee in the event of a bankruptcy or similar proceeding with respect to an "Insolvent Taxpayer" (as previously defined). See "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2024 BONDS – Master Indenture Provisions Relating to Bankruptcy of Developer or Other Obligated Person" herein. The District cannot express any view whether such delegation would be enforceable.

Series 2024 Special Assessments Are Non-Recourse

The principal security for the payment of the principal and interest on the Series 2024 Bonds is the timely collection of the Series 2024 Special Assessments. The Series 2024 Special Assessments do not constitute a personal indebtedness of the landowners of the land subject thereto, but are secured by a lien

on such land. There is no assurance that the Developer or subsequent landowners will be able to pay the Series 2024 Special Assessments or that they will pay such Series 2024 Special Assessments even though financially able to do so. Neither the Developer nor any other subsequent landowners have any personal obligation to pay the Series 2024 Special Assessments. Neither the Developer nor any subsequent landowners are guarantors of payment of any Series 2024 Special Assessments, and the recourse for the failure of the Developer or any subsequent landowner to pay the Series 2024 Special Assessments is limited to the collection proceedings against the land subject to such unpaid Series 2024 Special Assessments, as described herein. Therefore the likelihood of collection of the Series 2024 Special Assessments may ultimately depend on the market value of the land subject to the Series 2024 Special Assessments. While the ability of the Developer or subsequent landowners to pay the Series 2024 Special Assessments is a relevant factor, the willingness of the Developer or subsequent landowners to pay the Series 2024 Special Assessments, which may also be affected by the value of the land subject to the Series 2024 Special Assessments, is also an important factor in the collection of Series 2024 Special Assessments. The failure of the Developer or subsequent landowners to pay the Series 2024 Special Assessments could render the District unable to collect delinquent Series 2024 Special Assessments and provided such delinquencies are significant, could negatively impact the ability of the District to make the full or punctual payment of debt service on the Series 2024 Bonds.

Regulatory and Environmental Risks

The development of the District Lands, including Assessment Area Two, is subject to comprehensive federal, state and local regulations and future changes to such regulations. Approval is required from various public agencies in connection with, among other things, the design, nature and extent of planned improvements, both public and private, and construction of the infrastructure in accordance with applicable zoning, land use and environmental regulations. Although all such approvals required to date have been received and any further approvals are anticipated to be received as needed, failure to obtain any such approvals in a timely manner could delay or adversely affect the completion of the development of the District Lands. See "THE DEVELOPMENT – Development Approvals" herein for more information.

The value of the land within the District, the success of the Development, the development of Assessment Area Two and the likelihood of timely payment of principal and interest on the Series 2024 Bonds could be affected by environmental factors with respect to the land in the District. Should the land be contaminated by hazardous materials, this could materially and adversely affect the value of the land in the District, which could materially and adversely affect the success of the development of the lands within the District and the likelihood of the timely payment of the Series 2024 Bonds. The District has not performed, nor has the District requested that there be performed on its behalf, any independent assessment of the environmental conditions within the District. See "THE DEVELOPMENT – Environmental" for information on environmental site assessments obtained or received. Such information is being provided solely for informational purposes, and nothing herein or in such assessments grants any legal rights or remedies in favor of the Series 2024 Bondholders in the event any recognized environmental conditions are later found to be present on District Lands. Nevertheless, it is possible that hazardous environmental conditions could exist within the District or in the vicinity of the District and that such conditions could have a material and adverse impact upon the value of the benefited lands within the District. No assurance can be given that unknown hazardous materials, protected animals or vegetative species, etc., do not currently exist or may not develop in the future, whether originating within the District or from surrounding property, and what effect such may have on the development or sale of the lands in Assessment Area Two.

The value of the lands subject to the Series 2024 Special Assessments could also be adversely impacted by flooding or wind damage caused by hurricanes, tropical storms, or other catastrophic events. In addition to potential damage or destruction to any existing development or construction in or near the District, such catastrophic events could potentially render the District Lands unable to support future

development. The occurrence of any such events could materially adversely impact the District's ability to pay principal and interest on the Series 2024 Bonds. The Series 2024 Bonds are not insured, and the District's casualty insurance policies do not insure against losses incurred on private lands within its boundaries.

Economic Conditions and Changes in Development Plans

The successful development of Assessment Area Two and the sale of residential units therein, once such homes are built, may be affected by unforeseen changes in general economic conditions, fluctuations in the real estate market and other factors beyond the control of the Developer. Moreover, the Developer has the right to modify or change plans for development of the Development from time to time, including, without limitation, land use changes, changes in the overall land and phasing plans, and changes to the type, mix, size and number of units to be developed, and may seek in the future, in accordance with and subject to the provisions of the Act, to contract or expand the boundaries of the District.

Other Taxes and Assessments

The willingness and/or ability of an owner of benefited land to pay the Series 2024 Special Assessments could be affected by the existence of other taxes and assessments imposed upon such property by the District, the City, the County or any other local special purpose or general purpose governmental entities. City, County, school, special district taxes and special assessments, and voter-approved ad valorem taxes levied to pay principal of and interest on debt, including the Series 2024 Special Assessments, collected pursuant to the Uniform Method are payable at one time. Public entities whose boundaries overlap those of the District could, without the consent of the owners of the land within the District, impose additional taxes on the property within the District. The District anticipates imposing operation and maintenance assessments encumbering the same property encumbered by the Series 2024 Special Assessments. In addition, lands within the District may also be subject to assessments by property owners' and homeowners' associations. See "THE DEVELOPMENT – Taxes, Fees and Assessments" herein for additional information.

Under Florida law, a landowner may contest the assessed valuation determined for its property that forms the basis of ad-valorem taxes such landowner must pay. During this contest period, the sale of a tax certificate under the Uniform Method will be suspended. If the Series 2024 Special Assessments are being collected along with ad valorem taxes pursuant to the Uniform Method, tax certificates will not be sold with respect to such Series 2024 Special Assessment, even though the landowner is not contesting the amount of the Series 2024 Special Assessment. However, Section 194.014, Florida Statutes, requires taxpayers challenging the assessed value of their property to pay all non-ad valorem assessments and at least 75% of their ad valorem taxes before they become delinquent. Likewise, taxpayers who challenge the denial of an exemption or classification or a determination that their improvements were substantially complete must pay all non-ad valorem assessments and the amount of ad valorem taxes that they admit in good faith to be owing. If a taxpayer fails to pay property taxes as set forth above, the Value Adjustment Board considering the taxpayer's challenge is required to deny such petition by written decision by April 20 of such year.

Limited Secondary Market for Series 2024 Bonds

The Series 2024 Bonds may not constitute a liquid investment, and there is no assurance that a liquid secondary market will exist for the Series 2024 Bonds in the event an Owner thereof determines to solicit purchasers for the Series 2024 Bonds. Even if a liquid secondary market exists, there can be no assurance as to the price for which the Series 2024 Bonds may be sold. Such price may be lower than that paid by the current Owners of the Series 2024 Bonds, depending on the progress of development of the lands within Assessment Area Two, existing real estate and financial market conditions and other factors.

Inadequacy of Series 2024 Reserve Account

Some of the risk factors discussed herein, which, if materialized, would result in a delay in the collection of the Series 2024 Special Assessments, may not adversely affect the timely payment of debt service on the Series 2024 Bonds because of the moneys on deposit in the Series 2024 Reserve Account. The ability of the Series 2024 Reserve Account to fund deficiencies caused by delinquencies in the payment of the Series 2024 Special Assessments is dependent on the amount, duration and frequency of such deficiencies. Moneys on deposit in the Series 2024 Reserve Account may be invested in certain obligations permitted under the Indenture. Fluctuations in interest rates and other market factors could affect the amount of moneys in such Series 2024 Reserve Account to make up deficiencies. If the District has difficulty in collecting the Series 2024 Special Assessments, the moneys on deposit in the Series 2024 Reserve Account would be rapidly depleted and the ability of the District to pay debt service on the Series 2024 Bonds could be materially adversely affected. In addition, during an Event of Default under the Indenture, the Trustee may withdraw moneys from the Series 2024 Reserve Account and such other Funds, Accounts and subaccounts created under the Master Indenture to pay its extraordinary fees and expenses incurred in connection with such Event of Default. If in fact the Series 2024 Reserve Account is accessed for any purpose, the District does not have a designated revenue source for replenishing such account. Moreover, the District may not be permitted to re-assess real property then burdened by the Series 2024 Special Assessments in order to provide for the replenishment of the Series 2024 Reserve Account. See "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2024 BONDS – Reserve Account" herein for more information about the Series 2024 Reserve Account.

Legal Delays

If the District should commence a foreclosure action against a landowner for nonpayment of Series 2024 Special Assessments that are not being collected pursuant to the Uniform Method, such landowner and/or its mortgagee(s) may raise affirmative defenses to such foreclosure action. Although the District expects that such affirmative defenses would likely be proven to be without merit, they could result in delays in completing the foreclosure action. In addition, the District is required under the Indenture to fund the costs of such foreclosure. It is possible that the District will not have sufficient funds and will be compelled to request the Holders of the Series 2024 Bonds to allow funds on deposit under the Indenture to be used to pay the costs of the foreclosure action. Under the Code (as defined herein), there are limitations on the amounts of proceeds from the Series 2024 Bonds that can be used for such purpose.

IRS Examination and Audit Risk

The Internal Revenue Service (the "IRS") routinely examines bonds issued by state and local governments, including bonds issued by community development districts. In 2016, the IRS concluded its lengthy examination of certain issues of bonds (for purposes of this subsection, the "Audited Bonds") issued by Village Center Community Development District (the "Village Center CDD"). During the course of the audit of the Audited Bonds, Village Center CDD received a ruling dated May 30, 2013, in the form of a non-precedential technical advice memorandum ("TAM") concluding that Village Center CDD is not a political subdivision for purposes of Section 103(a) of the Code because Village Center CDD was organized and operated to perpetuate private control and avoid indefinitely responsibility to an electorate, either directly or through another elected state or local government body. Such a conclusion could lead to the further conclusion that the interest on the Audited Bonds was not excludable from gross income of the owners of such bonds for federal income tax purposes. Village Center CDD received a second TAM dated June 17, 2015, which granted relief to Village Center CDD from retroactive application of the IRS's conclusion regarding its failure to qualify as a political subdivision. Prior to the conclusion of the audits, the Audited Bonds were all refunded with taxable bonds. The audit of the Audited Bonds that were issued for utility improvements were closed without change to the tax exempt status of those Audited Bonds on

April 25, 2016, and the audit of the remainder of the Audited Bonds (which funded recreational amenity acquisitions from entities related to the principal landowner in the Village Center CDD) was closed on July 14, 2016, without the IRS making a final determination that the interest on the Audited Bonds in question was required to be included in gross income. However, the IRS letter to the Village Center CDD with respect to this second set of Audited Bonds noted that the IRS found that the Village Center CDD was not a "proper issuer of tax-exempt bonds" and that those Audited Bonds were private-activity bonds that did not fall in any of the categories that qualify for tax-exemption. Although the TAMs and the letters to the Village Center CDD from the IRS referred to above are addressed to, and binding only on, the IRS and Village Center CDD in connection with the Audited Bonds, they reflect the audit position of the IRS, and there can be no assurance that the IRS would not commence additional audits of bonds issued by other community development districts raising issues similar to the issues raised in the case of the Audited Bonds based on the analysis set forth in the first TAM or on the related concerns addressed in the July 14, 2016 letter to the Village Center CDD.

On February 23, 2016, the IRS published proposed regulations designed to provide prospective guidance with respect to potential private business control of issuers by providing a new definition of political subdivision for purposes of determining whether an entity is an appropriate issuer of bonds the interest on which is excluded from gross income for federal tax purposes. The proposed regulations required that a political subdivision (i) have the power to exercise at least one sovereign power, (ii) be formed and operated for a governmental purpose, and (iii) have a governing body controlled by or have significant uses of its funds or assets otherwise controlled by a government unit with all three sovereign powers or by an electorate that is not controlled by an unreasonably small number of unrelated electors. On October 4, 2017, the Treasury Department ("Treasury") announced that it would withdraw the proposed regulations, stating that, "while Treasury and the IRS continue to study the legal issues relating to political subdivisions, Treasury and the IRS currently believe that these proposed regulations should be withdrawn in their entirety, and plan to publish a withdrawal of the proposed regulations shortly in the Federal Register. Treasury and the IRS may propose more targeted guidance in the future after further study of the relevant legal issues." Notice of withdrawal of the proposed regulations was published in the Federal Register on October 20, 2017.

It has been reported that the IRS has closed audits of other community development districts in the State with no change to such districts' bonds' tax-exempt status, but has advised such districts that such districts must have public electors within the timeframe established by the applicable state law or their bonds may be determined to be taxable retroactive to the date of issuance. Pursuant to the Act, general elections are not held until the later of six years from the date of establishment of the community development district or the time at which there are at least 250 qualified electors in the district. The District, unlike Village Center CDD, was formed with the intent that it will contain a sufficient number of residents to allow for a transition to control by a general electorate. Currently, all of the members of the Board of the District were elected by the landowners and none were elected by qualified electors. The Developer will certify as to its expectations as to the timing of the transition of control of the Board of the District to qualified electors pursuant to the Act. Such certification by the Developer does not ensure that such certification shall be determinative of, or may influence the outcome of any audit by the IRS, or any appeal from such audit, that may result in an adverse ruling that the District is not a political subdivision for purposes of Section 103(a) of the Code. Further, there can be no assurance that an audit by the IRS of the Series 2024 Bonds will not be commenced. The District has no reason to believe that any such audit will be commenced, or that any such audit, if commenced, would result in a conclusion of noncompliance with any applicable State or federal law.

Owners of the Series 2024 Bonds are advised that, if the IRS does audit the Series 2024 Bonds, under its current procedures, at least during the early stages of an audit, the IRS will treat the District as the taxpayer, and the Owners of the Series 2024 Bonds may have limited rights to participate in those

proceedings. The commencement of such an audit could adversely affect the market value and liquidity of the Series 2024 Bonds until the audit is concluded, regardless of the ultimate outcome. In addition, in the event of an adverse determination by the IRS with respect to the tax-exempt status of interest on the Series 2024 Bonds, it is unlikely the District will have available revenues to enable it to contest such determination or enter into a voluntary financial settlement with the IRS. Further, an adverse determination by the IRS with respect to the tax-exempt status of interest on the Series 2024 Bonds would adversely affect the availability of any secondary market for the Series 2024 Bonds. Should interest on the Series 2024 Bonds become includable in gross income for federal income tax purposes, not only will Owners of Series 2024 Bonds be required to pay income taxes on the interest received on such Series 2024 Bonds and related penalties, but because the interest rate on such Series 2024 Bonds will not be adequate to compensate Owners of the Series 2024 Bonds for the income taxes due on such interest, the value of the Series 2024 Bonds may decline.

THE INDENTURE DOES NOT PROVIDE FOR ANY ADJUSTMENT IN THE INTEREST RATES ON THE SERIES 2024 BONDS IN THE EVENT OF AN ADVERSE DETERMINATION BY THE IRS WITH RESPECT TO THE TAX-EXEMPT STATUS OF INTEREST ON THE SERIES 2024 BONDS. PROSPECTIVE PURCHASERS OF THE SERIES 2024 BONDS SHOULD EVALUATE WHETHER THEY CAN OWN THE SERIES 2024 BONDS IN THE EVENT THAT THE INTEREST ON THE SERIES 2024 BONDS BECOMES TAXABLE AND/OR THE DISTRICT IS EVER DETERMINED TO NOT BE A POLITICAL SUBDIVISION FOR PURPOSES OF THE CODE AND/OR SECURITIES ACT (AS HEREINAFTER DEFINED).

Loss of Exemption from Securities Registration

The Series 2024 Bonds have not been and will not be registered under the Securities Act of 1933, as amended (the "Securities Act"), or any state securities laws, because of the exemption for securities issued by political subdivisions. It is possible that federal or state regulatory authorities could in the future determine that the District is not a political subdivision for purposes of federal and state securities laws, including without limitation as the result of a determination by the IRS, judicial or otherwise, of the District's status for purposes of the Code. In such event, the District and purchasers of Series 2024 Bonds may not be able to rely on the exemption from registration under the Securities Act relating to securities issued by political subdivisions. In that event, the Owners of the Series 2024 Bonds would need to ensure that subsequent transfers of the Series 2024 Bonds are made pursuant to a transaction that is not subject to the registration requirements of the Securities Act and applicable state securities laws.

Federal Tax Reform

Various legislative proposals are mentioned from time to time by members of Congress of the United States of America and others concerning reform of the internal revenue (tax) laws of the United States. In addition, the IRS may, in the future, issue rulings that have the effect of challenging the interpretation of existing tax laws. Certain of these proposals and interpretations, if implemented or upheld, could have the effect of diminishing the value of obligations of states and their political subdivisions, such as the Series 2024 Bonds, by eliminating or changing the tax-exempt status of interest on such bonds. Whether any such proposals will ultimately become or be upheld as law, and if so, the effect such proposals could have upon the value of bonds such as the Series 2024 Bonds cannot be predicted. However, it is possible that any such law or interpretation could have a material and adverse effect upon the availability of a liquid secondary market and/or the value of the Series 2024 Bonds. Prospective purchasers of the Series 2024 Bonds should consult their tax advisors as to the impact of any proposed or pending legislation. See also "TAX MATTERS" herein.

State Tax Reform

It is impossible to predict what new proposals may be presented regarding tax reform and/or community development districts during upcoming legislative sessions, whether such new proposals or any previous proposals regarding the same will be adopted by the Florida Senate and House of Representatives and signed by the Governor, and, if adopted, the form thereof. On October 31, 2014, the Auditor General of the State released a 31-page report which requests legislative action to establish parameters on the amount of bonds a community development district may issue and provide additional oversight for community development district bonds. This report renewed requests made by the Auditor General in 2011 that led to the Governor of the State issuing an Executive Order on January 11, 2012 (the "Executive Order") directing the Office of Policy and Budget in the Executive Office of the Governor ("OPB") to examine the role of special districts in the State. As of the date hereof, the OPB has not made any recommendations pursuant to the Executive Order nor has the Florida legislature passed any related legislation. It is impossible to predict with certainty the impact that any existing or future legislation will or may have on the security for the Series 2024 Bonds. It should be noted that Section 190.016(14) of the Act provides in pertinent part that "[t]he state pledges to the holders of any bonds issued under this act that it will not limit or alter the rights of the district to ... levy and collect the ... assessments ... and to fulfill the terms of any agreement made with the holders of such bonds ... and that it will not in any way impair the rights or remedies of such holders."

Insufficient Resources or Other Factors Causing Failure to Complete Development

The cost to finish the 2024 Project will exceed the net proceeds from the Series 2024 Bonds. There can be no assurance, in the event the District does not have sufficient moneys on hand to complete the 2024 Project, that the District will be able to raise, through the issuance of additional bonds or otherwise, the moneys necessary to complete the 2024 Project. Further, the Indenture sets forth certain limitations on the issuance of additional bonds. See "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2024 BONDS – Additional Bonds" for more information.

Although the Developer will agree to fund or cause to be funded the completion of the 2024 Project regardless of the insufficiency of proceeds from the Series 2024 Bonds and will enter into a completion agreement with the District as evidence thereof, there can be no assurance that the Developer will have sufficient resources to do so. Such obligation of the Developer is an unsecured obligation[, and the Developer is a special-purpose entity whose assets consist primarily of its interest in Assessment Area Two]. See "THE DEVELOPER" herein for more information.

There are no assurances that the 2024 Project and any other remaining development work associated with Assessment Area Two will be completed. Further, there is a possibility that, even if Assessment Area Two is developed, the Builder may not close on all or any of the lots therein, and such failure to close could negatively impact the construction and sale of homes in Assessment Area Two. The Builder Contract may also be terminated by the Builder upon the occurrence or failure to occur of certain conditions set forth therein. See "THE DEVELOPMENT – The Builder and the Builder Contract" herein for more information about the Builder and the Builder Contract.

Pandemics and Other Public Health Emergencies

The COVID-19 pandemic severely impacted global financial markets, unemployment levels and commerce generally. It is possible that, in the future, the spread of epidemic or pandemic diseases and/or government health and public safety restrictions imposed in response thereto could adversely impact the District, the Developer, the timely and successful completion of the Development, the purchase of lots therein by the Builder and the construction and sale to purchasers of residential units therein. Such impacts

could include delays in obtaining development approvals, construction delays, supply chain delays, or increased costs. See also "Economic Conditions and Changes in Development Plans" and "Insufficient Resources or Other Factors Causing Failure to Complete Development" herein.

Cybersecurity

The District relies on a technological environment to conduct its operations. The District, its agents and other third parties the District does business with or otherwise relies upon are subject to cyber threats including, but not limited to, hacking, viruses, malware and other attacks on computer and other sensitive digital networks and systems. Entities or individuals may attempt to gain unauthorized access to such parties' digital systems for the purposes of misappropriating assets or information or causing operational disruption and damage. No assurances can be given that any such attack(s) will not materially impact the operations or finances of the District, which could impact the timely payment of debt service on the Series 2024 Bonds.

Prepayment and Redemption Risk

In addition to being subject to optional and mandatory sinking fund redemptions, the Series 2024 Bonds are subject to extraordinary mandatory redemption, including, without limitation, as a result of prepayments of the Series 2024 Special Assessments by the Developer or subsequent owners of the property within Assessment Area Two. Any such redemptions of the Series 2024 Bonds would be at the principal amount of such Series 2024 Bonds being redeemed plus accrued interest to the date of redemption. In such event, owners of the Series 2024 Bonds may not realize their anticipated rate of return on the Series 2024 Bonds and owners of any Premium Bonds (as defined herein) may receive less than the price they paid for the Series 2024 Bonds. See "DESCRIPTION OF THE SERIES 2024 BONDS – Redemption Provisions," "– Purchase of Series 2024 Bonds" and "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2024 BONDS – Prepayment of Series 2024 Special Assessments" herein for more information.

Payment of Series 2024 Special Assessments after Bank Foreclosure

In the event a bank forecloses on property because of a default on a mortgage in favor of such bank on any of the assessable lands within Assessment Area Two of the District, and then the bank itself fails, the Federal Deposit Insurance Corporation (the "FDIC"), as receiver, will then become the fee owner of such property. In such event, the FDIC will not, pursuant to its own rules and regulations, likely be liable to pay the Series 2024 Special Assessments levied on such property. In addition, the District would require the consent of the FDIC prior to commencing a foreclosure action.

THE DISTRICT

General Information

The District was established by Ordinance No. O-22-15, adopted by the City Commission of the City of Winter Haven, Florida, effective on February 28, 2022, as amended by Ordinance No. O-22-36, adopted by the City, effective on June 13, 2022, under the provisions of the Act. The District is located in the City and includes approximately 168.55 gross acres of land (the "District Lands"). The District Lands are being developed as part of a planned residential community known as "Peace Creek Reserve." See "THE DEVELOPMENT" herein for more information.

Legal Powers and Authority

The District is an independent unit of local government created pursuant to, and established in accordance with, the Act. The Act was enacted in 1980 to provide a uniform method for the establishment of independent districts to manage and finance basic community development services, including capital infrastructure required for community developments throughout the State of Florida. The Act provides legal authority for community development districts (such as the District) to finance the acquisition, construction, operation and maintenance of the major infrastructure for community development pursuant to its general law charter.

Among other provisions, the Act gives the District's Board of Supervisors the authority to, among other things, (a) finance, fund, plan, establish, acquire, construct or reconstruct, enlarge or extend, equip, operate and maintain systems, facilities, and basic infrastructure for, among other things: (i) water management and control for lands within the District and to connect any of such facilities with roads and bridges; (ii) water supply, sewer and waste-water management, reclamation and reuse systems or any combination thereof and to construct and operate connecting intercept or outlet sewers and sewer mains and pipes and water mains, conduits, or pipelines in, along, and under any street, alley, highway, or other public place or ways, and to dispose of any effluent, residue, or other byproducts of such system or sewer system; (iii) District roads equal to or exceeding the specifications of the county in which such District roads are located and street lights, landscaping, hardscaping and undergrounding of electric utility lines; (iv) conservation areas, mitigation areas, and wildlife habitat; (v) any other project, facility, or service required by a development approval, interlocal agreement, zoning condition, or permit issued by a governmental authority with jurisdiction in the District, and (vi) with the consent of the local general-purpose government within the jurisdiction of which the power is to be exercised, parks and facilities for indoor and outdoor recreational uses, and security; (b) borrow money and issue bonds of the District; (c) impose and foreclose special assessments liens as provided in the Act; and (d) exercise all other powers, necessary, convenient, incidental or proper in connection with any of the powers or duties of the District stated in the Act.

The Act does not empower the District to adopt and enforce any land use plans or zoning ordinances and the Act does not empower the District to grant building permits. These functions are to be performed by general purpose local governments having jurisdiction over the lands within the District.

The Act exempts all property owned by the District from levy and sale by virtue of an execution and from judgment liens, but does not limit the right of any bondholders to pursue any remedy for enforcement of any lien or pledge of the District in connection with its bonds, including the Series 2024 Bonds.

Board of Supervisors

The Act provides that a five-member Board of Supervisors (the "Board") serves as the governing body of the District. Members of the Board (the "Supervisors") must be residents of the State and citizens of the United States. Initially, the Supervisors were appointed in the Ordinance. Within 90 days after formation of the District, an election was held pursuant to which new Supervisors were elected on an at-large basis by the owners of the property within the District. Ownership of land within the District entitles the owner to one vote per acre (with fractions thereof rounded upward to the nearest whole number). A Supervisor serves until expiration of his or her term and until his or her successor is chosen and qualified. If, during a term of office, a vacancy occurs, the remaining Supervisors may fill the vacancy by an appointment of an interim Supervisor for the remainder of the unexpired term.

At the initial election held within 90 days after formation of the District, the landowners in the District elected two Supervisors to four-year terms and three Supervisors to two-year terms. Thereafter, the elections have taken place and will take place every two years, with the first such election being held on the first Tuesday in November, and subsequent elections being held on a date in November established by the Board. Upon the later of six years after the initial appointment of Supervisors and the year when the District next attains at least 250 qualified electors, Supervisors whose terms are expiring will begin to be elected (as their terms expire) by qualified electors of the District. A qualified elector is a registered voter who is at least eighteen years of age, a resident of the District and the State and a citizen of the United States. At the election where Supervisors are first elected by qualified electors, two Supervisors must be qualified electors and be elected by qualified electors, each elected to four-year terms. The seat of the remaining Supervisor whose term is expiring at such election shall be filled by a Supervisor who is elected by the landowners for a four-year term and who is not required to be a qualified elector. Thereafter, as terms expire, all Supervisors must be qualified electors and must be elected by qualified electors to serve staggered four-year terms.

Notwithstanding the foregoing, if at any time the Board proposes to exercise its ad valorem taxing power, prior to the exercise of such power, it shall call an election at which all Supervisors shall be elected by qualified electors in the District. Elections subsequent to such decision shall be held in a manner such that the Supervisors will serve four-year terms with staggered expiration dates in the manner set forth in the Act.

The Act provides that it shall not be an impermissible conflict of interest under Florida law governing public officials for a Supervisor to be a stockholder, officer or employee of a landowner or of any entity affiliated with a landowner.

The current members of the Board and the expiration of the term of each member are set forth below:

Name	Title	Term Expires
Adam Morgan*	Chairman	November 2026
Rob Bonin*	Vice Chairman	November 2026
Steve Greene*	Assistant Secretary	November 2028
Carrie Dazzo*	Assistant Secretary	November 2028
Kayla Word*	Assistant Secretary	November 2028

* Employee of, or affiliated with, a homebuilder within the District.

A majority of the members of the Board constitutes a quorum for the purposes of conducting its business and exercising its powers and for all other purposes. Action taken by the District shall be upon a

vote of a majority of the members present unless general law or a rule of the District requires a greater number. All meetings of the Board are open to the public under Florida's open meeting or "Sunshine" law.

The District Manager and Other Consultants

The chief administrative official of the District is the District Manager (as hereinafter defined). The Act provides that a district manager has charge and supervision of the works of the District and is responsible for preserving and maintaining any improvement or facility constructed or erected pursuant to the provisions of the Act, for maintaining and operating the equipment owned by the District, and for performing such other duties as may be prescribed by the Board.

The District has retained Governmental Management Services – Central Florida, LLC, Orlando, Florida, to serve as its district manager ("District Manager"). The District Manager's office is located at 219 E. Livingston Street, Orlando, Florida 32801.

The Act further authorizes the Board to hire such employees and agents as it deems necessary. Thus, the District has employed the services of Greenberg Traurig, P.A., West Palm Beach, Florida, as Bond Counsel; Hunter Engineering, Inc., Winter Haven, Florida, as District Engineer; and Kilinski | Van Wyk PLLC, Tallahassee, Florida, as District Counsel. The Board has also retained the District Manager to serve as Methodology Consultant and to prepare the Assessment Methodology and to serve as Dissemination Agent for the Series 2024 Bonds.

Outstanding Bond Indebtedness

The Series 2023 Bonds are secured by the special assessments assigned to the lands within Assessment Area One of the District, which lands are separate and distinct from the lands within Assessment Area Two that are subject to the Series 2024 Special Assessments securing the Series 2024 Bonds.

ASSESSMENT METHODOLOGY AND THE ALLOCATION OF ASSESSMENTS

The Amended and Restated Master Assessment Allocation Report for Peace Creek Community Development District, dated April 26, 2022 (the "Master Methodology"), and as supplemented by the [Preliminary Supplemental Assessment Allocation Report], dated [December 10], 2024 (the "Supplemental Methodology" and together with the Master Methodology, the "Assessment Methodology"), which allocates the Series 2024 Special Assessments to assessable lands in the District has been prepared by Governmental Management Services – Central Florida, LLC, Orlando, Florida (the "Methodology Consultant"). See "EXPERTS" herein for more information. The Assessment Methodology is included herein as APPENDIX D. Once the final terms of the Series 2024 Bonds are determined, the Supplemental Methodology will be revised to reflect such final terms. Once levied and imposed, the Series 2024 Special Assessments will be first liens on assessable lands within Assessment Area Two within the District against which they are assessed until paid or barred by operation of law, co-equal with one another and with other State taxes and assessments levied by the District and other units of government. See "ENFORCEMENT OF ASSESSMENT COLLECTIONS" herein.

As set forth in the Assessment Methodology, the Series 2024 Special Assessments securing the Series 2024 Bonds will initially be levied on the approximately 14 acres within Assessment Area Two. As lots are platted, the Series 2024 Special Assessments will be assigned to the 120 platted townhome lots planned within Assessment Area Two on a first platted, first assigned basis, as set forth in the Assessment Methodology. See "APPENDIX D: ASSESSMENT METHODOLOGY" herein.

The estimated Series 2024 Special Assessments levied to pay debt service on the Series 2024 Bonds, along with the estimated total Series 2024 Bonds par amount allocated per unit, are expected to be as follows:

<u>Product Type</u>	<u>No. of Units</u>	<u>Annual Series 2024 Special Assessments Per Unit*</u>	<u>Series 2024 Bonds Par Debt Per Unit*</u>
Townhome	120	\$1,450	\$20,500

* Preliminary, subject to change. [This amount will be grossed up to include early payment discounts and County collection fees.]

The District anticipates levying assessments to cover its operation and maintenance costs in an amount estimated at approximately \$800 per townhome unit annually, which amount is subject to change. The land within the District has been and is expected to continue to be subject to taxes and assessments imposed by taxing authorities other than the District. The total millage rate imposed on taxable properties in the District for 2024 was approximately 18.7117 mills, which rate is subject to change in future tax years. These taxes would be payable in addition to the Series 2024 Special Assessments and any other assessments levied by the District. In addition, exclusive of voter approved millages levied for general obligation bonds, as to which no limit applies, the City, the County and the School Board of Polk County, Florida may each levy ad valorem taxes upon the land in the District. The District has no control over the level of ad valorem taxes and/or special assessments levied by other taxing authorities. It is possible that in future years taxes levied by these other entities could be substantially higher than in the current year. See "BONDOWNERS' RISKS" and "THE DEVELOPMENT – Taxes, Fees and Assessments" for more information.

The information appearing below under the captions "THE DEVELOPMENT" and "THE DEVELOPER" has been furnished by the Developer for inclusion in this Limited Offering Memorandum and, although believed to be reliable, such information has not been independently verified by Bond Counsel, the District or its counsel, or the Underwriter or its counsel, and no persons other than the Developer make any representation or warranty as to the accuracy or completeness of such information supplied by them. The following information is provided by the Developer as a means for the prospective bondholders to understand the anticipated development plan and risks associated with the Development. The Developer is not guaranteeing payment of the Series 2024 Bonds or the Series 2024 Special Assessments.

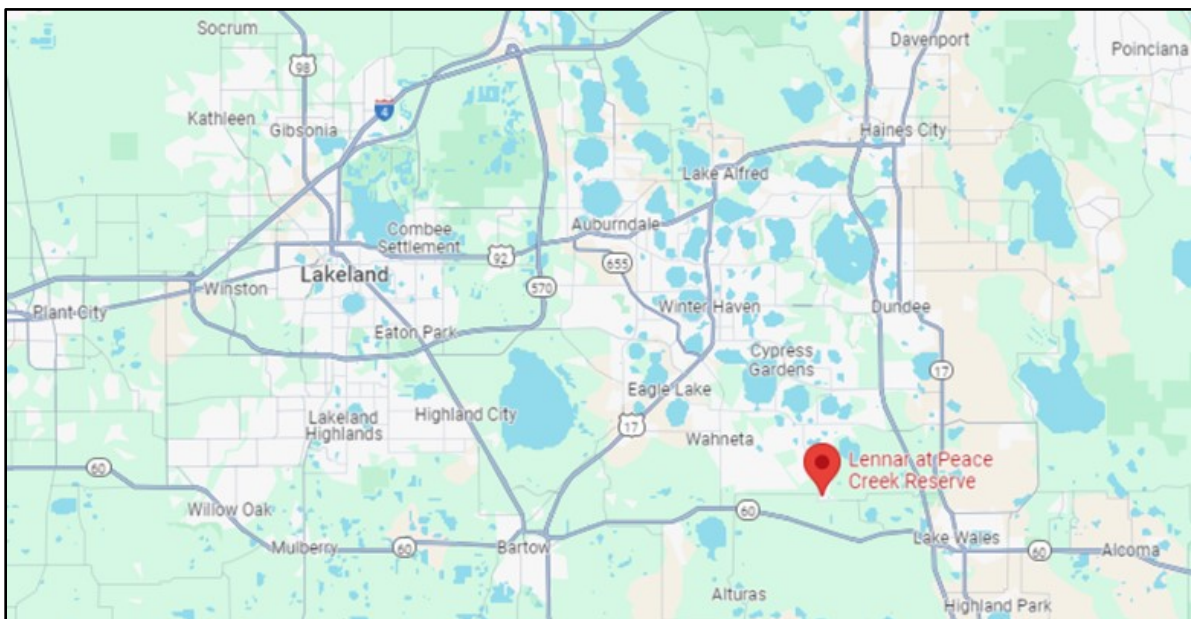

THE DEVELOPMENT

General

The District Lands contain approximately 168.55+/- gross acres located in the City of Winter Haven within Polk County, Florida, and are being developed as a 673-unit residential community to be known as "Peace Creek Reserve" (the "Development"). The Development is generally located in southeast Winter Haven, on the east side of County Road 653, approximately 2.65 miles south of Eloise Loop Road.

The Development is close to two major transportation arteries in the region, Cypress Gardens Boulevard and Lake Ruby Drive. The surrounding area is a densely populated infill area with a range of housing options, from entry-level to higher-end homes in the area of southern Winter Haven's interconnected chain of lakes. The immediate area has numerous retail establishments and businesses, most notably the regional headquarters of State Farm. Major employers in the area include State Farm and LEGOLAND.

The Development is centrally located between Tampa and Orlando, between U.S. Highway 17 and U.S. Highway 27, with access to Interstate-4. Residents of the Development will have access to Central Florida attractions such as Walt Disney World Resort and LEGOLAND Florida. Due to its close proximity to Tampa and Orlando, the Development serves as a "bedroom community" to those markets, offering price points substantially below that of similarly sized homes in those markets. Set forth below is a map which depicts the location of the Development.

Two Assessment Areas have been created within the District to facilitate the District's development and financing plans. "Assessment Area One" contains 553 platted lots, which are planned to contain single-family detached homes at buildout. The portion of the Capital Improvement Plan associated with Assessment Area One is referred to herein as the "2023 Project." Lennar Homes, LLC ("Lennar Homes"), is serving as the developer and homebuilder for Assessment Area One. The District previously issued its Series 2023 Bonds to finance a portion of the 2023 Project. See " – Update on Assessment Area One" herein for more information.

"Assessment Area Two" contains approximately 14 acres of land, which are planned to contain 120 townhome units at buildout. The portion of the Capital Improvement Plan associated with Assessment Area One is referred to herein as the "2024 Project." See "THE CAPITAL IMPROVEMENT PLAN AND THE 2024 PROJECT" herein for more information. The Series 2024 Bonds are being issued to finance a portion of the 2024 Project.

The Series 2024 Bonds will be secured by the Series 2024 Special Assessments, which will initially be levied on approximately 14 acres of land within Assessment Area Two. As lots are platted, the Series 2024 Special Assessments will be assigned to the 120 townhome lots planned for Assessment Area Two on a first platted, first assigned basis as set forth in the Assessment Methodology attached hereto. See "ASSESSMENT METHODOLOGY AND THE ALLOCATION OF ASSESSMENTS" herein for more information.

653TH LLC, a Florida limited liability company (the "Developer"), is the sole landowner and developer within Assessment Area Two. The Developer has entered into a contract with D.R. Horton, Inc., a Delaware corporation ("Horton" or the "Builder") for the sale of all 120 townhome lots planned for Assessment Area Two to be delivered in two takedowns upon development completion (the "Builder Contract"). See "THE DEVELOPER" herein and " – The Builder Contract and the Builder" below for more information.

The target customers for units within Assessment Area Two are primarily first-time homebuyers and move-up homebuyers. The size of the townhomes within Assessment Area Two will be approximately 1,464 square feet, with starting price points ranging from approximately \$274,000 to \$278,000. See " – Residential Product Offerings" herein for more information.

Update on Assessment Area One

The District previously issued its Series 2023 Bonds to finance a portion of the 2023 Project. The 2023 Project is complete, and all 553 single-family lots planned for Assessment Area One have been developed and platted. As of September 30, 2024, approximately 316 homes had closed with end users and an additional 40 homes within Assessment Area One were under contract pending closing. Lennar Homes is the sole homebuilder for Assessment Area One.

Land Acquisition and Finance Plan

The Developer acquired the land within Assessment Area Two in July 2021 for a purchase price of approximately \$800,000. There are currently no mortgages on the lands within Assessment Area Two.

The Developer estimates the total land development costs associated with Assessment Area Two to be approximately \$[3.5 million], including the 2024 Project and other hard and soft costs. As of October 2024, approximately \$190,000 has been spent toward soft costs associated with Assessment Area Two, a portion of which includes the 2024 Project. Net proceeds of the Series 2024 Bonds will be deposited into the Series 2024 Acquisition and Construction Account and will be available in the amount of approximately

\$1.9 million* for the funding and/or acquisition from the Developer of a portion of the 2024 Project. The Developer will enter into a completion agreement that will obligate the Developer to complete the 2024 Project. See "BONDOWNERS' RISKS - Insufficient Resources or Other Factors Causing Failure to Complete Development" herein.

Development Plan and Status

Land development associated with Assessment Area Two is planned to commence in December 2024 and is expected to be completed by December 2025, at which point lots deliveries to the Builder will commence in accordance with the Builder Contract. Sales and vertical construction are expected to commence shortly thereafter. A plat for the 120 lots planned within Assessment Area Two is expected to be recorded by September 2025.

Home closings are anticipated to commence by [February 2027]. It is anticipated that approximately 60 to 70 residential units will close with homebuyers per annum until buildout. This anticipated absorption is based upon estimates and assumptions made by the Developer that are inherently uncertain, though considered reasonable by the Developer, and are subject to significant business, economic, and competitive uncertainties and contingencies, all of which are difficult to predict and many of which are beyond the control of the Developer. As a result, there can be no assurance such absorption rate will occur or be realized in the time frame anticipated.

The Builder and Builder Contract

The Developer has entered into a Lot Purchase Agreement dated October 16, 2024 (the "Builder Contract") with D.R. Horton, Inc., a Delaware corporation ("D.R. Horton" or the "Builder"), for the sale of all 120 developed townhome lots planned for Assessment Area Two, in a series of two takedowns. The Builder Contract provides for a purchase price of \$60,000 per lot for the first 60 lots purchased and \$64,200 per lot for the remaining 60 lots purchased, for an aggregate base purchase price of approximately \$7,452,000.

The Builder Contract provides for the initial closing of 60 townhome lots to occur ten (10) days after the later of (i) the substantial completion date or (ii) the date that the Builder delivers a notice of suitability, as set forth in the Builder Contract. The Builder Contract provides for a second closing on the remaining 60 townhome lots nine months thereafter. The Developer expects that the initial closing will occur in the [fourth quarter of 2025 / first quarter of 2026].

The Builder has made [an initial deposit of \$25,000] [and will make an additional deposit of \$695,000 following the expiration of its inspection period, which is expected to occur on _____, 2024]. [Provided the Builder does not terminate the Builder Contract prior to the expiration of the inspection period,] the deposit [may be] released to the Developer upon the satisfaction of certain conditions, including the recording of a mortgage in favor of the Builder on the lands within Assessment Area Two. The deposit will be applied pro-rata against lot takedown prices. The Builder's obligations under the Builder Contract are subject to the Developer satisfying certain development obligations. See "BONDOWNERS' RISKS – Insufficient Resources or Other Factors Causing Failure to Complete Development" herein.

<u>Product Type</u>	<u>Square Footage</u>	<u>Beds/Baths</u>	<u>Price Points</u>
Townhomes	1,464	3 Bedrooms, 2.5 Baths	\$274,000 to \$278,000

Development Approvals

[The land within the District, including, without limitation, the land within Assessment Area Two, is zoned to allow for the contemplated residential uses described herein. All permits have been received by jurisdictional agencies to allow for the development contemplated herein or are reasonably expected to be received in the ordinary course.]

See "BONDOWNERS' RISK – Regulatory and Environmental Risks" herein for more information regarding permitting and other regulatory risks.

Environmental

A Phase I Environmental Site Assessment dated June 2021 (the "ESA") has been prepared covering the land within Assessment Area Two. The ESA revealed no recognized environmental conditions in connection with Assessment Area Two. See "BONDOWNERS' RISK – Regulatory and Environmental Risks" herein for more information regarding potential environmental risks.

Amenities

The Development contains an approximately 2.0-acre community site with an approximately 1,315-square foot clubhouse, swimming pool, tot lot, various recreation fields and dog park (collectively, the "Amenity"), which will be available to all residents of the District. Construction of the Amenity is complete at a total approximate cost of \$1.5 million.

Utilities

Potable water, wastewater treatment and reclaimed wastewater (reuse services) for the Development are expected to be provided by the City. Electric power is expected to be provided by Duke Energy. Cable and internet services will be provided by Hotwire. All utility services are available to the Development.

Taxes, Fees and Assessments

As set forth in the Assessment Methodology, the Series 2024 Special Assessments securing the Series 2024 Bonds will initially be levied on the approximately 14 acres within Assessment Area Two. As lots are platted, the Series 2024 Special Assessments will be assigned to the 120 platted townhome lots planned within Assessment Area Two on a first platted, first assigned basis, as set forth in the Assessment Methodology. See "APPENDIX D: ASSESSMENT METHODOLOGY" herein.

The estimated Series 2024 Special Assessments levied to pay debt service on the Series 2024 Bonds, along with the estimated total Series 2024 Bonds par amount allocated per unit, are expected to be as follows:

Product Type	No. of Units	Annual Series 2024 Special Assessments Per Unit*	Series 2024 Bonds Par Debt Per Unit*
Townhome	120	\$1,450	\$20,500

* Preliminary, subject to change. [This amount will be grossed up to include early payment discounts and County collection fees.]

The District anticipates levying assessments to cover its operation and maintenance costs in an amount estimated at approximately \$800 per townhome unit annually, which amount is subject to change. In addition, residents will be required to pay homeowners' association fees, which are currently expected to be approximately \$___ per month per residential unit, which amount is subject to change. The land within the District has been and is expected to continue to be subject to taxes and assessments imposed by taxing authorities other than the District. The total millage rate imposed on taxable properties in the District for 2024 was approximately 18.7117 mills, which rate is subject to change in future tax years. These taxes would be payable in addition to the Series 2024 Special Assessments and any other assessments levied by the District. In addition, exclusive of voter approved millages levied for general obligation bonds, as to which no limit applies, the City, the County and the School Board of Polk County, Florida may each levy ad valorem taxes upon the land in the District. The District has no control over the level of ad valorem taxes and/or special assessments levied by other taxing authorities. It is possible that in future years taxes levied by these other entities could be substantially higher than in the current year.

Education

The public schools for children residing in the Development are expected to be Chain of Lakes Elementary School, Bartow Middle School and Bartow Senior High School, which are located approximately 1.5 miles, 11 miles, and 11 miles from the Development, respectively, and which were rated A, C and C, respectively, by the Florida Department of Education in 2024. The School Board of Polk County may change school boundaries from time to time and there is no requirement that students residing in the Development be permitted to attend the schools which are closest to the Development.

Competition

The Development is located in southeastern Winter Haven and is expected to compete with projects in the Winter Haven area, including [Villamar, Eagle Landing, Seasons at Vista Del Lago, Ranches at Lake Meleod, Squires Grove, Leomas Landing.]

The information under this heading does not purport to list all of the existing or planned communities in the area of the Development, but rather provide a list of those that the Developer feels pose primary competition to the Development.

Developer Agreements

The Developer will enter into a completion agreement that will obligate the Developer to complete any portions of the 2024 Project not funded with proceeds of the Series 2024 Bonds.

In addition, the Developer will execute and deliver to the District a Collateral Assignment and Assumption of Development Rights (the "Collateral Assignment"), pursuant to which Developer will collaterally assign to the District, to the extent assignable and to the extent that they are solely owned or controlled by the Developer, development rights relating the 2024 Project. Notwithstanding such Collateral Assignment, in the event the District forecloses on the lands subject to the Series 2024 Special Assessments as a result of the Developer's or subsequent landowners' failure to pay such assessments, there is a risk that the District will not have all permits and entitlements necessary to complete the 2024 Project or the development of Assessment Area Two.

The Developer will also enter into a True-Up Agreement in connection with its obligations to pay true-up payments in the event that debt levels remaining on unplatted lands in Assessment Area Two increase above the maximum debt levels set forth in the Assessment Methodology. See "APPENDIX D: ASSESSMENT METHODOLOGY" herein for additional information regarding the "true-up mechanism."

Each of the obligations of the Developer set forth above is an unsecured obligation [and the Developer is a special-purpose entity whose assets consist primarily of its interests in Assessment Area Two]. See "BONDOWNERS' RISKS – Insufficient Resources or Other Factors Causing Failure to Complete Development" and "THE DEVELOPER" herein for more information regarding the Developer.

None of the entities listed herein, other than the Developer, has entered into any agreements in connection with the issuance of the Series 2024 Bonds.

TAX MATTERS

General

The Internal Revenue Code of 1986, as amended (the "Code"), includes requirements that the District must continue to meet after the issuance of the Series 2024 Bonds in order that the interest on the Series 2024 Bonds be and remain excludable from gross income for federal income tax purposes. The District's failure to meet these requirements may cause the interest on the Series 2024 Bonds to be included in gross income for federal income tax purposes retroactively to the date of issuance of the Series 2024 Bonds. The District has covenanted in the Indenture to take the actions required by the Code in order to maintain the exclusion from gross income for federal income tax purposes of interest on the Series 2024 Bonds.

In the opinion of Greenberg Traurig, P.A., Bond Counsel, assuming the accuracy of certain representations and certifications and continuing compliance by the District with the tax covenants referred to above, under existing statutes, regulations, rulings, and court decisions, the interest on the Series 2024 Bonds is excludable from gross income of the holders thereof for federal income tax purposes; and, further, interest on the Series 2024 Bonds is not an item of tax preference for purposes of the federal alternative minimum tax imposed on individuals. In the case of the alternative minimum tax imposed by Section 55(b)(2) of the Code on applicable corporations (as defined in Section 59(k) of the Code), interest on the Series 2024 Bonds is not excluded from the determination of adjusted financial statement income. Bond Counsel is further of the opinion that the Series 2024 Bonds and the interest thereon are not subject to taxation under the laws of the State, except as to estate taxes and taxes under Chapter 220, Florida Statutes, on interest, income, or profits on debt obligations owned by corporations as defined in said Chapter 220. Bond Counsel will express no opinion as to any other tax consequences regarding the Series 2024 Bonds. Prospective purchasers of the Series 2024 Bonds should consult their own tax advisors as to the status of interest on the Series 2024 Bonds under the tax laws of any state other than the State.

The above opinion on federal tax matters with respect to the Series 2024 Bonds will be based on and will assume the accuracy of certain representations and certifications of the District and the Developer, and compliance with certain covenants of the District to be contained in the transcript of proceedings and that are intended to evidence and assure the foregoing, including that the Series 2024 Bonds will be and will remain obligations the interest on which is excludable from gross income for federal income tax purposes. Bond Counsel will not independently verify the accuracy of those certifications and representations. Bond Counsel will express no opinion as to any other consequences regarding the Series 2024 Bonds.

Except as described above, Bond Counsel will express no opinion regarding the federal income tax consequences resulting from the receipt or accrual of the interest on the Series 2024 Bonds, or the ownership or disposition of the Series 2024 Bonds. Prospective purchasers of Series 2024 Bonds should be aware that the ownership of Series 2024 Bonds may result in other collateral federal tax consequences, including (i) the denial of a deduction for interest on indebtedness incurred or continued to purchase or carry the Series 2024 Bonds, (ii) the reduction of the loss reserve deduction for property and casualty insurance companies by the applicable statutory percentage of certain items, including the interest on the Series 2024 Bonds, (iii) the inclusion of the interest on the Series 2024 Bonds in the earnings of certain foreign corporations doing business in the United States for purposes of a branch profits tax, (iv) the inclusion of the interest on the Series 2024 Bonds in the passive income subject to federal income taxation of certain Subchapter S

corporations with Subchapter C earnings and profits at the close of the taxable year, (v) the inclusion of interest on the Series 2024 Bonds in the determination of the taxability of certain Social Security and Railroad Retirement benefits to certain recipients of such benefits, (vi) net gain realized upon the sale or other disposition of property such as the Series 2024 Bonds generally must be taken into account when computing the Medicare tax with respect to net investment income or undistributed net investment income, as applicable, imposed on certain high income individuals and specified trusts and estates and (vii) receipt of certain investment income, including interest on the Series 2024 Bonds, is considered when determining qualification limits for obtaining the earned income credit provided by Section 32(a) of the Code. The nature and extent of the other tax consequences described above will depend on the particular tax status and situation of each owner of the Series 2024 Bonds. Prospective purchasers of the Series 2024 Bonds should consult their own tax advisors as to the impact of these and any other tax consequences.

Bond Counsel's opinion is based on existing law, which is subject to change. Such opinion is further based on factual representations made to Bond Counsel as of the date of issuance of the Series 2024 Bonds. Bond Counsel assumes no duty to update or supplement its opinion to reflect any facts or circumstances that may thereafter come to Bond Counsel's attention, or to reflect any changes in law that may thereafter occur or become effective. Moreover, Bond Counsel's opinion is not a guarantee of a particular result, and is not binding on the IRS or the courts; rather, such opinion represents Bond Counsel's professional judgment based on its review of existing law, and in reliance on the representations and covenants that it deems relevant to such opinion.

Original Issue Discount and Premium

Certain of the Series 2024 Bonds ("Discount Bonds") may be offered and sold to the public at an original issue discount ("OID"). OID is the excess of the stated redemption price at maturity (the principal amount) over the "issue price" of a Discount Bond determined under Code Section 1273 or 1274 (*i.e.*, for obligations issued for money in a public offering, the initial offering price to the public (other than to bond houses and brokers) at which a substantial amount of the obligation of the same maturity is sold pursuant to that offering). For federal income tax purposes, OID accrues to the owner of a Discount Bond over the period to maturity based on the constant yield method, compounded semiannually (or over a shorter permitted compounding interval selected by the owner). The portion of OID that accrues during the period of ownership of a Discount Bond (i) is interest excludable from the owner's gross income for federal income tax purposes to the same extent, and subject to the same considerations discussed above, as other interest on the Series 2024 Bonds, and (ii) is added to the owner's tax basis for purposes of determining gain or loss on the maturity, redemption, prior sale, or other disposition of that Discount Bond.

Certain of the Series 2024 Bonds ("Premium Bonds") may be offered and sold to the public at a price in excess of their stated redemption price (the principal amount) at maturity (or earlier for certain Premium Bonds callable prior to maturity). That excess constitutes bond premium. For federal income tax purposes, bond premium is amortized over the period to maturity of a Premium Bond, based on the yield to maturity of that Premium Bond (or, in the case of a Premium Bond callable prior to its stated maturity, the amortization period and yield may be required to be determined on the basis of an earlier call date that results in the lowest yield on that Premium Bond), compounded semiannually (or over a shorter permitted compounding interval selected by the owner). No portion of that bond premium is deductible by the owner of a Premium Bond. For purposes of determining the owner's gain or loss on the sale, redemption (including redemption at maturity), or other disposition of a Premium Bond, the owner's tax basis in the Premium Bond is reduced by the amount of bond premium that accrues during the period of ownership. As a result, an owner may realize taxable gain for federal income tax purposes from the sale or other disposition of a Premium Bond for an amount equal to or less than the amount paid by the owner for that Premium Bond.

Owners of Discount and Premium Bonds should consult their own tax advisers as to the determination for federal income tax purposes of the amount of OID or bond premium properly accruable in any period with respect to the Discount or Premium Bonds and as to other federal tax consequences, and the treatment of OID and bond premium for purposes of state and local taxes on, or based on, income.

Changes in Federal and State Tax Law

From time to time, there are legislative proposals suggested, debated, introduced, or pending in Congress or in the State legislature that, if enacted into law, could alter or amend one or more of the federal tax matters, or state tax matters, respectively, described above including, without limitation, the excludability from gross income of interest on the Series 2024 Bonds, or adversely affect the market price or marketability of the Series 2024 Bonds, or otherwise prevent the holders from realizing the full current benefit of the status of the interest thereon. It cannot be predicted whether or in what form any such proposal may be enacted, or whether, if enacted, any such proposal would affect the Series 2024 Bonds. Prospective purchasers of the Series 2024 Bonds should consult their tax advisors as to the impact of any proposed or pending legislation.

Information Reporting and Backup Withholding

Interest paid on tax-exempt bonds such as the Series 2024 Bonds is subject to information reporting to the Internal Revenue Service in a manner similar to interest paid on taxable obligations. This reporting requirement does not affect the excludability of interest on the Series 2024 Bonds from gross income for federal income tax purposes. However, in conjunction with that information reporting requirement, the Code subjects certain non-corporate owners of Series 2024 Bonds, under certain circumstances, to "backup withholding" at the rates set forth in the Code, with respect to payments on the Series 2024 Bonds and proceeds from the sale of Series 2024 Bonds. Any amount so withheld would be refunded or allowed as a credit against the federal income tax of such owner of Series 2024 Bonds. This withholding generally applies if the owner of Series 2024 Bonds (i) fails to furnish the payor such owner's social security number or other taxpayer identification number ("TIN"), (ii) furnished the payor an incorrect TIN, (iii) fails to properly report interest, dividends, or other "reportable payments" as defined in the Code, or (iv) under certain circumstances, fails to provide the payor or such owner's securities broker with a certified statement, signed under penalty of perjury, that the TIN provided is correct and that such owner is not subject to backup withholding. Prospective purchasers of the Series 2024 Bonds may also wish to consult with their tax advisors with respect to the need to furnish certain taxpayer information in order to avoid backup withholding.

AGREEMENT BY THE STATE

Under the Act, the State of Florida pledges to the holders of any bonds issued thereunder, including the Series 2024 Bonds, that it will not limit or alter the rights of the District to own, acquire, construct, reconstruct, improve, maintain, operate or furnish the projects subject to the Act or to levy and collect taxes, assessments, rentals, rates, fees, and other charges provided for in the Act and to fulfill the terms of any agreement made with the holders of such bonds and that it will not in any way impair the rights or remedies of such holders.

LEGALITY FOR INVESTMENT

The Act provides that bonds are legal investments for savings banks, banks, trust companies, insurance companies, executors, administrators, trustees, guardians, and other fiduciaries, and for any board, body, agency, instrumentality, county, municipality or other political subdivision of the State of Florida, and constitute securities which may be deposited by banks or trust companies as security for

deposits of state, county, municipal or other public funds, or by insurance companies as required or voluntary statutory deposits.

SUITABILITY FOR INVESTMENT

In accordance with applicable provisions of Florida law, the Series 2024 Bonds may initially be sold by the District only to "accredited investors" within the meaning of Chapter 517, Florida Statutes and the rules promulgated thereunder. The limitation of the initial offering to accredited investors does not denote restrictions on transfers in any secondary market for the Series 2024 Bonds. Investment in the Series 2024 Bonds poses certain economic risks. No dealer, broker, salesperson or other person has been authorized by the District or the Underwriter to give any information or make any representations, other than those contained in this Limited Offering Memorandum, and, if given or made, such other information or representations must not be relied upon as having been authorized by either of the foregoing.

ENFORCEABILITY OF REMEDIES

The remedies available to the Owners of the Series 2024 Bonds upon an Event of Default under the Indenture are in many respects dependent upon judicial actions which are often subject to discretion and delay. Under existing constitutional and statutory law and judicial decisions, including the federal bankruptcy code, the remedies specified by the Indenture and the Series 2024 Bonds may not be readily available or may be limited. The various legal opinions to be delivered concurrently with the delivery of the Series 2024 Bonds will be qualified as to the enforceability of the remedies provided in the various legal instruments, by limitations imposed by bankruptcy, reorganization, insolvency or other similar laws affecting the rights of creditors enacted before or after such delivery.

LITIGATION

The District

There is no litigation of any nature now pending or, to the knowledge of the District threatened, against the District seeking to restrain or enjoin the issuance, sale, execution or delivery of the Series 2024 Bonds, or in any way contesting or affecting (i) the validity of the Series 2024 Bonds or any proceedings of the District taken with respect to the issuance or sale thereof, (ii) the pledge or application of any moneys or security provided for the payment of the Series 2024 Bonds, (iii) the existence or powers of the District or (iv) the validity of the Assessment Proceedings.

The Developer

There is no litigation of any nature now pending or, to the knowledge of the Developer, threatened, which could reasonably be expected to have a material and adverse effect upon the completion of the 2024 Project, the District's Capital Improvement Plan or the development of the lands in Assessment Area Two of the District as described herein, materially and adversely affect the ability of the Developer to pay the Series 2024 Special Assessments imposed against the land within the District owned by the Developer or materially and adversely affect the ability of the Developer to perform its various obligations described in this Limited Offering Memorandum.

CONTINGENT FEES

The District has retained Bond Counsel, District Counsel, the District Engineer, the District Manager/Methodology Consultant, the Underwriter (who has retained Underwriter's Counsel) and the Trustee (who has retained Trustee's Counsel), with respect to the authorization, sale, execution and delivery

of the Series 2024 Bonds. Except for the payment of certain fees to District Counsel, the District Engineer and the District Manager, the payment of fees of the other professionals is each contingent upon the issuance of the Series 2024 Bonds.

NO RATING

No application for a rating for the Series 2024 Bonds has been made to any rating agency, nor is there any reason to believe that an investment grade rating for the Series 2024 Bonds would have been obtained if application had been made.

The Engineer's Report attached as APPENDIX C to this Limited Offering Memorandum has been prepared by Hunter Engineering, Inc., Winter Haven, Florida, the District Engineer. APPENDIX C should be read in its entirety for complete information with respect to the subjects discussed therein. Governmental Management Services – Central Florida, LLC, Orlando, Florida, as Methodology Consultant, has prepared the Assessment Methodology set forth as APPENDIX D attached hereto. FINANCIAL INFORMATION

This District will covenant in the Disclosure Agreement (as defined below), the proposed form of which is set forth in APPENDIX F hereto, to provide its annual audited financial statements to certain information repositories as described in APPENDIX F, commencing with the audit for the District fiscal year ended September 30, 2024. Attached hereto as APPENDIX E is a copy of the District's audited financial statements for the District's fiscal year ended September 30, 2023, as well as the District's unaudited monthly financial statements for the period ended September 30, 2024. Such financial statements, including the auditor's report included within the audited financial statements, have been included in this Limited Offering Memorandum as public documents and consent from the auditor was not requested. Further, the auditors have not performed any services related to, and therefore are not associated with, the preparation of this Limited Offering Memorandum. The Series 2024 Bonds are not general obligation bonds of the District and are payable solely from the Series 2024 Pledged Revenues.

By the end of the first full fiscal year after its creation, each community development district in Florida must have a separate website with certain information as set forth in Section 189.069, F.S., including, without limitation, the district's proposed and final budgets and audit. Additional information regarding the District's website is available from the District Manager at the address set forth under "THE DISTRICT – The District Manager and Other Consultants."

DISCLOSURE REQUIRED BY FLORIDA BLUE SKY REGULATIONS

Section 517.051, Florida Statutes, and the regulations promulgated thereunder requires that the District make a full and fair disclosure of any bonds or other debt obligations that it has issued or guaranteed and that are or have been in default as to principal or interest at any time after December 31, 1975 (including bonds or other debt obligations for which it has served only as a conduit issuer such as industrial development or private activity bonds issued on behalf of private business). The District is not and has never been in default as to principal or interest on its bonds or other debt obligations since December 31, 1975. See "LITIGATION – The Developer" for information regarding certain prior bankruptcy filings by the Developer.

CONTINUING DISCLOSURE

The District and the Developer will enter into the Continuing Disclosure Agreement (the "Disclosure Agreement"), the proposed form of which is set forth in the attached APPENDIX F, for the benefit of the Series 2024 Bondholders (including owners of beneficial interests in such Bonds), to provide certain financial information and operating data relating to the District and the Development and the occurrence of certain enumerated material events by certain dates prescribed in the Disclosure Agreement (the "Reports") with the Municipal Securities Rulemaking Board ("MSRB") through the MSRB's Electronic Municipal Market Access system. The specific nature of the information to be contained in the Reports is set forth in "APPENDIX F: PROPOSED FORM OF CONTINUING DISCLOSURE AGREEMENT." Under certain circumstances, the failure of the District or the Developer or any other future obligated party to comply with their obligations under the Disclosure Agreement constitutes an event of default thereunder. Such a default will not constitute an Event of Default under the Indenture, but such event of default under the Disclosure Agreement would allow the Series 2024 Bondholders (including owners of beneficial interests in the Series 2024 Bonds) to bring an action for specific performance.

The District has previously entered into a continuing disclosure undertaking pursuant to Rule 15c2-12, promulgated under the Securities Exchange Act of 1934, as amended (the "Rule"), with respect to its Series 2023 Bonds. A review of filings made pursuant to such prior undertaking indicates that certain filings were not timely made and that timely notice of such late filings was not always provided. The District will appoint the District Manager as the dissemination agent in the Disclosure Agreement and anticipates satisfying all future disclosure obligations required pursuant to the Disclosure Agreement.

[The Developer has not previously entered into any continuing disclosure obligations pursuant to the Rule.] The Developer anticipates satisfying all future disclosure obligations required pursuant to the Disclosure Agreement.

REMOVAL OF SPECIAL ASSESSMENT LIENS

SECTION 4.01. Establishment of Certain Funds, Accounts and Subaccounts.

(a) The Trustee shall establish a separate Account within the Acquisition and Construction Fund designated as the “Series 2025 Acquisition and Construction Account.” Net proceeds of the Series 2025 Bonds shall be deposited into the Series 2025 Acquisition and Construction Account in the amount set forth in Section 2.06 of this Second Supplemental Indenture, together with any other moneys that may be transferred to the Series 2025 Acquisition and Construction Account as provided for herein. Such moneys in the Series 2025 Acquisition and Construction Account shall be disbursed by the Trustee as set forth in Section 5.01 of the Master Indenture and this Section 4.01(a), and upon disbursement, the Issuer shall apply such moneys as provided for herein and in the Acquisition Agreement. Subject to the provisions of Section 4.01(f) hereof, any moneys remaining in the Series 2025 Acquisition and Construction Account after the Completion Date, and after the expenditure of all moneys remaining therein that have not been requisitioned after satisfaction of the Release Conditions, except for any moneys reserved therein for the payment of any costs of the 2025 Project owed but not yet requisitioned, as evidenced in a certificate from the District Manager to the Trustee, upon which the Trustee may conclusively rely, and the adoption of a resolution by the Issuer accepting the 2025 Project, as evidenced by a certificate from the District Manager delivered to the Trustee, upon which the Trustee may conclusively rely, shall be transferred by the Trustee to the Series 2025 General Redemption Subaccount of the Series 2025 Bond Redemption Account. Subject to the provisions of Section 4.01(f) hereof, the Series 2025 Acquisition and Construction Account shall be closed upon the expenditure or transfer of all funds therein including moneys deposited therein as a result of satisfaction of the Release Conditions. Upon presentment by the District Manager or the Issuer to the Trustee of a properly signed requisition in substantially the form attached hereto as Exhibit C, the Trustee shall withdraw moneys from the Series 2025 Acquisition and Construction Account and make payment to the Person or Persons so designated in such requisition. Pursuant to the Master Indenture, the Trustee shall establish a separate Account within the Acquisition and Construction Fund designated as the “Series 2025 Costs of Issuance Account.” Net proceeds of the Series 2025 Bonds shall be deposited into the Series 2025 Costs of Issuance Account in the amount set forth in Section 2.06 of this Second Supplemental Indenture. Upon presentment by the District Manager or the Issuer to the Trustee of a properly signed requisition in substantially the form attached hereto as Exhibit C, the Trustee shall withdraw moneys from the Series 2025 Costs of Issuance Account to pay the costs of issuing the Series 2025 Bonds. Six months after the issuance of the Series 2025 Bonds, any moneys remaining in the Series 2025 Costs of Issuance Account in excess of the amounts requested to be disbursed by the Issuer shall be deposited into the Series 2025 Interest Account. Any deficiency in the amount allocated to pay the cost of issuing the Series 2025 Bonds shall be paid from excess Series 2025 Pledged Revenues on deposit in the Series 2025 Revenue Account in accordance with Section 4.02 SEVENTH. When there are no further moneys therein, the Series 2025 Costs of Issuance Account shall be closed.

(b) Pursuant to Section 6.03 of the Master Indenture, the Trustee shall establish a separate Account within the Revenue Fund designated as the “Series 2025 Revenue Account.”

Series 2025 Special Assessments and any other amounts required to be deposited therein (except for Prepayments of Series 2025 Special Assessments which shall be identified as such by the Issuer to the Trustee and deposited in the Series 2025 Prepayment Subaccount) shall be deposited by the Trustee into the Series 2025 Revenue Account which shall be applied as set forth in Section 6.03 of the Master Indenture and Section 4.02 of this Second Supplemental Indenture.

(c) Pursuant to Section 6.04 of the Master Indenture, the Trustee shall establish a separate Account within the Debt Service Fund designated as the “Series 2025 Principal Account.” Moneys shall be deposited into the Series 2025 Principal Account as provided in Section 6.04 of the Master Indenture and Section 4.02 of this Second Supplemental Indenture, and applied for the purposes provided therein.

(d) Pursuant to Section 6.04 of the Master Indenture, the Trustee shall establish a separate Account within the Debt Service Fund designated as the “Series 2025 Interest Account.” Moneys deposited into the Series 2025 Interest Account pursuant to Section 6.04 of the Master Indenture and Sections 2.06 and 4.02 of this Second Supplemental Indenture, shall be applied for the purposes provided therein.

(e) Pursuant to Section 6.04 of the Master Indenture, the Trustee shall establish another separate Account within the Debt Service Fund designated as the “Series 2025 Sinking Fund Account.” Moneys shall be deposited into the Series 2025 Sinking Fund Account as provided in Section 6.04 of the Master Indenture and Section 4.02 of this Second Supplemental Indenture and applied for the purposes provided therein and in Section 3.01(c) of this Second Supplemental Indenture.

(f) Pursuant to Section 6.05 of the Master Indenture, the Trustee shall establish a separate Account within the Debt Service Reserve Fund designated as the “Series 2025 Reserve Account.” Net proceeds of the Series 2025 Bonds shall be deposited into the Series 2025 Reserve Account in the amount set forth in Section 2.06 of this Second Supplemental Indenture, and such moneys, together with any other moneys deposited into the Series 2025 Reserve Account pursuant to Section 4.02 of this Second Supplemental Indenture shall be applied for the purposes provided therein and in this Section 4.01(f) of this Second Supplemental Indenture.

On each March 15 and September 15 (or, if such date is not a Business Day, on the Business Day next preceding such day), the Trustee shall determine the amount on deposit in the Series 2025 Reserve Account and prior to the Completion Date transfer any excess therein above the Reserve Requirement for the Series 2025 Bonds caused by investment earnings to the Series 2025 Acquisition and Construction Account and after the Completion Date to the Series 2025 Revenue Account.

Notwithstanding any of the foregoing, amounts on deposit in the Series 2025 Reserve Account shall be transferred by the Trustee, in the amounts directed in writing by the Majority Holders of the Series 2025 Bonds to the Series 2025 General Redemption Subaccount of the Series 2025 Bond Redemption Account, if as a result of the application of Article X of the Master Indenture, the proceeds received from lands sold subject to the Series 2025 Special Assessments and applied to redeem a portion of the Series 2025 Bonds is less than the principal amount of Series 2025 Bonds indebtedness attributable to such lands.

Subject to the provisions of Section 4.05 hereof, on any date the Issuer or the District Manager, on behalf of the Issuer, receives notice that a landowner wishes to prepay its Series 2025 Special Assessments relating to the benefited property of such landowner within Assessment Area Two within the District, or as a result of a mandatory true-up payment, the Issuer shall, or cause the District Manager, on behalf of the Issuer, to calculate the principal amount of such Prepayment taking into account a credit against the amount of the Series 2025 Prepayment Principal due by the amount of money in the Series 2025 Reserve Account that will be in excess of the applicable Reserve Requirement, taking into account the proposed Prepayment. Such excess in the Series 2025 Reserve Account shall be transferred by the Trustee to the Series 2025 Prepayment Subaccount of the Series 2025 Bond Redemption Account, as a result of such Prepayment. The District Manager, on behalf of the Issuer, shall make such calculation within ten (10) Business Days after receiving notice of such Prepayment and shall instruct the Trustee in writing to transfer such amount of credit given to the landowner from the Series 2025 Reserve Account to the Series 2025 Prepayment Subaccount of the Series 2025 Bond Redemption Account to be used for the extraordinary mandatory redemption of the Series 2025 Bonds in accordance with Section 3.01(b)(i) hereof. The Trustee is authorized to make such transfers and has no duty to verify such calculations. Notwithstanding the foregoing, upon satisfaction of the Release Conditions, the Trustee shall deposit such excess on deposit in the Series 2025 Reserve Account as further described in the next succeeding paragraph to the Series 2025 Acquisition and Construction Account and pay such amount deposited in the Series 2025 Acquisition and Construction Account to the Person or Persons designated in a requisition in the form attached hereto as Exhibit "C" to the Issuer submitted by the Developer, which requisition shall be executed by the Issuer and the Consulting Engineer. Such payment is authorized notwithstanding that the Completion Date might have been declared provided that there are Costs of the 2025 Project that were not paid from moneys initially deposited in the Series 2025 Acquisition and Construction Account and the Trustee has on file one or more properly executed unfunded requisitions. In the event there are multiple unfunded requisitions on file with the Trustee, the Trustee shall fund such requisitions in the order the Trustee has received them (from oldest to newest). In the event that there are no unfunded requisitions on file with the Trustee, such excess moneys transferred from the Series 2025 Reserve Account to the Series 2025 Acquisition and Construction Account shall be deposited into the Series 2025 General Redemption Subaccount of the Series 2025 Bond Redemption Account.

Upon satisfaction of the Release Conditions #1 or Release Conditions #2 as evidenced by a written certificate of the District Manager delivered to the Issuer and the Trustee, stating that the Release Conditions #1 or Release Conditions #2 have been satisfied and setting forth the amount of the new Series 2025 Reserve Requirement, the Trustee shall without further direction reduce the Series 2025 Reserve Requirement to either fifty percent (50%) of the maximum annual debt service of the then Outstanding principal amount of the Series 2025 Bonds, as calculated by the District Manager, upon satisfaction of Release Conditions #1 or ten percent (10%) upon satisfaction of Release Conditions #2 of the maximum annual debt service of the then Outstanding principal amount of the Series 2025 Bonds as calculated by the District Manager. The excess amount in the Series 2025 Reserve Account as a result of satisfaction of Release Conditions #1 or Release Conditions #2 shall be transferred to the Series 2025 Acquisition and Construction Account. The Trustee may conclusively rely on such written certificate of the District Manager.

In addition, in the event of an extraordinary mandatory redemption pursuant to Section 3.01(b)(iii), the Issuer, or the District Manager on behalf of the Issuer, shall calculate the applicable Reserve Requirement and communicate the same to the Trustee and the Trustee shall apply any excess in the Series 2023 Reserve Account toward such extraordinary mandatory redemption.

(g) Pursuant to Section 6.06 of the Master Indenture, the Trustee shall establish a separate Series Bond Redemption Account within the Bond Redemption Fund designated as the “Series 2025 Bond Redemption Account” and within such Account, a “Series 2025 General Redemption Subaccount,” a “Series 2025 Optional Redemption Subaccount,” and a “Series 2025 Prepayment Subaccount.” Except as otherwise provided in this Second Supplemental Indenture regarding Prepayments or in connection with the optional redemption of the Series 2025 Bonds, moneys to be deposited into the Series 2025 Bond Redemption Account as provided in Section 6.06 of the Master Indenture, shall be deposited to the Series 2025 General Redemption Subaccount of the Series 2025 Bond Redemption Account.

(h) Moneys that are deposited into the Series 2025 General Redemption Subaccount of the Series 2025 Bond Redemption Account (including all earnings on investments held therein) shall be used to call Series 2025 Bonds for the extraordinary mandatory redemption in whole, pursuant to Section 3.01(b)(ii) hereof or in part pursuant to Section 3.01(b)(iii) hereof.

(i) Moneys in the Series 2025 Prepayment Subaccount of the Series 2025 Bond Redemption Account (including all earnings on investments held in such Series 2025 Prepayment Subaccount of the Series 2025 Bond Redemption Account) shall be accumulated therein to be used to call for redemption pursuant to Section 3.01(b)(i) hereof an amount of Series 2025 Bonds equal to the amount of money transferred to the Series 2025 Prepayment Subaccount of the Series 2025 Bond Redemption Account for the purpose of such extraordinary mandatory redemption on the dates and at the price provided in such Section 3.01(b)(i) hereof.

(j) The Issuer hereby directs the Trustee to establish a Series 2025 Rebate Fund designated as the “Series 2025 Rebate Fund.” Moneys shall be deposited into the Series 2025 Rebate Fund, as provided in the Arbitrage Certificate and Section 4.02 SEVENTH herein and applied for the purposes provided therein.

(k) Any moneys on deposit in the Series 2025 Optional Redemption Subaccount shall be used to optionally redeem all or a portion of the Series 2025 Bonds pursuant to Section 3.01(a) hereof.

SECTION 4.02. Series 2025 Revenue Account. The Trustee shall transfer from amounts on deposit in the Series 2025 Revenue Account to the Funds, Accounts and subaccounts designated below, the following amounts, at the following times and in the following order of priority:

FIRST, upon receipt but no later than the Business Day next preceding each May 1 commencing May 1, 2025, to the Series 2025 Interest Account of the Debt Service Fund, an amount equal to the interest on the Series 2025 Bonds becoming due on the next succeeding May 1, less any amounts on deposit in the Series 2025 Interest Account not previously credited;

SECOND, upon receipt but no later than the Business Day next preceding each November 1 commencing November 1, 2025, to the Series 2025 Interest Account of the Debt Service Fund, an amount equal to the interest on the Series 2025 Bonds becoming due on the next succeeding November 1, less any amounts on deposit in the Series 2025 Interest Account not previously credited;

THIRD, no later than the Business Day next preceding each May 1, commencing May 1, 2025, to the Series 2025 Sinking Fund Account of the Debt Service Fund, an amount equal to the principal amount of Series 2025 Bonds subject to sinking fund redemption on such May 1, less any amounts on deposit in the Series 2025 Sinking Fund Account not previously credited;

FOURTH, no later than the Business Day next preceding each May 1, which is a principal payment date for any Series 2025 Bonds, to the Series 2025 Principal Account of the Debt Service Fund, an amount equal to the principal amount of Series 2025 Bonds Outstanding maturing on such May 1, less any amounts on deposit in the Series 2025 Principal Account not previously credited;

FIFTH, notwithstanding the foregoing, at any time the Series 2025 Bonds are subject to redemption on a date which is not a May 1 or November 1 Interest Payment Date, the Trustee shall be authorized to transfer from the Series 2025 Revenue Account to the Series 2025 Interest Account, the amount necessary to pay interest on the Series 2025 Bonds subject to redemption on such date;

SIXTH, upon receipt but no later than the Business Day next preceding each Interest Payment Date while Series 2025 Bonds remain Outstanding, to the Series 2025 Reserve Account, an amount equal to the amount, if any, which is necessary to make the amount on deposit therein equal to the Reserve Requirement for the Series 2025 Bonds; and

SEVENTH, subject to the foregoing paragraphs, the balance of any moneys remaining after making the foregoing deposits shall be deposited into the Series 2025 Costs of Issuance Account to cover any deficiencies in the amount allocated to pay the cost of issuing the Series 2025 Bonds and next, any balance in the Series 2025 Revenue Account shall remain on deposit in such Series 2025 Revenue Account, unless pursuant to the Arbitrage Certificate, it is necessary to make a deposit into the Series 2025 Rebate Fund, in which case, the Issuer shall direct the Trustee to make such deposit thereto.

SECTION 4.03. Power to Issue Series 2025 Bonds and Create Lien. The Issuer is duly authorized under the Act and all applicable laws of the State to issue the Series 2025 Bonds, to execute and deliver the Indenture and to pledge the Series 2025 Pledged Revenues for the benefit of the Series 2025 Bonds to the extent set forth herein. The Series 2025 Pledged Revenues are not and shall not be subject to any other lien senior to or on a parity with the lien created in favor of the Series 2025 Bonds. The Series 2025 Bonds and the provisions of the Indenture are and will be valid and legally enforceable obligations of the Issuer in accordance with their respective terms. The Issuer shall, at all times, to the extent permitted by law, defend, preserve and protect the pledge created by the Indenture and all the rights of the Owners of the Series 2025 Bonds under the Indenture against all claims and demands of all persons whomsoever.

SECTION 4.04. 2025 Project to Conform to Consulting Engineers Report. Upon the issuance of the Series 2025 Bonds, the Issuer will promptly proceed to construct or acquire pursuant to the Acquisition Agreement, the 2025 Project, as described in Exhibit A hereto and in the Consulting Engineer's Report relating thereto.

SECTION 4.05. Prepayments; Removal of the Series 2025 Special Assessment Liens.

(a) At any time any owner of property subject to the Series 2025 Special Assessments may, at its option, or as a result of acceleration of the Series 2025 Special Assessments because of non-payment thereof or as a result of a true-up payment, shall require the Issuer to reduce or release and extinguish the lien upon its property by virtue of the levy of the Series 2025 Special Assessments by paying or causing there to be paid, to the Issuer all or a portion of the Series 2025 Special Assessment, which shall constitute Series 2025 Prepayment Principal, plus accrued interest to the next succeeding Quarterly Redemption Date (or the next succeeding Quarterly Redemption Date if such Prepayment is made within forty-five (45) calendar days before a Quarterly Redemption Date), attributable to the property subject to the Series 2025 Special Assessment owned by such owner. In connection with such Prepayments, in the event the amount in the Series 2025 Reserve Account will exceed the applicable Reserve Requirement for the Series 2025 Bonds as a result of a Prepayment in accordance with this Section 4.05(a) and Section 4.01(f) hereof and the resulting redemption of the Series 2025 Bonds in accordance with Section 3.01(b)(i) of this Second Supplemental Indenture, the excess amount shall be transferred from the Series 2025 Reserve Account to the Series 2025 Prepayment Subaccount of the Series 2025 Bond Redemption Account as a credit against the Series 2025 Prepayment Principal otherwise required to be paid by the owner of such lot or parcel, upon written instructions to the Trustee of the District Manager on behalf of the Issuer upon which the Trustee may conclusively rely, together with a certification stating that, after giving effect to such transfers sufficient moneys will be on deposit in the Series 2025 Reserve Account to equal or exceed the then Reserve Requirement for the Series 2025 Bonds and which certificate of the District Manager will further state that, after giving effect to the proposed redemption of Series 2025 Bonds, there will be sufficient Series 2025 Pledged Revenues to pay the principal and interest, when due, on all Series 2025 Bonds that will remain Outstanding.

(b) Upon receipt of Series 2025 Prepayment Principal as described in paragraph (a) above, subject to satisfaction of the conditions set forth therein, the Issuer shall immediately pay the amount so received to the Trustee, and the Issuer shall take such action as is necessary to record in the official records of the Issuer that the Series 2025 Special Assessment has been paid in whole or in part and that such Series 2025 Special Assessment lien is thereby reduced, or released and extinguished, as the case may be.

(c) The Trustee may conclusively rely on the Issuer's determination of what moneys constitute Series 2025 Prepayment Principal. The Trustee shall calculate the amount available for extraordinary mandatory redemption of the Series 2025 Bonds pursuant to Section 3.01(b)(i) hereof forty-five (45) days prior to each Quarterly Redemption Date and will withdraw money from the Series 2025 Reserve Account as a credit against the amount of Prepayment that is owed in an amount as directed by the Issuer or the District Manager on behalf of the Issuer in accordance with Section 4.01(f) hereof and Section 4.05(a) hereof. No Series 2025 Reserve Account credit shall be given if as a result the Reserve Requirement shall be less than is required

after taking into account the proposed extraordinary mandatory redemption pursuant to Section 3.01(b)(i) hereof. At any time such Prepayment is not in an integral multiple of \$5,000, the Trustee shall withdraw moneys from the Series 2025 Revenue Account to round-up to an integral multiple of \$5,000 and deposit such amount into the Series 2025 Prepayment Subaccount. Notwithstanding the foregoing, the Trustee shall not be authorized to withdraw any moneys from the Series 2025 Revenue Account unless all of the deposits required under Section 4.02 hereof have or can be made to the next succeeding Interest Payment Date.

ARTICLE V
COVENANTS AND DESIGNATIONS OF THE ISSUER

SECTION 5.01. Collection of Series 2025 Special Assessments. Pursuant to the terms and provisions of the Master Indenture and except as provided in the next succeeding sentence, the Issuer shall collect the Series 2025 Special Assessments relating to the acquisition and construction of the 2025 Project through the Uniform Method of Collection (the “Uniform Method”) afforded by Chapter 197, Florida Statutes. Pursuant to the terms and provisions of the Master Indenture, the Issuer shall, pursuant to the provisions of the Assessment Resolutions, directly collect the Series 2025 Special Assessments levied in lieu of the Uniform Method with respect to any assessable lands which have not yet been platted, unless the Trustee at the direction of the Majority Holders directs the Issuer otherwise, or the timing for using the Uniform Method will not yet allow for using such method. Notwithstanding the foregoing, the Issuer may collect the Series 2025 Special Assessments by way of a combination of using the Uniform Method and by way of direct billing as the Issuer sees fit. In addition, and not in limitation of, the covenants contained elsewhere in this Second Supplemental Indenture and in the Master Indenture, the Issuer covenants to comply with the terms of the proceedings heretofore adopted with respect to the Series 2025 Special Assessments, and to levy the Series 2025 Special Assessments in such manner as will generate funds sufficient to pay debt service on the Series 2025 Bonds when due. All Series 2025 Special Assessments that are collected directly by the Issuer shall be due and payable by the landowner not later than thirty (30) days prior to each Interest Payment Date.

SECTION 5.02. Continuing Disclosure. Contemporaneously with the execution and delivery hereof, the Issuer has executed and delivered a Continuing Disclosure Agreement in order to comply with the requirements of Rule 15c2-12 promulgated under the Securities and Exchange Act of 1934. The Issuer covenants and agrees to comply with the provisions of such Continuing Disclosure Agreement applicable to it; however, as set forth therein, failure to so comply shall not constitute an Event of Default hereunder, but shall instead be enforceable by mandamus or any other means of specific performance.

SECTION 5.03. Investment of Funds, Accounts and Subaccounts. The provisions of Section 7.02 of the Master Indenture shall apply to the investment and reinvestment of moneys in the Series 2025 Accounts and subaccounts therein created hereunder.

SECTION 5.04. Additional Obligations. The Issuer covenants not to issue any other Bonds or other debt obligations secured by the Series 2025 Special Assessments. Such covenant shall not prohibit the Issuer from issuing refunding Bonds. In addition, the Issuer covenants not to issue any other Bonds or debt obligations for capital projects, secured by any Special Assessments on assessable land within Assessment Area Two within the District which secure the Series 2025 Special Assessments, until the Series 2025 Special Assessments are Substantially Absorbed. The Issuer’s covenants described above shall not preclude the imposition of Special Assessments or other non-ad valorem assessments on such lands in connection with other capital projects that are necessary for health, safety or welfare reasons or to remediate a natural disaster. The Issuer or the District Manager on behalf of the Issuer, shall provide the Trustee with a certification that the Series 2025 Special Assessments are Substantially Absorbed and the Trustee may conclusively rely upon such certification and shall have no duty to verify if the Series 2025 Special Assessments are Substantially Absorbed. Notwithstanding any provision in the Indenture to the contrary, the Issuer may issue other Bonds or debt obligations secured by Special Assessments levied on the

same land upon which the Series 2025 Special Assessments have been levied at any time upon the written consent of the Majority Holders or at any time without any such consent if Special Assessments are levied on any lands within Assessment Area Two within the District which are not subject to the Series 2025 Special Assessments.

SECTION 5.05. Acknowledgement Regarding Series 2025 Acquisition and Construction Account Moneys Following an Event of Default. In accordance with the provisions of the Indenture, the Series 2025 Bonds are payable solely from the Series 2025 Pledged Revenues. Anything in the Indenture to the contrary notwithstanding, the Issuer hereby acknowledges that the Series 2025 Pledged Revenues include, without limitation, all amounts on deposit in the Series 2025 Acquisition and Construction Account of the Acquisition and Construction Fund then held by the Trustee, and upon the occurrence of an Event of Default with respect to the Series 2025 Bonds, (i) the Series 2025 Pledged Revenues may not be used by the Issuer (whether to pay costs of the 2025 Project or otherwise) without the consent of the Majority Holders, and (ii) the Series 2025 Pledged Revenues may be used by the Trustee, at the direction or with the approval of the Majority Holders, to pay the reasonable costs and expenses incurred in connection with the pursuit of remedies under the Indenture. The Issuer covenants not to enter into any contract regarding the 2025 Project from and after the occurrence of an Event of Default without the written direction of the Majority Holders.

The Series 2025 Bonds are being issued under authority of the laws and Constitution of the State of Florida, including particularly the Act, to pay the costs of constructing and/or acquiring a portion of the 2025 Project (as defined in the herein referred to Indenture). The Series 2025 Bonds shall be issued as fully registered bonds in authorized denominations, as set forth in the Indenture. The Bonds are issued under and secured by a Master Trust Indenture dated as of March 1, 2023 (the “Master Indenture”), as amended by a Second Supplemental Trust Indenture dated as of January 1, 2025 (the “Second Supplemental Indenture” and together with the Master Indenture, the “Indenture”), each by and between the Issuer and the Trustee, executed counterparts of which are on file at the designated corporate trust office of the Trustee in Fort Lauderdale, Florida.

Reference is hereby made to the Indenture for the provisions, among others, with respect to the custody and application of the proceeds of the Series 2025 Bonds issued under the Indenture, the operation and application of the Debt Service Fund, the Series 2025 Reserve Account within the Debt Service Reserve Fund and other Funds, Accounts and subaccounts (each as defined in the Indenture) charged with and pledged to the payment of the principal of and the interest on the Series 2025 Bonds, the levy and the evidencing and certifying for collection, of the Series 2025 Special Assessments, the nature and extent of the security for the Series 2025 Bonds, the terms and conditions on which the Series 2025 Bonds are issued, the rights, duties and obligations of the Issuer and of the Trustee under the Indenture, the conditions under which such Indenture may be amended without the consent of the registered owners of the Series 2025 Bonds, the conditions under which such Indenture may be amended with the consent of the Majority Holders of the Series 2025 Bonds outstanding, and as to other rights and remedies of the registered owners of the Series 2025 Bonds.

The owner of this Bond shall have no right to enforce the provisions of the Indenture or to institute action to enforce the covenants therein, or to take any action with respect to any event of default under the Indenture or to institute, appear in or defend any suit or other proceeding with respect thereto, except as provided in the Indenture.

It is expressly agreed by the owner of this Bond that such owner shall never have the right to require or compel the exercise of the ad valorem taxing power of the Issuer, the County, the State or any other political subdivision thereof, or taxation in any form of any real or personal property of the Issuer, the County, the State or any other political subdivision thereof, for the payment of the principal of and interest on this Bond or the making of any other sinking fund and other payments provided for in the Indenture, except for the Series 2025 Special Assessments to be assessed and levied by the Issuer as set forth in the Indenture.

By the acceptance of this Bond, the owner hereof assents to all the provisions of the Indenture.

All payments of the redemption price of the Series 2025 Bonds shall be made on the dates specified below. Upon any redemption of Series 2025 Bonds other than in accordance with scheduled mandatory sinking fund redemption, the Issuer shall cause to be recalculated and delivered to the Trustee revised mandatory sinking fund redemption amounts recalculated so as to amortize the Outstanding principal amount of Series 2025 Bonds in substantially equal annual installments of principal and interest (subject to rounding to Authorized Denominations of principal) over the remaining term of the Series 2025 Bonds. The mandatory sinking fund redemption amounts as so recalculated shall not result in an increase in the aggregate of the mandatory sinking fund redemption amounts for all Series 2025 Bonds in any year. In the event of a redemption or purchase occurring less than forty-five (45) days prior to a date on which a mandatory sinking fund redemption payment is due, the foregoing recalculation shall not be

made to the mandatory sinking fund redemption amounts due in the year in which such redemption or purchase occurs, but shall be made to the mandatory sinking fund redemption amounts for the immediately succeeding and subsequent years.

If such optional redemption shall be in part, the Issuer shall select such principal amount of Series 2025 Bonds to be optionally redeemed from each maturity so that debt service on the remaining Outstanding Series 2025 Bonds is substantially level.

The Owner of this Bond shall have no right to enforce the provisions of the Indenture or to institute action to enforce the covenants therein, or to take any action with respect to any Event of

WHEREAS, the District was established by an ordinance enacted by the City Commission of the City of Winter Haven, Florida, pursuant to the Uniform Community Development District Act of 1980, Chapter 190, *Florida Statutes*, as amended (the “**Act**”), for the purpose of planning, financing, constructing, acquiring, operating and/or maintaining certain public infrastructure improvements within or without the boundaries of the District; and

WHEREAS, the Act authorizes the District to issue bonds for the purposes, among others, of planning, financing, constructing, operating and/or maintaining certain public infrastructure, including but not limited to roadways, stormwater management, utilities (water & sewer), offsite improvements, landscaping/lighting, and other infrastructure within or without the boundaries of the District; and

WHEREAS, the Developer is currently the owner and/or developer of certain lands located in Polk County, Florida and within the boundaries of the District and generally identified as Assessment Area Two, as further described herein and in the attached **Exhibit A** (“**Assessment Area Two**”); and

WHEREAS, a Final Judgment was issued on June 27, 2022, validating the authority of the District to issue up to \$28,000,000 in aggregate principal amount of its Peace Creek Community Development District Special Assessment Bonds in one or more series, to finance the design,

acquisition, construction, installation, of community development facilities, services and improvements within and without the boundaries of the District as authorized by the Act; and

WHEREAS, the District has adopted an improvement plan for the planning, design, acquisition and construction of certain infrastructure improvements, facilities and services within and without the boundaries of the District, including Assessment Area Two, and as further detailed in the *Engineer’s Report of Capital Improvements*, dated March 9, 2022, as amended by that certain *Amended and Restated Engineer’s Report of Capital Improvements*, dated April 14, 2022 (together, the “**Master Engineer’s Report**” and the improvements described therein, the “**Capital Improvement Plan**”), as supplemented by that certain *Supplemental Engineer’s Report for Assessment Area Two Bonds*, dated December 10, 2024 (“**Supplemental Engineer’s Report**” and the project described therein, the “**2025 Project**,” and together with the Master Engineer’s Report, the “**Engineer’s Report**”), attached hereto as **Exhibit B**; and

WHEREAS, the District intends to issue its of Peace Creek Community Development District Special Assessment Bonds, Series 2025 (Assessment Area Two) (the “**2025 Bonds**”) in a total principal amount of \$ _____ for the purpose of financing a portion of the 2025 Project; and

WHEREAS, pursuant to District Resolution Nos. 2022-27, 2022-28, 2022-37, 2022-41, 2022-44, and 2025-05 (the “**Assessment Resolutions**”), the District imposed special assessments on Assessment Area Two within the District to secure the repayment of the 2025 Bonds (the “**Series 2025 Assessments**”); and

WHEREAS, the Developer agrees that all developable lands within Assessment Area Two benefit from the timely design, construction, or acquisition of the improvements that make up the 2025 Project; and

WHEREAS, the Developer agrees that the Series 2025 Assessments which were imposed on Assessment Area Two have been validly imposed and constitute valid, legal and binding liens upon Assessment Area Two, which Series 2025 Assessments remain unsatisfied; and

WHEREAS, to the extent permitted by law, the Developer waives any defect in notice, publication or in the proceedings to levy, impose and collect the Series 2025 Assessments on Assessment Area Two, including the levy and lien of the master assessments; and

WHEREAS, the *Master Assessment Methodology for Peace Creek Community Development District*, dated March 9, 2022, as amended by that certain *Amended and Restated Master Assessment Methodology for Peace Creek Community Development District*, date April 26, 2022, as supplemented by that certain *Second Supplemental Special Assessment Methodology Report*, dated December 10, 2024 (together, the “**Assessment Report**”), provides that as lands within Assessment Area Two are platted or replatted, the allocation of the amounts assessed to and constituting a lien upon Assessment Area Two will be calculated based upon certain density assumptions relating to the number of each type of residential unit to be constructed within Assessment Area Two, which assumptions were provided by the Developer; and

WHEREAS, the Assessment Report provides that as Assessment Area Two lands are platted or re-platted, the allocation of the amounts assessed to and constituting a lien upon such Assessment Area Two lands would be calculated based upon certain density assumptions relating to the number of each type of residential unit to be constructed on such assessment area, which assumptions were provided by the Developer; and

WHEREAS, the Assessment Report anticipates a mechanism by which certain payments will be made to the District in order to satisfy, in whole or in part, the assessments allocated and the liens imposed pursuant to the Assessment Resolutions, the amount of such payments being determined generally by a calculation of the remaining unallocated debt prior to the recording of the final plat or site plan for a parcel or tract, as described in the Assessment Report (which payments shall collectively be referenced as the “**True-Up Payment**” and which calculation to determine the True-Up Payment shall be the “**True-Up Calculation**”); and

WHEREAS, the Developer and the District desire to enter into an agreement to confirm the Developer’s intention and obligation, if required, to make or cause to be made the True-Up Payment related to the Series 2025 Assessments, subject to the terms and conditions contained herein.

NOW, THEREFORE, based upon good and valuable consideration and the mutual covenants of the parties, the receipt and sufficiency of which is hereby acknowledged, the parties agree as follows:

SECTION 1. RECITALS. The recitals so stated are true and correct and by this reference are incorporated into and form a material part of this Agreement.

SECTION 2. VALIDITY OF ASSESSMENTS. The Developer agrees that the Assessment Resolutions have been legally and duly adopted by the District. The Developer further agrees that the Series 2025 Assessments imposed as liens by the District are legal, valid, and binding liens running with the land against which assessed until paid, coequal with the liens of all state, county, district, and municipal taxes, and superior in dignity to all other liens, titles, and claims. The Developer hereby waives and relinquishes any rights it may have to challenge, object to or otherwise fail to pay such Series 2025 Assessments.

SECTION 3. PAYMENT OF ASSESSMENTS.

(a) The Developer agrees that to the extent the Developer fails to timely pay all Series 2025 Assessments to be collected by mailed notice of the District, said unpaid Series 2025 Assessments (including True-Up Payments) may be placed on the tax roll by the District for collection by the Tax Collector pursuant to Section 197.3632, *Florida Statutes*, in any subsequent year or may be foreclosed on as provided for in Florida law and as may be provided by the Indenture securing the 2025 Bonds.

(b) The Developer agrees that the provisions of this Agreement shall constitute a covenant running with Assessment Area Two and shall remain in full force and effect and be

binding upon the Developer, its legal representatives, estates, successors, grantees, and assigns until released pursuant to the terms herein.

SECTION 4. SPECIAL ASSESSMENT REALLOCATION.

(a) ***Assumptions as to the Series 2025 Assessments.*** As of the date of the execution of this Agreement, the Developer has informed the District that the Developer anticipates that a total of one hundred twenty (120) townhome units will be constructed within Assessment Area Two, as more specifically described by unit size/number in the Assessment Report (the “**Anticipated Lots**”).

(b) ***Process for Reallocation of Assessments.*** For unplatted tracts, the Series 2025 Assessments will initially be levied on unplatted acreage in Assessment Area Two and will be reallocated as lands are platted and developed (the “**Reallocation**”). In connection with such platting of acreage, the Series 2025 Assessments imposed on the acreage being platted will be allocated based upon the actual number of units within each product type being platted. In furtherance thereof, at such time as acreage is to be platted, the Developer covenants that such plat shall be presented to the District. The District shall allocate the Series 2025 Assessments to the residential product types being platted and developed and any remaining unplatted property in accordance with the Assessment Report and cause such Reallocation to be recorded in the District’s Improvement Lien Book.

(i) The Developer covenants to comply, or cause others to comply, with this requirement for the Reallocation. The District agrees that no further action by the Board shall be required. The District’s review of the plats shall be limited solely to the Reallocation of the Series 2025 Assessments and enforcement of the District’s assessment liens. Nothing herein shall in any way operate to or be construed as providing any other plat and plan approval or disapproval powers to the District.

(ii) The purpose of the True-Up calculations is to ensure that the debt associated with the 2025 Bonds will be able to be assigned to at least the Anticipated Lots within Assessment Area Two necessary to absorb such Series 2025 Assessments. Thus, at the time of platting of any portion of Assessment Area Two, or any replatting thereof, there must be at least the number of Anticipated Lots in Assessment Area Two on which to assign the bond debt. If not, subject to the exceptions contained herein, the District would require a True-Up Payment from the Developer or the person or entity seeking to file such plat in an amount sufficient to reduce the remaining bond debt to the actual number of lots platted in Assessment Area Two consistent with the Assessment Report.

(iii) The True-Up calculations shall be performed each time land within Assessment Area Two is platted and developed.

(iv) If at the time the True-Up calculations are performed, it is determined that less than the Anticipated Lots are to be platted and developed within Assessment Area Two, and such shortfall results in insufficient units to absorb the Series 2025

Assessments levied to secure the 2025 Bonds then outstanding, a True-Up Payment shall become due and payable by the Developer. Any such True-Up Payment determined to be due by Developer shall be paid in full prior to approval of the plat. Such True-Up Payment shall be in addition to the regular installment payable for Assessment Area Two lands owned by the Developer. The District will take all necessary steps to ensure that True-Up Payments are made in a timely fashion to ensure its debt service obligations are met, and in all cases, the Developer agrees that such payments shall be made in order to ensure the District's timely payment of the debt service obligations on the 2025 Bonds. The District shall record all True-Up Payments in its Improvement Lien book. If such True-Up Payments are made at least forty-five (45) days prior to an interest payment date on the 2025 Bonds, the Developer shall include accrued interest as part of the True-Up Payments to such interest payment date. If such True-Up Payments become due within forty-five (45) days of the next interest payment date, accrued interest shall be calculated to the next succeeding interest payment dates.

(v) The foregoing is based on the District's understanding with the Developer that the Developer will plat or cause to be platted at least the Anticipated Lots within Assessment Area Two as identified in the Assessment Report and Engineer's Report. However, the District agrees that nothing herein prohibits more or fewer than the anticipated residential dwelling units from being platted. In the event the Developer plats fewer than the Anticipated Lots within Assessment Area Two, the Developer may (a) make a True-Up Payment, or (b) leave unassigned Series 2025 Assessments on un-platted lands within Assessment Area Two provided the maximum debt allocation per acre as set forth in the Assessment Resolution and Assessment Report is not exceeded, or (c) amend Assessment Area Two to include a sufficient number of units to fully absorb the Series 2025 Assessments outstanding. In no event shall the District collect Series 2025 Assessments pursuant to the Assessment Resolutions in excess of the total debt service related to the 2025 Bonds, including all costs of financing and interest. The District, however, may collect Series 2025 Assessments in excess of the annual debt service related to the 2025 Bonds, including all costs of financing and interest, which shall be applied to prepay the 2025 Bonds. If the strict application of the True-Up methodology to any Reallocation for any plat pursuant to this paragraph would result in Series 2025 Assessments collected in excess of the District's total debt service obligation for the 2025 Bonds, the District agrees to take appropriate action by resolution to equitably Reallocate the assessments.

SECTION 5. ENFORCEMENT. This Agreement is intended to be a method of enforcement of the Developer's obligation to abide by the requirements of the Reallocation of Assessments to platted units, including the making of the True-Up Payment, as set forth in the Assessment Resolutions. A default by either party under this Agreement shall entitle the other party to all remedies available at law or in equity, which shall include, but not be limited to, the right of actual damages (not consequential, special or punitive damages), injunctive relief, and specific performance.

SECTION 6. ASSIGNMENT.

(a) **Agreement Runs with Land.** This Agreement shall constitute a covenant running with title to Assessment Area Two, binding upon the Developer and its successors and assigns as to Assessment Area Two lands or portions thereof, and any transferee of any portion of Assessment Area Two lands as set forth in this Section, except as permitted by subsection 6(b), below, or subject to the conditions set forth in subsection 6(c), below.

(b) **Exceptions.** The Developer shall not transfer any portion of Assessment Area Two lands to any third party without complying with the terms of subsection 6(c) herein, other than:

- (i) Platted and fully developed lots to homebuilders restricted from re-platting;
- (ii) Platted and fully developed lots to homebuyers; and
- (iii) Portions of Assessment Area Two which are exempt from assessments to the County, the District, a homeowners' association, or other governmental agencies.
- (iv) Any transfer of any portion of Assessment Area Two lands pursuant to subsections (i), (ii) or (iii) listed above shall constitute an automatic release of such portion of Assessment Area Two lands from the scope and effect of this Agreement, provided however that any True-Up Payment owing is paid prior to such transfer.

(c) **Transfer Conditions.** The Developer shall not transfer any portion of the Assessment Area Two lands to any third party, except as permitted by Section 6(b) above, without satisfying the following condition ("**Transfer Condition**"): delivering a recorded copy of this Agreement to such third party and satisfying any True-Up Payment that results from any true-up determinations made by the District incident to such transfer. Any transfer that is consummated pursuant to this Section shall operate as a release of the Developer from its obligations under this Agreement as to such portion of the Assessment Area Two lands only arising from and after the date of such transfer and satisfaction of all of the Transfer Condition including payment of any True-Up Payments due, and the transferee, which by recording or causing to be recorded in the Official Records of Polk County, the deed transferring such portion to the transferee shall be deemed to assume the Developer's obligations in accordance herewith shall be deemed the "Developer" from and after such transfer for all purposes as to such portion of the Assessment Area Two lands so transferred. Regardless of whether the conditions of this subsection are met, any transferee, other than those specified in subsection 6(b) herein, shall take title subject to the terms of this Agreement.

SECTION 7. RECOVERY OF COSTS AND FEES. In the event either party is required to enforce this Agreement by court proceedings or otherwise, then the prevailing party, as determined by the applicable court or other dispute resolution provider, shall be entitled to recover from the non-prevailing party all fees and costs incurred, including reasonable attorneys' fees and costs incurred prior to or during any litigation or other dispute resolution and including all fees and costs incurred in appellate proceedings.

SECTION 8. NOTICE. All notices, requests, consents, and other communications hereunder (the “Notices”) shall be in writing and shall be delivered, mailed by First Class Mail, postage prepaid, or telecopied or hand delivered to the parties, as follows:

In any event, this Agreement shall be deemed terminated automatically as to any lot sold to a homebuyer. This Agreement shall also be deemed terminated automatically on the Assessment Area Two lands or portion of the Assessment Area Two lands reflected in a release of lien as recorded by the District, so long as conditions for such recorded release are met and are consistent with the terms of this Agreement.

Except as provided below, this Agreement is solely for the benefit of the formal parties herein, and no right or cause of action shall accrue upon or by reason hereof, to or for the benefit of any third party not a formal party hereto. Except as provided below, nothing in this Agreement expressed or implied is intended or shall be construed to confer upon any person, corporation, or entity other than the parties hereto any right, remedy, or claim under or by reason of this Agreement or any provisions or conditions hereof; and all of the provisions, representations, covenants, and conditions herein contained shall inure to the sole benefit of and shall be binding upon the parties hereto and their respective representatives, successors, and assigns. Notwithstanding the foregoing, the Trustee for the 2025 Bonds, on behalf of the Majority Owners (as defined in the Second Supplemental Trust Indenture relating to the 2025 Bonds) of the 2025 Bonds, shall be a direct third-party beneficiary of the terms and conditions of this Agreement and shall be entitled to cause the District to enforce the Developer's obligations hereunder. The Trustee has not assumed any obligations hereunder.

SECTION 13. LIMITATIONS ON GOVERNMENTAL LIABILITY. SECTION 14. APPLICABLE LAW AND VENUE. This Agreement shall be governed by the laws of the State of Florida. The parties agree and consent that proper venue for any dispute arising out of this Agreement, whether in or out of court, shall be in Polk County, Florida.

SECTION 15. EXECUTION IN COUNTERPARTS. NOW, THEREFORE, in consideration of the above recitals which the Parties hereby agree are true and correct and are hereby incorporated by reference and other good and valuable consideration, the receipt and sufficiency of which are acknowledged, Assignor and Assignee agree as follows:

1. INCORPORATION OF RECITALS. The recitals stated above are true and correct and by this reference are incorporated as a material part of this Assignment.

2. COLLATERAL ASSIGNMENT.

(a) In the event of Assignor’s default in the payment of the Series 2025 Assessments securing the 2025 Bonds, Assignee shall be entitled to exercise its Remedial Rights to secure control and/or title to Assessment Area Two. Such exercise of Remedial Rights by Assignee may include foreclosure proceedings, acceptance of a deed in lieu of foreclosure and the establishment of a special-purpose entity (“**SPE**”) to hold title to Assessment Area Two, as

designee of Assignee. Assignor hereby agrees to unconditionally collaterally assign to Assignee or its designee, to the extent assignable, and to the extent that they are owned or controlled by Assignor, all of its Development and Contract Rights as security for Assignor's payment and performance and discharge of its obligation to pay the Series 2025 Assessments levied against Assessment Area Two. - i. Any declaration of covenants of a homeowner's association governing Assessment Area Two, as recorded in the Official Records of Polk County, Florida, and as the same may be amended and restated from time to time, including, without limitation, all of the right, title, interest, powers, privileges, benefits and options of the "Developer" or "Declarant" thereunder.
- ii. Engineering and construction plans and specifications for grading, traffic capacity analyses, roadways, site drainage, storm water drainage, signage, water distribution, wastewater collection, and other improvements to or affecting Assessment Area Two.
- iii. Preliminary and final plats and/or site plans for Assessment Area Two.
- iv. Architectural plans and specifications for public buildings and other improvements to Assessment Area Two, other than those associated with homebuilding and home construction.
- v. Permits, approvals, agreements, resolutions, variances, licenses, and franchises and applications therefor whether approved or in process pending before or granted by governmental authorities, or any of their respective agencies, for or affecting the development of Assessment Area Two and construction of improvements thereon.
- vi. Contracts with engineers, architects, land planners, landscape architects, consultants, contractors, and suppliers for or relating to the development of Assessment Area Two or the construction of improvements thereon, together with all warranties, guaranties and indemnities of any kind or nature associated therewith.

- vii. Franchise or other agreements for the provision of water and wastewater service to Assessment Area Two, and all hookup fees and utility deposits paid by Assignor in connection therewith.
- viii. Permit fees, impact fees, deposits and other assessments and impositions paid by Assignor to any governmental authority or utility and capacity reservations, impact fee credits and other credits due to Assignor from any governmental authority or utility provider, including credit for any dedication or contribution of Assessment Area Two by Assignor in connection with the development of Assessment Area Two or the construction of improvements thereon.
- ix. All future creations, changes, extensions, revisions, modifications, substitutions, and replacements of any of the foregoing and any guarantees of performance of obligations to Assignor arising thereunder by any means, including, but not limited to, pursuant to governmental requirements, administrative or formal action by third parties, or written agreement with governmental authorities or third parties.

(b) This Assignment is not intended to and shall not impair or interfere with the development of Assessment Area Two, including, without limitation, any purchase and sale agreements for platted lots with homebuilders (“**Builder Contracts**”), and shall only be inchoate and shall become an effective and absolute assignment and assumption of the Development and Contract Rights upon failure of Assignor to pay the Series 2025 Assessments levied against Assessment Area Two owned by Assignor, if such failure remains uncured after passage of any applicable cure period; provided, however, that such assignment shall only be effective and absolute to the extent that this Assignment has not been terminated earlier pursuant to the term of this Assignment. Further, this Assignment is not intended to restrict nor shall it be construed as restricting Assignor’s ability to assign Development and Contract Rights in the ordinary course of business, and Assignor expressly retains the right and a license to use, enforce, sue upon, make claim under and upon and otherwise exercise all rights and remedies of Assignor related to or arising from the Development and Contract Rights in the event an assignment of Development and Contract Rights under this Assignment becomes effective. However, to the extent the Developer’s exercise of rights set forth above causes the District to incur any cost, the Developer agrees to pay such cost. Moreover, the Developer agrees not to exercise any rights provided for herein in a manner adverse to the District’s interests.

(c) If this Assignment has not become absolute, any portion not previously terminated and/or property released in connection with a Prior Transfer shall automatically terminate upon the earliest to occur of the following events (herein, the “**Term**”): (i) payment of the 2025 Bonds in full; or (ii) Development Completion. At the Developer’s request and the District’s confirmation that the provisions of the foregoing have been satisfied, the District and the Developer will record a notice or other appropriate instrument in the Public Records of Polk County, Florida, confirming the end of the Term. Without limiting the foregoing, upon a Prior Transfer, the portion of Assessment Area Two so transferred shall be deemed released automatically from the terms, scope and encumbrance of this Assignment whether or not the Term has expired as to any other portion of Assessment Area Two and without any written release or

certification being required from the District or any other person or entity, and any transferee and title examiner may rely on the foregoing automatic release in insuring title to such portion of Assessment Area Two so transferred without making exception for this Assignment.

3. ASSIGNOR WARRANTIES. Assignor represents and warrants to Assignee that, subject to the Builder Contracts now or hereafter executed by Assignor pursuant to the terms of the Builder Contracts:

(a) Other than in connection with the sale of lots to homebuilders or end users located within Assessment Area Two and in the ordinary course of business, Assignor has made no assignment of the Development and Contract Rights to any person other than Assignee.

(b) To the actual knowledge of Assignor and except as permitted or stated herein, Assignor has not done any act or omitted to do any act which will prevent Assignee from, or limit Assignee in, acting under any of the provisions hereof.

(c) To the actual knowledge of Assignor, there is no material default under the terms of the existing Contract Documents and all such Contract Documents remain in full force and effect.

(d) Assignor is not prohibited under agreement with any other person or under any judgment or decree from the execution, delivery and performance of this Assignment.

(e) No action has been brought or threatened which would in any way interfere with the right of Assignor to execute this Assignment and perform all of Assignor's obligations herein contained.

(f) Any transfer, conveyance or sale of Assessment Area Two shall subject any and all affiliated entities or successors-in-interest of the Developer to this Assignment (including successors-in-interest that are affiliates of the Developer), except to the extent constituting a Prior Transfer.

4. ASSIGNOR COVENANTS. Assignor covenants with Assignee that during the Term:

(a) Assignor will use commercially reasonable efforts to: (i) fulfill, perform, and observe each and every material condition and covenant of Assignor relating to the Development and Contract Rights, including, but not limited to, any material changes in the Development and Contract Rights; and (ii) give notice to Assignee of any claim of material default relating to the Development and Contract Rights given to or by Assignor, together with a complete copy of any such claim.

(b) In the event of the institution of any involuntary bankruptcy, reorganization or insolvency proceedings against Assignor or the appointment of a receiver or a similar official with respect to all or a substantial part of the properties of Assignor, Assignor shall endeavor in good faith to have such proceedings dismissed or such appointment vacated within a period of one hundred twenty (120) days.

5. ASSIGNEE OBLIGATIONS. Nothing herein shall be construed as an obligation on the part of Assignee to accept any liability for all or any portion of the Development and Contract Rights unless it chooses to do so in its sole discretion. Nor shall any provision hereunder be construed to place any liability or obligation on Assignee for compliance with the terms and provisions of all or any portion of the Development and Contract Rights.

6. EVENT(S) OF DEFAULT. Any material breach of Assignor's warranties contained in Section 3 hereof or breach of covenants contained in Section 4 hereof, shall, after the giving of notice and after failure to cure within a reasonable cure period in light of the default (which cure period shall not be less than sixty (60) days (and shall not be construed to extend any other cure periods provided hereunder) unless Assignee, in its sole discretion, agrees to a longer cure period) constitute an Event of Default ("**Event of Default**"). Additionally, the failure to timely pay the Series 2025 Assessments levied and imposed upon lands owned by Assignor shall constitute an Event of Default.

7. REMEDIES UPON EVENT OF DEFAULT. Upon an Event of Default, Assignee or Assignee's designee may, as Assignee's sole and exclusive remedies under this Assignment (and separate and apart from any Remedial Rights or other rights provided by law), take any or all of the following actions, at Assignee's option:

(a) Perform any and all obligations of Assignor relating to the Development and Contract Rights and exercise any and all rights of Assignor therein as fully as Assignor could;

(b) Initiate, appear in, or defend any action arising out of or affecting the Development and Contract Rights;

(c) Sue for, or otherwise collect and receive, monies due under the Contract Documents, including those past due and unpaid, and apply the same against all costs and expenses of collection and then against all costs and expenses of operation of Assessment Area Two or the performance of Assignor's obligations under the Contract Documents. Neither entry upon and taking possession of Assessment Area Two nor the collection of monies due under the Contract Documents shall in any way operate to cure or waive any default under any instrument given by Assignor to Assignee, or prohibit the taking of any other action by Assignee under any such instrument, or at law or in equity, to enforce payment of the obligations secured hereby or to realize on any other security; and/or

(d) Demand, effective upon the occurrence of an Event of Default, and after Assignor's receipt of a demand notice from Assignee following an Event of Default, that Assignor use commercially reasonable efforts: (i) at the sole cost and expense of Assignor, to enforce the performance and observance of each and every material covenant and condition of the Contract Documents to be performed or observed; and (ii) appear in and defend any action involving the Contract Documents or the obligations or liabilities of Assignor or any guarantor thereunder. Also to be effective upon the occurrence of an Event of Default, and after Assignor's receipt of a demand notice from Assignee following an Event of Default, Assignor will neither modify the terms of the Contract Documents in any material respect (unless required so to do by the terms thereof or to comply with documents executed in connection with the issuance of the 2025 Bonds) nor waive or release any third party from the performance of any obligation to be performed or

liability assumed under the terms of the Contract Documents or from liability on account of any warranty given by such third party, without the prior consent of Assignee, which consent shall not be unreasonably withheld, conditioned or delayed. Notwithstanding the foregoing, Assignor will not at any time knowingly take any action (or omit to take any action) with respect to the Development and Contract Rights that materially and adversely affect the rights of the District or the District's bondholders.

8. AUTHORIZATION OF PERFORMANCE. Upon the occurrence and during the continuation of an Event of Default, Assignor does hereby authorize and shall direct any party to any agreement relating to the Development and Contract Rights to tender performance thereunder to Assignee upon written notice and request from Assignee. Any such performance in favor of Assignee shall constitute a full release and discharge to the extent of such performance as fully as though made directly to Assignor.

9. SECURITY AGREEMENT. Subject to the terms of this Assignment, this Assignment shall be a security agreement between Assignor, as the debtor, and Assignee, as the secured party, covering the Development and Contract Rights and Contract Documents that constitute personal property governed by the Florida Uniform Commercial Code ("**Code**"), and Assignor grants to Assignee a security interest in such Development and Contract Rights and Contract Documents. Notwithstanding the foregoing, Assignee shall not be entitled to exercise any right as a secured party, including, without limitation, the filing of any and all financing statements, until the occurrence of an Event of Default hereunder, subject to any applicable notice and cure period.

10. SUCCESSORS; THIRD-PARTY BENEFICIARIES. This Assignment is solely for the benefit of the District and the Developer and no right or cause of action shall accrue upon or by reason, to or for the benefit of any third party not a formal party to this Assignment. Nothing in this Assignment expressed or implied is intended or shall be construed to confer upon any person or entity other than the District and the Developer any right, remedy, or claim under or by reason of this Assignment or any of the provisions or conditions of this Assignment; and all of the provisions, representations, covenants, and conditions contained in this Assignment shall inure to the sole benefit of and shall be binding upon the District and the Developer and their respective representatives, successors, and assigns, subject to the provisions hereof regarding the automatic release of portions of Assessment Area Two here from upon a Prior Transfer.

Notwithstanding the foregoing, the Trustee, acting at the direction of the Majority Holders of the 2025 Bonds, shall have the right to directly enforce the provisions of this Assignment. The Trustee shall not be deemed to have assumed any obligations under this Assignment. This Assignment may not be assigned or materially amended without the consent of the Trustee, acting at the direction of the Majority Holders of the 2025 Bonds, which consent shall not be unreasonably withheld.

11. ENFORCEMENT. In the event that either Party is required to enforce this Assignment by court proceedings or otherwise, then the Parties agree that the prevailing Party shall be entitled to recover from the other all fees and costs incurred, including reasonable attorneys' fees and costs for trial, alternative dispute resolution, or appellate proceedings.

12. AMENDMENTS. Amendments to and waivers of the provisions contained in this Assignment may be made only by an instrument in writing which is executed by both the District and the Developer.

13. AUTHORIZATION OF EXECUTION. The execution of this Assignment has been duly authorized by the appropriate body or official of the District and the Developer; both the District and the Developer have complied with all the requirements of law with respect to the execution of this Assignment; and both the District and the Developer have full power and authority to comply with the terms and provisions of this instrument.

WHEREAS, the Developer is the owner and/or developer of certain lands located within the boundaries of the District identified in the Engineer’s Report and further described in **Exhibit B**

attached hereto and incorporated by reference (“**Assessment Area Two**”), within which the 2025 Project will be located; and

WHEREAS, the District does not have sufficient monies on hand to allow the District to contract directly for: (i) the preparation of the surveys, testing, reports, drawings, plans, permits, specifications, and related documents necessary to complete the 2025 Project (“**Work Product**”); or (ii) construction and/or installation of all of the Improvements; and

WHEREAS, the District acknowledges the Developer’s needs to have the Improvements comprising the 2025 Project constructed in an expeditious and timely manner in order to develop Assessment Area Two; and

WHEREAS, the Developer and the District are entering into this Agreement to set forth the process by which the District may acquire the Work Product, the Improvements, and any related real property interests (“**Real Property**”) from the Developer and to provide an agreement for reimbursement to the Developer under the terms and conditions herein.

NOW, THEREFORE, based upon good and valuable consideration and the mutual covenants of the Parties, the receipt and sufficiency of which are hereby acknowledged, the District and the Developer agree as follows:

SECTION 1. INCORPORATION OF RECITALS. The recitals stated above are true and correct and by this reference are incorporated herein and form a material part of this Agreement.

SECTION 2. WORK PRODUCT. The 2025 Project represents those Improvements and Work Product that have met the requirements of this Agreement, have been acquired by the District, and are eligible for reimbursement to the Developer when the 2025 Bonds are issued subject to the provisions of Section 4.01(a) of the Second Supplemental Trust Indenture. In the event that the 2025 Bonds are issued, the Parties agree to cooperate and use good faith and best efforts to undertake and complete the acquisition process contemplated by this Agreement, as may be amended from time to time, on such date or dates as the parties may jointly agree upon in writing, for all future acquisitions of Work Product or Improvements (each an “**Acquisition Date**”). Subject to any applicable legal requirements (e.g., but not limited to, those laws governing the use of proceeds from tax exempt bonds), and the requirements of this Agreement, the District agrees to acquire completed Work Product and Improvements that are part of its Capital Improvement Plan, as may be adopted in the future.

(a) **Request for Conveyance and Supporting Documentation** – When Work Product or Improvements are ready for conveyance by or on behalf of the Developer to the District, the Developer shall notify the District in writing, describing the nature of the Work Product and/or Improvement and estimated cost. Additionally, the Developer agrees to provide, at or prior to the Acquisition Date, the following: (i) documentation of actual costs paid, (ii) instruments of conveyance such as bills of sale or such other instruments as may be requested by the District, and (iii) any other releases, warranties, indemnifications or documentation as may be reasonably requested by the District.

(b) **Costs** – Subject to any applicable legal requirements (such as, but not limited to, those laws governing the use of proceeds from tax exempt bonds), the availability of proceeds from the 2025 Bonds, and the requirements of this Agreement, the District shall pay the lesser of: (i) the actual cost creation/construction of the Work Product or Improvements; and (ii) the fair market value of the Work Product or Improvements. The Developer shall provide copies of any and all invoices, bills, receipts, or other evidence of costs incurred by the Developer for any Work Product and/or Improvements. The District Engineer shall review all evidence of cost and shall certify to the District’s Board of Supervisors (“**Board**”) whether the cost being paid is the lesser of: (i) the actual cost of creation/construction of the Work Product or Improvements; and (ii) the fair market value of the Work Product or Improvements.

(c) **Conveyances on “As-Is” Basis** – Unless otherwise agreed, all conveyances of Work Product and/or Improvements shall be on an “as-is” basis. The Developer agrees to assign, transfer and convey to the District any and all rights against any and all firms or entities which may have caused any latent or patent defects, including, but not limited to, any and all warranties and other forms of indemnification.

(d) **Right to Rely on Work Product and Releases** – The Developer agrees to release to the District all right, title, and interest which the Developer may have in and to any Work Product conveyed hereunder, as well as all common law, statutory, and other reserved rights, including all copyrights in the Work Product and extensions and renewals thereof under United States law and throughout the world, and all publication rights and all subsidiary rights and other rights in and to the Work Product in all forms, mediums, and media, now known or hereinafter devised. To the extent determined necessary by the District, the Developer shall reasonably obtain all releases from any professional providing services in connection with the Work Product to enable the District to use and rely upon the Work Product. The District agrees to allow the Developer access to and use of the Work Product without the payment of any fee by the Developer. However, to the extent the Developer’s access to and use of the Work Product causes the District to incur any cost or expense, such as copying costs, the Developer agrees to pay such cost or expense.

(e) **Transfers to Third-Party Governments** – If any item acquired is to be conveyed to a third-party governmental body, then the Developer agrees to cooperate and provide such certifications, documents, bonds, warranties, and/or forms of security as may be required by that governmental body, if any.

(f) **Permits** – The Developer agrees to cooperate fully in the transfer of any permits to the District or a governmental entity with maintenance obligations for any Improvements conveyed pursuant to this Agreement.

(g) **Engineer's Certification** – The District shall accept any completed Work Product and/or Improvements where the District Engineer (or other consulting engineer reasonably acceptable to the District), in his/her professional opinion, is able to certify that, in addition to any other requirements of law: (i) the District Engineer has inspected the Work Product and/or Improvements as well as any and all site plans, plats, agreements, construction and development drawings, plans and specifications, surveys, engineering reports, soil reports, and documents of every kind and character whatsoever pertaining or applicable to or in any way connected with the development, construction, and ownership of the Improvements; (ii) the Improvements have been completed in compliance with the applicable governmental requirements, including but not limited to all permits, County regulations and code and, if applicable, FDOT regulations and code; (iii) the Improvements are within the scope of the Act, are expected to be included in the District's Capital Improvement Plan, were installed in accordance with their specifications, are free from obstruction, and are capable of performing the functions for which the Improvements were intended; (iv) the total costs associated with the Improvements are accurate and representative of what was actually paid by Developer or its affiliate or assign to create and/or construct the Improvements; (v) all known plans, permits and specifications necessary for the operation and maintenance of the Improvements are complete and on file with the District, and have been transferred, or are capable of being transferred, to the District for operations and maintenance responsibilities; and (vi) the Improvements specifically benefit property within the boundaries of the District.

SECTION 3. CONVEYANCE OF REAL PROPERTY. When the 2025 Bonds are issued, the Parties agree to cooperate and use good faith and best efforts to undertake and complete the acquisition process contemplated by this Agreement, as may be amended from time to time, on an Acquisition Date. In the event of such an acquisition, the Developer agrees that it will convey to the District at or prior to such Acquisition Date as determined solely by the District, by a special warranty deed or other instrument acceptable to the District's Board together with a metes and bounds or other description, the Real Property upon which any Improvements are constructed or which are necessary for the operation and maintenance of, and access to, the Improvements.

(a) **Cost** – The Parties agree that all Real Property shall be provided to the District at no cost, unless (i) the costs for the Real Property are included as part of the 2025 Project, and (ii) the purchase price for the Real Property is less than or equal to the appraised value of the Real Property, based on an appraisal obtained by the District for this purpose. The Parties agree that the purchase price shall not include amounts attributable to the value of improvements on the Real Property and other improvements serving the Real Property that have been, or will be, funded by the District.

(b) **Fee Title and Other Interests** – The District may determine in its reasonable discretion that fee title for the Real Property is not necessary and, in such cases, shall accept such other interest in the lands upon which the Improvements are constructed as the District

deems acceptable.

(c) ***Developer Reservation*** – Any conveyance of Real Property hereunder by special warranty deed or other instrument shall be subject to a reservation by the Developer of its right, easement and privilege to use the area conveyed to construct any Improvements and any future improvements to such area for any related purposes (including, but not limited to, construction traffic relating to the construction of the development) not inconsistent with the District’s use, occupation or enjoyment thereof.

(d) ***Fees, Taxes, Title Insurance*** – The Developer shall pay the cost for recording fees and documentary stamps required, if any, for the conveyance of the Real Property upon which the Improvements are constructed. The Developer shall be responsible for all taxes and assessments levied on the Real Property upon which the Improvements are constructed until such time as the Developer conveys all said lands to the District. At the time of conveyance, the Developer shall provide, at its expense, an owner’s title insurance policy or other evidence of title in a form satisfactory to the District.

(e) ***Boundary Adjustments*** – The Developer and the District agree that future boundary adjustments may be made as deemed reasonably necessary by both Parties in order to accurately describe Real Property conveyed to the District and lands which remain in the Developer’s ownership. The Parties agree that any Real Property transfers made to accommodate such adjustments shall be accomplished by donation. However, the party requesting such adjustment shall pay any transaction costs resulting from the adjustment, including but not limited to taxes, title insurance, recording fees or other costs. The Developer agrees that if a court or other governmental entity determines that a re-platting of the Real Property within the District is necessary, the Developer shall pay all costs and expenses associated with such actions.

SECTION 4. TAXES, ASSESSMENTS, AND COSTS.

(a) ***Taxes and Assessments on Property Being Acquired.*** The District is an exempt governmental unit acquiring property pursuant to this Agreement for use exclusively for public purposes. Accordingly, in accordance with Florida law, the Developer agrees to place in escrow with the County tax collector an amount equal to the current ad valorem taxes and non-ad valorem assessments (with the exception of those ad valorem taxes and non-ad valorem assessments levied by the District) prorated to the date of transfer of title, based upon the expected assessment and millage rates giving effect to the greatest discount available for early payment.

(i) If and only to the extent the property acquired by the District is subject to ad valorem taxes or non-ad valorem assessments, the Developer agrees to reimburse the District for payment, or pay on its behalf, any and all ad valorem taxes and non-ad valorem assessments imposed during the calendar year in which each parcel of property is conveyed.

(ii) Nothing in this Agreement shall prevent the District from asserting

any rights to challenge any taxes or assessments imposed, if any, on any property of the District.

(b) **Notice.** The Parties agree to provide notice to the other within thirty (30) calendar days of receipt of any notice of potential or actual taxes, assessments, or costs, as a result of any transaction pursuant to this Agreement, or notice of any other taxes, assessments, or costs imposed on the property acquired by the District as described in subsection (a) above. The Developer covenants to make any payments due hereunder in a timely manner in accordance with Florida law. In the event that the Developer fails to make timely payment of any such taxes, assessments, or costs, the Developer acknowledges the District's right to make such payment. If the District makes such payment, the Developer agrees to reimburse the District within thirty (30) calendar days of receiving notice of such payment, and to include in such reimbursement any fees, costs, penalties, or other expenses which accrued to the District as a result of making such a payment, including interest at the maximum rate allowed by law from the date of the payment made by the District.

(c) **Tax Liability Not Created.** Nothing herein is intended to create or shall create any new or additional tax liability on behalf of the Developer or the District. Furthermore, the parties reserve all respective rights to challenge, pay under protest, contest or litigate the imposition of any tax, assessment, or cost in good faith they believe is unlawfully or inequitably imposed and agree to cooperate in good faith in the challenge of any such imposition.

SECTION 5. ACQUISITIONS AND BOND PROCEEDS. The District shall in good faith pursue the issuance of the 2025 Bonds to finance portions of the 2025 Project. In the event that the District issues the 2025 Bonds and has bond proceeds available to finance portions of the 2025 Project acquired by the District, and subject to the terms of the applicable documents relating to the 2025 Bonds, then the District shall promptly make payment for any such acquired Work Product, Improvements or Real Property pursuant to the terms of this Agreement as may be amended from time to time; provided, however, that in the event the District's bond counsel determines that any such acquisitions are not properly compensable for any reason, including, but not limited to federal tax restrictions imposed on tax-exempt financing, then the District shall not be obligated to make payment for such acquisitions. In the event the District does not or cannot issue sufficient bonds within five (5) years from the date of this Agreement to pay for all acquisitions related to the 2025 Project, and, thus does not make payment to the Developer for any unfunded acquisitions, then the Parties agree that the District shall have no payment or reimbursement obligation whatsoever for those unfunded acquisitions. The Developer acknowledges that the District may convey some or all of the Work Product and/or Improvements to a general purpose unit of local government (e.g., the County) and consents to the District's conveyance of such Work Product and/or Improvements prior to any payment being made by the District.

SECTION 6. DEFAULT. A default by either Party under this Agreement shall entitle the other to all remedies available at law or in equity, which may include, but not be limited to, the right of damages and/or specific performance.

SECTION 7. ATTORNEYS' FEES AND COSTS. In the event that either Party is required to enforce this Agreement by court proceedings or otherwise, then the Parties agree that the prevailing Party shall be entitled to recover from the other all fees and costs incurred, including reasonable attorneys' fees and costs for trial, alternative dispute resolution, or appellate proceedings.

SECTION 8. AMENDMENTS. Amendments to and waivers of the provisions contained in this Agreement may be made only by an instrument in writing which is executed by both the District and the Developer. The Agreement may not be materially amended without the consent of the Trustee, acting at the direction of the Majority Holders of the 2025 Bonds, which consent shall not be unreasonably withheld.

SECTION 9. AUTHORIZATION. The execution of this Agreement has been duly authorized by the appropriate body or official of the District and the Developer; both the District and the Developer have complied with all the requirements of law; and both the District and the Developer have full power and authority to comply with the terms and provisions of this instrument.

SECTION 14. APPLICABLE LAW AND VENUE. This Agreement and the provisions contained herein shall be construed, interpreted and controlled according to the laws of the State of Florida. Each party consents that the venue for any litigation arising out of or related to this Agreement shall be in Polk County, Florida.

SECTION 16. SEVERABILITY. The invalidity or unenforceability of any one or more provisions of this Agreement shall not affect the validity or enforceability of the remaining portions of this Agreement, or any part of this Agreement not held to be invalid or unenforceable.

SECTION 17. LIMITATIONS ON GOVERNMENTAL LIABILITY. Nothing in this Agreement shall be deemed as a waiver of immunity or limits of liability of the District beyond any statutory limited waiver of immunity or limits of liability that may have been adopted by the Florida

Legislature in Section 768.28, *Florida Statutes*, or other law, and nothing in this Agreement shall inure to the benefit of any third party for the purpose of allowing any claim that would otherwise be barred by sovereign immunity or by other operation of law.

The Developer certifies, by acceptance of this Agreement, that neither it nor its principals utilize coercion for labor or services as defined in Section 787.06, *Florida Statutes*. The Developer agrees to execute an affidavit in compliance with Section 787.06(13), *Florida Statutes*, and acknowledges that if the Developer refuses to sign said affidavit, the District may terminate this Agreement immediately.

WHEREAS, in order to ensure that the 2025 Project is completed and funding is available in a timely manner to provide for completion, the Developer will make provision for any additional funds that may be needed in the future for the completion of the 2025 Project over and above the 2025 Bonds, including, but not limited to, all reasonable and customary administrative, legal, warranty, engineering, permitting or other related soft costs.

NOW, THEREFORE, based upon good and valuable consideration and the mutual covenants of the Parties, the receipt of which and sufficiency of which are hereby acknowledged, the District and the Developer agree as follows:

1. INCORPORATION OF RECITALS. The recitals stated above are true and correct and are incorporated herein by this reference as a material part of this Agreement.

2. COMPLETION OF 2025 PROJECT. The Developer and the District agree and acknowledge that the District’s proposed 2025 Bonds will provide only a portion of the funds necessary to complete the 2025 Project. Therefore, as more particularly set forth in paragraphs 2(a) and 2(b) below, the Developer hereby agrees to complete, cause to be completed, provide funds or cause funds to be provided to the District in an amount sufficient to allow the District to complete or cause to be completed, those portions of the 2025 Project which remain unfunded including, but not limited to, all reasonable and customary administrative, legal, warranty, engineering, permitting or other related soft costs (“**Remaining Project**”) whether pursuant to existing contracts, including change orders thereto, or future contracts. Nothing herein shall cause or be construed to require the District to issue additional bonds or indebtedness to provide funds for any portion of the Remaining Project nor shall anything in this Agreement be construed as prohibiting

the District from doing so in the future. The District and the Developer hereby acknowledge and agree that the District's execution of this Agreement constitutes the manner and means by which the District has elected to provide any and all portions of the Remaining Project not funded by District bonds or other indebtedness.

(a) When all or any portion of the Remaining Project is the subject of a District contract, the Developer shall provide funds or cause funds to be provided directly to the District in an amount sufficient to complete the Remaining Project under such contract pursuant thereto, including change orders thereto, upon written notice from the District.

(b) When any portion of the Remaining Project is not the subject of a District contract, the Developer may choose to: (i) complete, cause to be completed, provide funds or cause funds to be provided to the District in an amount sufficient to allow the District to complete or cause to be completed the Remaining Project; or (ii) have the District enter into a contract and proceed under Section 2(a) above, subject, in each case to a formal determination by the District's Board of Supervisors that the option selected by the Developer will not adversely impact the District, and is in the District's best interests.

(c) **Impact Fee Credits** – The Parties recognize that the District is not anticipated to finance the total amount of the Capital Improvement Plan and portions of the Capital Improvement Plan are anticipated to be contributed by the Developer to the District. To the extent that the District finances improvements that give rise to impact fee credits or similar forms of reimbursement (together, the "**Impact Fee Credits**"), the District shall be entitled to the amount of such Impact Fee Credits in the event that the Developer's contribution, which may be realized in the form of funding, donation of infrastructure or donation of other qualified improvements or real property, at the completion of the Capital Improvement Plan is less than the amount of Impact Fee Credits realized by the Developer for the District's financing of the improvements that gave rise to such credits.

3. OTHER CONDITIONS AND ACKNOWLEDGMENTS

(a) The District and the Developer agree and acknowledge that the exact location, size, configuration and composition of the 2025 Project may change from that described in the Supplemental Engineer's Report, depending upon final design of the 2025 Project, permitting or other regulatory requirements over time, or other factors. Material changes to the 2025 Project shall be made by a written amendment to the Supplemental Engineer's Report, which shall include an estimate of the cost of the changes. Material changes to the 2025 Project shall require the prior written consent of the Trustee acting at the direction of the bondholders holding a majority of the aggregate principal amount of the bonds then outstanding; however, such consent is not necessary when the scope, configuration, size and/or composition of the improvements making up the 2025 Project are materially changed in response to a requirement imposed by a regulatory agency.

(b) The District and the Developer agree and acknowledge that any and all portions of the Remaining Project which are constructed, or caused to be constructed, by the Developer shall be conveyed to the District or such other appropriate unit of local government or public utility as is designated in the Supplemental Engineer's Report or required by governmental regulation or

development approval. All conveyances to another governmental entity shall be in accordance with and in the same manner as provided in any agreement between the District and the appropriate unit of local government.

(c) Notwithstanding anything to the contrary contained in this Agreement, the payment or performance by the Developer of its obligations hereunder is expressly subject to, dependent and conditioned upon: (a) the issuance of the 2025 Bonds and use of the proceeds thereof to fund a portion of the 2025 Project, and (b) the scope, configuration, size and/or composition of the 2025 Project not materially changing without the consent of the Developer; however, such consent is not necessary and the Developer must meet its completion obligations when the scope, configuration, size and/or composition of the improvements that make up the 2025 Project are materially changed in response to a requirement imposed by a regulatory agency. In the event of a material change to the scope, configuration, size and/or composition of the 2025 Project in response to a requirement imposed by a regulatory agency, the Developer shall not consent to such material change without the prior written consent of the District.

4. DEFAULT AND PROTECTION AGAINST THIRD-PARTY INTERFERENCE. A default by either Party under this Agreement shall entitle the other to all remedies available at law or in equity, which may include, but not be limited to, the right of actual damages (excluding punitive, special or consequential damages) and/or specific performance.

5. ENFORCEMENT OF AGREEMENT. In the event that either of the Parties is required to enforce this Agreement by court proceedings or otherwise, then the Parties agree that the prevailing Party shall be entitled to recover from the other all fees and costs incurred, including reasonable attorneys' fees and costs for trial, alternative dispute resolution, or appellate proceedings.

6. AMENDMENTS. Amendments to and waivers of the provisions contained in this Agreement may be made only by an instrument in writing which is executed by both the District and the Developer.

7. AUTHORIZATION. The execution of this Agreement has been duly authorized by the appropriate body or official of the District and the Developer, both the District and the Developer have complied with all the requirements of law, and both the District and the Developer have full power and authority to comply with the terms and provisions of this instrument.

The Trustee shall not be deemed to have assumed any obligations under this Agreement.

11. ASSIGNMENT. Neither the District nor the Developer may assign this Agreement or any monies to become due hereunder without the prior written approval of the other; provided that such consent shall not be unreasonably withheld by the District in the event of a sale of the majority of the Assessment Area Two then owned by the Developer pursuant to which the unaffiliated purchaser agrees to assume any remaining obligations of the Developer under this Agreement.

**DECLARATION OF CONSENT TO THE JURISDICTION OF
PEACE CREEK COMMUNITY DEVELOPMENT DISTRICT
AND TO IMPOSITION OF SERIES 2025 SPECIAL ASSESSMENTS**

653TH, LLC, a Florida limited liability company (the “**Developer**”), is the owner and/or developer of certain lands located within the boundaries of the Peace Creek Community Development District (the “**District**”), generally identified as Assessment Area Two as further described herein and in the attached **Exhibit A** (“**Assessment Area Two**” or the “**Property**”). The Developer, intending that it and its respective successors in interest and assigns shall be legally bound by this Declaration, hereby declares, acknowledges and agrees as follows:

1. The District is, and has been at all times, on and after February 28, 2022, a legally created, duly organized, and validly existing community development district under the provisions of the Uniform Community Development District Act of 1980, Chapter 190, *Florida Statutes*, as amended (the “**Act**”). Without limiting the generality of the foregoing, the Developer acknowledges that: (a) the petition filed with the City Commission of the City of Winter Haven, Florida (the “**City Commission**”), relating to the creation of the District contained all matters required by the Act to be contained therein and was filed in the manner and by the persons required by the Act; (b) Ordinance O-22-15, effective as of February 28, 2022, as amended by Ordinance O-22-36, effective as of June 13, 2022, was duly and properly enacted by the City Commission in compliance with all applicable requirements of law; and (c) the members of the Board of Supervisors of the District (the “**Board**”) were duly and properly designated pursuant to the Act to serve in their capacities, and had the authority and right to authorize, approve and undertake all actions of the District approved and undertaken from February 28, 2022, to and including the date of this Declaration.

2. The Developer, for itself and its successors and assigns, hereby confirms and agrees that the special assessments imposed by Resolution Nos. 2022-27, 2022-28, 2022-37, 2022-41, 2022-44, and 2025-05 (collectively, the “**Assessment Resolutions**” and the special assessments imposed thereby as it relates to the Series 2025 Bonds, the “**Series 2025 Assessments**”), duly adopted by the Board, and all proceedings undertaken by the District with respect thereto have been in accordance with applicable Florida law, that the District has taken all action necessary to levy and impose the Series 2025 Assessments and the Series 2025 Assessments are legal, valid and binding first liens upon the Property coequal with the lien of all state, county, district and municipal taxes, and superior in dignity to all other liens, titles and claims, except for certain federal tax liens, until paid.

3. The Developer, for itself and its successors and assigns, hereby waives the right granted in Section 170.09, *Florida Statutes*, and rights provided in the 2025 Assessment Resolutions, to prepay the Series 2025 Assessments without interest within thirty (30) days after

the improvements are completed, in consideration of, among other things, rights granted by the District to prepay the Series Special Assessments in full or in part at any time, but with interest, under the circumstances set forth in the 2025 Assessment Resolutions.

4. The Developer hereby expressly acknowledges, represents and agrees that: (i) the Series 2025 Assessments, the 2025 Assessment Resolutions, and the terms of the financing documents related to the District's issuance of its \$_____ Peace Creek Community Development District Special Assessment Bonds, Series 2025 (Assessment Area Two) (the "**2025 Bonds**") securing payment thereof, and all other documents and certifications relating to the issuance of the 2025 Bonds (the "**Financing Documents**") are valid and binding obligations enforceable in accordance with their terms; (ii) the Developer has no claims or offsets whatsoever against, or defenses or counterclaims whatsoever to, payments of the Series 2025 Assessments or claims of invalidity, deficiency or enforceability of the Series 2025 Assessments and Financing Documents (and the Developer hereby expressly waives any such claims, offsets, defenses or counterclaims); (iii) the Developer expressly waives and relinquishes any argument, claim or defense that foreclosure proceedings cannot be commenced until one (1) year after the date of the Developer's default, and agrees that immediate use of remedies in Chapter 170, *Florida Statutes*, is an appropriate and available remedy, notwithstanding the provisions of Section 190.026, *Florida Statutes*; and (iv) to the extent the Developer fails to timely pay any Series 2025 Assessments, including any true-up payment, collected by mailed notice of the District, such unpaid special assessments and future special assessments may be placed on the tax roll by the District for collection by the Tax Collector pursuant to Section 197.3632, *Florida Statutes*, in any subsequent year, or may be foreclosed on pursuant to Chapters 170 and 190, *Florida Statutes*. Notwithstanding the foregoing, nothing in this Declaration shall be deemed to imply or impose personal liability upon the Developer to pay the Series 2025 Assessments, except for the Developer's obligations under the Completion Agreement and Collateral Assignment of even date herewith, the Developer shall not suffer or incur any personal liability to pay any Series 2025 Assessments and the District's sole remedies for the Developer's non-payment of the Series 2025 Assessments shall be against the real estate subject to the lien of the Series 2025 Assessments and rights assigned under the Collateral Assignment and as otherwise provided for in law.

5. This Declaration shall represent a lien of record for purposes of Florida law, including but not limited to Chapter 197, *Florida Statutes*, and Sections 197.552 and 197.573, *Florida Statutes*, among others. Other information regarding the Series 2025 Special Assessments is available from the District Manager, Governmental Management Services – Central Florida, LLC, 219 East Livingston Street, Orlando, Florida 32801.

6. This Declaration may be executed in multiple counterparts, each of which shall be deemed an original and all of which shall constitute one agreement and the signatures of any party to any counterpart shall be deemed to be a signature to, and may be appended to, any other counterpart.

THE DECLARATIONS, ACKNOWLEDGEMENTS, AND AGREEMENTS CONTAINED HEREIN SHALL RUN WITH THE LAND DESCRIBED IN EXHIBIT A HERETO AND SHALL BE BINDING ON THE DEVELOPER AND ON ALL PERSONS (INCLUDING BUT NOT LIMITED TO INDIVIDUALS AS WELL AS CORPORATIONS, ASSOCIATIONS, TRUSTS, AND OTHER LEGAL ENTITIES) TAKING TITLE TO ALL

OR ANY PART OF THE PROPERTY, AND THEIR SUCCESSORS IN INTEREST, WHETHER OR NOT THE PROPERTY IS PLATTED AT SUCH TIME. **SUPPLEMENTAL ASSESSMENT RESOLUTION
WITH DELEGATION OF AUTHORITY

A RESOLUTION SETTING FORTH THE SPECIFIC TERMS OF THE DISTRICT’S SPECIAL ASSESSMENT BONDS, SERIES 2025 (ASSESSMENT AREA TWO) (THE “2025 BONDS”); MAKING CERTAIN ADDITIONAL FINDINGS AND ADOPTING AND CONFIRMING AN ENGINEER’S REPORT AND A SUPPLEMENTAL ASSESSMENT REPORT; DELEGATING AUTHORITY TO PREPARE FINAL REPORTS AND UPDATE THIS RESOLUTION; CONFIRMING THE MAXIMUM ASSESSMENT LIEN SECURING THE 2025 BONDS; ADDRESSING THE ALLOCATION AND COLLECTION OF THE ASSESSMENTS SECURING THE 2025 BONDS; ADDRESSING PREPAYMENTS; ADDRESSING TRUE-UP PAYMENTS; PROVIDING FOR THE SUPPLEMENTATION OF THE IMPROVEMENT LIEN BOOK; AND PROVIDING FOR CONFLICTS, SEVERABILITY AND AN EFFECTIVE DATE.

WHEREAS, the Peace Creek Community Development District (the “**District**”) has previously indicated its intention to undertake, install, establish, construct or acquire certain public improvements and to finance such public improvements through the issuance of bonds secured by the imposition of special assessments on benefited property within the District; and

WHEREAS, the District’s Board of Supervisors (“**Board**”) has previously adopted, after proper notice and public hearing, Resolution Nos. 2022-27, 2022-28, 2022-37, 2022-41 and 2022-44 (together, the “**Master Assessment Resolutions**”), relating to the imposition, levy, collection and enforcement of such special assessments, and establishing a master lien over the property within the District, which lien remains inchoate until the District issues bonds, as provided in the Master Assessment Resolutions; and

WHEREAS, the Master Assessment Resolutions provides that as each series of bonds is issued to fund all or any portion of the District’s improvements, a supplemental resolution may be adopted to set forth the specific terms of the bonds and certify the amount of the lien of the special assessments securing any portion of the bonds, including interest, costs of issuance, the number of payments due, and the application of receipt of any true-up proceeds; and

WHEREAS, on December 10, 2024, and in order to finance all or a portion of what is known as the 2025 Project, as defined herein, the District adopted Resolution No. 2025-04 (the “**Delegated Award Resolution**”), which authorized the District to enter into a *Bond Purchase*

Contract and sell its Special Assessment Bonds, Series 2025 (Assessment Area Two) (“**2025 Bonds**”) within certain parameters set forth in the Delegated Award Resolution; and

WHEREAS, the District intends to secure the 2025 Bonds by levying debt service special assessments on benefitting property in Assessment Area Two (as defined herein) to secure repayment of the 2025 Bonds (the “**Series 2025 Assessments**”) pursuant to the terms of the Master Assessment Resolutions, and in accordance with the master and supplemental trust indentures applicable to the 2025 Bonds and associated financing documents; and

WHEREAS, pursuant to and consistent with the Master Assessment Resolutions and Delegated Award Resolution, the District desires to authorize the finalization of its Series 2025 Assessments, among other actions.

NOW THEREFORE, BE IT RESOLVED BY THE BOARD OF SUPERVISORS OF PEACE CREEK COMMUNITY DEVELOPMENT DISTRICT AS FOLLOWS:

1. **INCORPORATION OF RECITALS.** All of the above representations, findings and determinations contained above are recognized as true and accurate and are expressly incorporated into this Resolution.

2. **AUTHORITY FOR THIS RESOLUTION.** This Resolution is adopted pursuant to the provisions of Florida law, including Chapters 170, 190 and 197, *Florida Statutes*, and the Master Assessment Resolutions.

3. **ADDITIONAL FINDINGS; ADOPTION OF ENGINEER’S REPORT AND SUPPLEMENTAL ASSESSMENT REPORT.** The Board hereby finds and determines as follows:

- a. The *Engineer’s Report of Capital Improvements for Peace Creek Community Development District*, dated March 9, 2022, as amended by that certain *Amended and Restated Engineer’s Report of Capital Improvements for Peace Creek Community Development District*, dated April 14, 2022 (together, the “**Master Engineer’s Report**”), as supplemented by that certain *Supplemental Engineer’s Report for Assessment Area Two Bonds*, dated December 10, 2024, attached to this Resolution as **Exhibit A**, (the “**Supplemental Engineer’s Report**,” and together with the Master Engineer’s Report, the “**Engineer’s Report**”), identifies and describes, among other things, the presently expected components and estimated costs of the District’s Capital Improvement Plan (the portion identified in the Supplemental Engineer’s Report and which is anticipated to be financed with the 2025 Bonds, being hereinafter called the “**2025 Project**”). The District hereby confirms that the 2025 Project serves a proper, essential and valid public purpose. The Supplemental Engineer’s Report is hereby approved, adopted, and confirmed in substantial form. The District authorizes and ratifies its use in connection with the sale of the 2025 Bonds, subject to any changes deemed necessary under Section 4.a herein.

- b. The *Second Supplemental Special Assessment Methodology Report*, dated December 10, 2024, attached to this Resolution as **Exhibit B** (“**Second Supplemental Assessment Methodology Report**”), applies the master assessment methodology set forth in *Master Assessment Methodology for Peace Creek Community Development District*, dated March 9, 2022, as amended by that certain *Amended and Restated Master Assessment Methodology for Peace Creek Community Development District*, date April 26, 2022 (together, the “**Master Assessment Methodology Report**” and, with the Second Supplemental Assessment Methodology Report, the “**Assessment Methodology Report**”) to the 2025 Project and, as finalized, to the actual terms of the 2025 Bonds. The Assessment Methodology Report is hereby approved, adopted and confirmed in substantial form. The District authorizes and ratifies its use in connection with the sale of the 2025 Bonds, subject to any changes deemed necessary under Section 4.a. herein.
- c. Generally speaking, and subject to the terms of **Exhibit A** and **Exhibit B**, the 2025 Project benefits all developable property within Assessment Area Two, as such lands are further described in **Exhibit C** attached hereto. Moreover, the benefits from the 2025 Project funded by the 2025 Bonds equal or exceed the amount of the Series 2025 Assessments, as described in **Exhibit B**, and such the Series 2025 Assessments are fairly and reasonably allocated across all developable property within Assessment Area Two. It is reasonable, proper, just and right to assess the portion of the costs of the 2025 Project to be financed with the 2025 Bonds to the specially benefited property within Assessment Area Two as set forth in Master Assessment Resolutions and this Resolution.

4. **CONFIRMATION OF MAXIMUM ASSESSMENT LIEN SECURING THE 2025 Bonds; DELEGATION OF AUTHORITY FOR DISTRICT STAFF TO ISSUE FINAL REPORTS AND UPDATE THIS RESOLUTION.** As provided in the Master Assessment Resolutions, this Resolution is intended to set forth the terms of the 2025 Bonds and the final amount of the lien of the Series 2025 Assessments. In connection with the closing on the sale of the 2025 Bonds, District Staff is authorized to:

- a. Prepare final versions of the Supplemental Engineer’s Report and Second Supplemental Assessment Methodology Report attached hereto as **Exhibit A** and **Exhibit B**, respectively, to incorporate final pricing terms and make such other revisions as may be deemed necessary, provided however that:
 - i. the Series 2025 Assessments shall be levied and imposed within the parameters of the Master Assessment Resolutions and Delegated Award Resolution,
 - ii. the final versions of shall be approved by the Chairperson or, in the Chairperson’s absence, the Vice Chairperson, and in the absence or unavailability of the Vice Chairperson, any other member of the Board,

which approval shall be conclusively evidenced by the execution of the Bond Purchase Contract and closing on the 2025 Bonds, and

- iii. the actual amounts financed, costs of issuance, expected costs of collection, and the total amount of non-ad valorem assessments pledged to the issuance of the 2025 Bonds shall be consistent with the lien imposed by the Master Assessment Resolutions, and shall all be as set forth in the final Second Supplemental Assessment Methodology Report.
- b. After pricing of the 2025 Bonds, there shall be attached **Composite Exhibit D** to this Resolution showing: (i) Maturities and Coupon of the 2025 Bonds, (ii) Sources and Uses of Funds for the 2025 Bonds, and (iii) Annual Debt Service Payment Due on the 2025 Bonds; and
- c. Upon closing on the District's 2025 Bonds, the District's Counsel is hereby authorized and directed to record a Notice of Series 2025 Assessments in the Official Records of Polk County, or such other instrument evidencing the actions taken by the District. The lien of the Series 2025 Assessments shall be the principal amount due on the 2025 Bonds, together with interest and collection costs, and other pledged revenues as set forth in the applicable indenture(s) and shall cover all developable acreage within Assessment Area Two, as further provided in the assessment roll included in the Second Supplemental Assessment Methodology Report, and as such land is ultimately defined and set forth in site plans or other designations of developable acreage. To the extent that land is added to the District and made subject to the master assessment lien described in the Master Assessment Methodology Report, the District may, by supplemental resolution at a regularly noticed meeting and without the need for a public hearing on reallocation, determine such land to be benefitted by the 2025 Project and reallocate the Series 2025 Assessments securing the 2025 Bonds in order to impose the Series 2025 Assessments on the newly added and benefitted property, as may be applicable.

5. ALLOCATION AND COLLECTION OF THE SERIES 2025 ASSESSMENTS.

- a. The Series 2025 Assessments shall be allocated in accordance with **Exhibit B** and the Master Assessment Report. The final Second Supplemental Assessment Methodology Report to be attached as **Exhibit B** shall reflect the actual terms of the issuance of the 2025 Bonds. The Series 2025 Assessments shall be paid in not more than thirty (30) years of principal installments.
- b. The District hereby certifies the Series 2025 Assessments for collection and authorizes and directs staff to take all actions necessary to meet the time and other deadlines imposed for collection by Polk County and other Florida law. The District's Board each year shall adopt a resolution addressing the manner in which

the Series 2025 Assessments shall be collected for the upcoming fiscal year. The decision to collect the Series 2025 Assessments by any particular method – e.g., on the tax roll or by direct bill – does not mean that such method will be used to collect the Series 2025 Assessments in future years, and the District reserves the right in its sole discretion to select collection methods in any given year, regardless of past practices.

6. **IMPACT FEE CREDITS.** In lieu of receiving impact fee credits (if any) from any public improvements financed by the District, the District may elect to receive a contribution of infrastructure, reduce the cost of acquiring the improvements, or otherwise address the credits, as set forth in any applicable *Acquisition Agreement* between the District and the project developer(s) and/or landowner(s).

7. **PREPAYMENT OF SERIES 2025 ASSESSMENTS.** Any owner of property subject to the Series 2025 Assessments may, at its option, pre-pay the entire amount of the Series 2025 Assessments any time, or a portion of the amount of the Series 2025 Assessments up to two (2) times (or as otherwise provided by the applicable Supplemental Indenture for the 2025 Bonds), plus any applicable interest (as provided for in the applicable Supplemental Indenture for the 2025 Bonds), attributable to the property subject to the Series 2025 Assessments owned by such owner. In connection with any prepayment of the Series 2025 Assessments, the District may grant a discount equal to all or part of the payee’s proportionate share of financing costs (e.g., reserves) to the extent such discounts are provided for under the applicable Supplemental Indenture for the 2025 Bonds and Second Supplemental Assessment Methodology Report. Except as otherwise set forth herein, the terms of the Master Assessment Resolutions addressing prepayment of Series 2025 Assessments shall continue to apply in full force and effect and will supersede this Section 7.

8. **APPLICATION OF TRUE-UP PAYMENTS.** The terms of the Master Assessment Resolutions addressing True-Up Payments, as defined therein, shall continue to apply in full force and effect.

9. **IMPROVEMENT LIEN BOOK.** Immediately following the closing on the District’s 2025 Bonds, the Series 2025 Assessments as reflected herein shall be recorded by the Secretary of the Board in the District’s Improvement Lien Book. The Series 2025 Assessments shall be and shall remain a legal, valid and binding first lien against all benefited property as described in **Exhibit B** until paid and such lien shall be coequal with the lien of all state, county, district, municipal or other governmental taxes and superior in dignity to all other liens, titles, and claims.

10. **ADDITIONAL AUTHORIZATION.** The Chairperson, the Secretary, and all other Supervisors, officers and staff of the District are hereby authorized and directed to take all actions necessary or desirable in connection with the issuance and delivery of the 2025 Bonds, and final levy of the Series 2025 Assessments, and the consummation of all transactions in connection therewith, including the execution of all certificates, documents, papers, notices, and agreements necessary to the undertaking and fulfillment of all transactions referred to in or contemplated by the this Resolution. The Vice Chairperson is hereby authorized to act in the

stead of the Chairperson in any undertaking authorized or required of the Chairperson hereunder, and in the absence of the Chairperson and Vice Chairperson, any other member of the District's Board of Supervisors is so authorized, and any Assistant Secretary is hereby authorized to act in the stead of the Secretary in any undertaking authorized or required of the Secretary hereunder.

11. **CONFLICTS.** This Resolution is intended to supplement the Master Assessment Resolutions, which remains in full force and effect and is applicable to the 2025 Bonds except as modified herein. This Resolution and the Master Assessment Resolutions shall be construed to the maximum extent possible to give full force and effect to the provisions of each resolution, provided however that to the extent of any conflict, this Resolution shall control. All District resolutions or parts thereof in actual conflict with this Resolution are, to the extent of such conflict, superseded and repealed.

12. **SEVERABILITY.** If any section or part of a section of this Resolution is declared invalid or unconstitutional, the validity, force and effect of any other section or part of a section of this Resolution shall not thereby be affected or impaired unless it clearly appears that such other section or part of a section of this Resolution is wholly or necessarily dependent upon the section or part of a section so held to be invalid or unconstitutional.

13. **EFFECTIVE DATE.** This Resolution shall become effective upon its adoption.

Peace Creek Community Development District
c/o Governmental Management Services, LLC
219 E. Livingston Street
Orlando, Florida 32801
Attention: Mr. George Flint

Re: Peace Creek CDD, Series 2025 Bonds

Dear Mr. Flint:

We are writing to provide you, as the Peace Creek Community Development District (the "Issuer"), with certain disclosures relating to the captioned bond issue (the "Bonds"), as required by the Municipal Securities Rulemaking Board (MSRB) Rule G-17 Disclosure, as set forth in the amended and restated MSRB Notice 2019-20 (November 8, 2019)¹ (the "Notice"). We ask that you provide this letter to the appropriate person at the Issuer.

The Issuer recognizes that FMSbonds, Inc. will serve as the underwriter (the "Underwriter") and not as a financial advisor or municipal advisor, in connection with the issuance of the bonds relating to this financing (herein, the "Bonds"). As part of our services as Underwriter, FMSbonds, Inc. may provide advice concerning the structure, timing, terms, and other similar matters concerning the issuance of the Bonds. Any such advice, if given, will be provided by FMSbonds, Inc. as Underwriter and not as your financial advisor or municipal advisor in this transaction. The Issuer may choose to engage the services of a municipal advisor with a fiduciary obligation to represent the Issuer's interest in this transaction.

The specific parameters under which FMS will underwrite the Bonds will be set forth in a Bond Resolution adopted by the Board.

Pursuant to the Notice, we are required by the MSRB to advise you that:

- MSRB Rule G-17 requires a broker to deal fairly at all times with both municipal issuers and investors.

¹ Interpretive Notice Concerning the Application of MSRB Rule G-17 to underwriters and Underwriters of Municipal Securities (effective March 31, 2021).

- The Underwriter's primary role is to purchase the Bonds in an arm's-length commercial transaction with the Issuer. As such, the Underwriter has financial and other interests that differ from those of the Issuer.
- Unlike a municipal advisor, the Underwriter does not have a fiduciary duty to the Issuer under the federal securities laws and is, therefore, not required by federal law to act in the best interests of the Issuer without regard to its own financial or other interests.
- The Underwriter has a duty to purchase the Bonds from the Issuer at a fair and reasonable price, but must balance that duty with its duty to use its best efforts to resell the Bonds with purchases at prices that are fair and reasonable.
- The Bonds may be sold into a trust either at the time of issuance or subsequent to issuance. In such instance FMSbonds, Inc., not in its capacity of Underwriter, may participate in such trust arrangement by performing certain administrative roles. Any compensation paid to FMSbonds, Inc. would not be derived from the proceeds of the Bonds or from the revenues pledged thereunder.

The Underwriter will be compensated in accordance with the terms of a bond purchase contract by and between the Underwriter and Issuer. Payment or receipt of the Underwriter's compensation will be contingent on the closing of the transaction. While this form of compensation is customary in the municipal securities market, it presents a conflict of interest since an Underwriter may have an incentive to recommend a transaction that is unnecessary or to recommend that the size of a transaction be larger than is necessary. The Issuer acknowledges no such recommendation has been made by the Underwriter.

Please note nothing in this letter is an expressed or an implied commitment by us to provide financing or to place or purchase the Bonds. Any such commitment shall only be set forth in a bond purchase contract or other appropriate form of agreement for the type of transaction undertaken by you.

Further, our participation in any transaction (contemplated herein or otherwise) remains subject to, among other things, the execution of a bond purchase contract (or other appropriate form of agreement), further internal review and approvals, satisfactory completion of our due diligence investigation and market conditions.

FMSbonds, Inc. is acting independently in seeking to act as Underwriter in the transaction contemplated herein and shall not be deemed for any purpose to be acting as an agent, joint venturer or partner of any other principal involved in the proposed financing. FMSbonds, Inc. assumes no responsibility, express or implied, for any actions or omissions of, or the performance of services by, the purchasers or any other brokers in connection with the transactions contemplated herein or otherwise.

If you or any other representative of the Issuer have any questions or concerns about these disclosures, please make those questions or concerns known immediately to the undersigned. In addition, you should consult with your own financial, municipal, legal,

accounting, tax and other advisors, as applicable, to the extent deemed appropriate.

The MSRB requires that we seek the Issuer's acknowledgement that it has received this letter. We request that the person at the Issuer who has the authority to bind the Issuer (herein, "Authorized Issuer Representative") acknowledge this letter as soon as practicable and by nature of such acknowledgment that such person is not a party to any conflict of interest relating to the subject transaction. If our understanding is incorrect, please notify the undersigned immediately.

Depending on the structure of the transaction that the Issuer decides to pursue, or if additional actual or perceived material conflicts are identified, we may be required to send you additional disclosures. At that time, we also will seek your acknowledgement of receipt of any such additional disclosures.

We look forward to working with you in connection with the issuance of the Bonds, and we appreciate the opportunity to assist you in this transaction. Thank you.
